The secret to success in every endeavor is timing. What Divine Time are you on now? Take a look inside to find out! This is The Power of Divine Timing 2019! The Power of Divine Timing 2019 is an annual astrological guide and method that helps readers to nurture the correct source at the right time to create desired results based on astrological timing. You've heard the term, "have an attitude of gratitude"; but how can you be gracious if you can't see the blessings, you're supposed to be grateful for? Indeed, sometimes we have starved the blessings so much, it's as if they do not exist, or they have simply withered and died. That's sad; right? Humans tend to naturally feed the wrong source, challenges. You may also know that whatever we feed, whatever we nurture, grows stronger. You hear this time and time again from wise and prophetic teachers: "Live in the moment." How do you do that when you don't know what moment you're in—or where to place your intention and energy? That's where The Power of Divine Timing 2019 comes in! This is The Power of Divine Timing 2019—the technique that locates your specific, personal Universal blessings and challenges in real time and simply teaches you how to starve your challenges and to nurture and grow your blessings! The question then becomes: what happens to something that starves? It cannot exist without a source of energy feeding it. So, this, simply put, means you can starve your challenges to death until they have no power to survive and wreak havoc in your life. For, what I have intrinsically found is that when you focus on the blessings in your life, solutions for life's challenges can be found there. It's really quite easy. Each chapter focuses on the planet's current transits and movements, how they affect each astrological sign from the perspective of Challenges, Blessings, Change, and how to approach your current chart utilizing The Power of Divine Timing Technique. You should read both your Sun and rising sign. As you get familiar with this year's challenges and apparent Universal Blessings, you can start to nurture the right source. As you nurture the correct source, you will notice your life shifting, the challenges diminishing, and the blessings increasing. I have included exercises and suggestions for each of the astrological signs, and transits, to assist you in nurturing the right source.

LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION "Bold, virtuosic, addictive, erotic – there is nothing like *The Pisces*. I have no idea how Broder does it, but I loved every dark and sublime page of it." —Stephanie Danler, author of *Sweetbitter Lucy* has been writing her dissertation on Sappho for nine years when she and her boyfriend break up in a dramatic flameout. After she bottoms out in Phoenix, her sister in Los Angeles insists Lucy dog-sit for the summer. Annika's home is a gorgeous glass cube on Venice Beach, but Lucy can find little relief from her anxiety — not in the Greek chorus of women in her love addiction therapy group, not in her frequent Tinder excursions, not even in Dominic the foxhound's easy affection. Everything changes when Lucy becomes entranced by an eerily attractive swimmer while sitting alone on the beach rocks one night. But when Lucy learns the truth about his identity, their relationship, and Lucy's understanding of what love should look like, take a very unexpected turn. A masterful blend of vivid realism and giddy fantasy, pairing hilarious frankness with pulse-racing eroticism, *THE PISCES* is a story about falling in obsessive love with a merman: a figure of Sirenian fantasy whose very existence pushes Lucy to question everything she thought she knew about love, lust, and meaning in the one life we have.

"A lyrical novel about grief, love, and finding oneself in the wake of a tragic loss." —Bustle "Gorgeous prose and heartbreaking storytelling." —Paste Magazine "Grabs your heart and won't let go." —Book Riot A Kirkus Reviews Best Book of the Year Three starred reviews for this stunning novel about a mixed-race teen who struggles to find her way back to her love of music in the wake of her sister's death, from the author of the William C. Morris Award finalist *Starfish*. Rumi Seto spends a lot of time worrying she

doesn't have the answers to everything. What to eat, where to go, whom to love. But there is one thing she is absolutely sure of—she wants to spend the rest of her life writing music with her younger sister, Lea. Then Lea dies in a car accident, and her mother sends her away to live with her aunt in Hawaii while she deals with her own grief. Now thousands of miles from home, Rumi struggles to navigate the loss of her sister, being abandoned by her mother, and the absence of music in her life. With the help of the “boys next door”—a teenage surfer named Kai, who smiles too much and doesn't take anything seriously, and an eighty-year-old named George Watanabe, who succumbed to his own grief years ago—Rumi attempts to find her way back to her music, to write the song she and Lea never had the chance to finish. Aching, powerful, and unflinchingly honest, *Summer Bird Blue* explores big truths about insurmountable grief, unconditional love, and how to forgive even when it feels impossible. It's another new year celebrating everything under the Sun, including the Moon, with *The Old Farmer's Almanac*, America's oldest continuously published periodical! Always timely, topical, and distinctively “useful, with a pleasant degree of humor,” the Almanac has been beloved for centuries by people from all walks of life. As the nation's iconic calendar, the 2018 edition will mark the days, months, and seasons; preview astronomical events; and cover a range of related topics: trends, gardening, anniversaries, recipes, home remedies, pets, husbandry, folklore, amusement, contests, fishing, and more—too much more to mention—all in the inimitable way it has done since 1792.

Fans of *Girl, Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. “A haunting, beautiful, and necessary book that will stay with you long after you've read the last page.”—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. “*Girl, Interrupted* meets *Speak*.”—Refinery29 “A dark yet powerful read.”—Paste Magazine “One of the most affecting novels we have read.”—Goop “Breathtaking and beautifully written.”—Bustle “Intimate and gritty.”—The Irish Times And don't miss Kathleen Glasgow's newest novel *How to Make Friends with the Dark*, which Karen M. McManus, the New York Times bestselling author of *One of Us Is Lying*, calls “rare and powerful.”

This book presents the website exactphilosophy.net, as of 2017. Written by a Swiss physicist, it contains lots of beautiful novel ideas, inspired by nature and physics, ancient and modern philosophy, as well as by astrology, the I Ching and more... Please note that this book does not yet present these ideas in a way and format suitable for most readers. That will follow in other books by the same author. Instead, this book addresses anyone with a mind free enough to think outside of some of the usual ""boxes,"" paired with imagination and also a more scientifically critical mind in the end, as implies the ""exact"" in exactphilosophy. In essence, first ""elements"" are tentatively defined from first principles, inspired mostly by Kant, then some correlations between these abstractly defined ""elements"" and the ancient Greek elements are revealed, as well as with the 8 trigrams of the Chinese I Ching, and more.

Founded in 1971 by Elizabeth Pepper, the art director of Gourmet magazine for many years, The Witches' Almanac is a witty, literate, and sophisticated publication that appeals to general readers as well as hard-core Wiccans. At one level, it is a pop reference that will fascinate anyone interested in folklore, mythology, and culture, but at another, it is the most sophisticated and wide-ranging annual guide available today for the mystic enthusiast. Modeled after the Old Farmers' Almanac, it includes information related to the annual Moon calendar (weather forecasts and horoscopes) as well as legends, rituals, herbal secrets, mystic incantations, interviews, and many a curious tale of good and evil. Although it is an annual publication, only about 15 percent of the content is specific to the date range of each issue. The Witches' Almanac features more than 140 pages of interesting and timeless articles about witchcraft, magic, herbalism, charms, spells, and related topics written by authors from the witchcraft and magical communities. The theme of Issue 36 (Spring 2017 5 - Spring 2018) is Water: Our Primal Source. Included are "The Coffin Ring," "A Beekeeper's Year," "The Margate Grotto," "Speaking in Tongues," "Poppets," and "Thomas the Rhymer."
