

A Good Man Is Hard To Find Full Text

Thank you for your interest in A Good Man is Hard to Find, Even in the Church. I believe this book will help you with the task of finding a suitable mate and the wait that comes along with it. This book takes a few-holds-barred approach in sharing the perks and quirks of dating and will help people avoid unnecessary drama in their spouse-finding/keeping efforts. What makes this book unique is its approach - pure honesty! Things I did not want to include, I included just to make my point clear through example. Experience is a good teacher, but I don't believe we have to learn from our own experiences. We can also learn from the experiences of others. Why burn yourself on the stove when Momma can already tell you that the stove is hot? I dare to expose the truth since it's the truth that sets us free! Arne Powers is a church leader who serves in many capacities. One of her key roles is heading the singles ministry of her church. Her primary gift is her ability to teach. Arne believes in simplicity. If you can grasp it, you can apply it. She has found that the best way to teach others is by sharing personal experiences where applicable. This technique always seems to bring clarity to her lessons. The New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The

Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

GAMES OVER ROMANCE Narumi Momose has had it rough: Every boyfriend she's had dumped her once they found out she was an otaku, so she's gone to great lengths to hide it. When a chance meeting at her new job with childhood friend, fellow otaku, and now coworker Hiroataka Nifuji almost gets her secret outed at work, she comes up with a plan to make sure he never speaks up. But he comes up with a counter-proposal: Why doesn't she just date him instead? In love, there are no save points.

A #1 "ESSENCE]"-bestselling author takes a departure

from her inspirational fiction in this steamy romance set in exotic Indonesia.

When Tom Shiftlet arrives on a farm owned by an old woman and her deaf daughter, he is at first only interested in finding a place to stay in exchange for work. However, when the old woman offers her daughter Lucynell to him in marriage, along with a sum of money, he accepts, though his intentions towards the girl remain unclear. Similar in theme and style to many of other Flannery O'Connor's short stories, "The Life You Save My Be Your Own" was originally published in O'Connor's short story collection, *A Good Man Is Hard to Find*. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

A Simple Soul Gustave Flaubert - *A Simple Soul*, written by legendary author Gustave Flaubert is widely considered to be one of the greatest books of all time. This great classic will surely attract a whole new generation of readers. For many, *A Simple Soul* is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature, this gem by Gustave Flaubert is highly recommended.

"Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem,

all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

Contains letters written by Flannery O'Connor.

This collection shows Flannery O'Connor's extraordinary versatility and expertise as a practitioner of the essayistic form. The book opens with "The King of the Birds", her famous account of raising peacocks. There are three essays on regional writing, two on teaching literature, and four on the writer and religion. Essays such as "The Nature and Aim of Fiction" and "Writing Short Stories" are gems, and their value to the contemporary reader -- and writer -- is inestimable.

Copyright © Libri GmbH. All rights reserved.

Known for her violent, startling stories that culminate in moments of grace, Flannery O'Connor depicted the postwar segregated South from a unique perspective. This volume proposes strategies for introducing students to her Roman Catholic aesthetic, which draws on concepts such as incarnation and original sin, and offers alternative contexts for reading her work. Part 1, "Materials," describes resources that provide a grounding in O'Connor's work and life. The essays in part 2, "Approaches," discuss her beliefs about writing and her distinctive approach to fiction and religion; introduce fresh perspectives, including those of race, class, gender, and interdisciplinary approaches; highlight her craft as a creative writer; and suggest pairings of her works with other texts. Alice Walker's short story "Convergence" is

included as an appendix.

When Thomas's mother takes a young woman jailed for fraud under her wing, he is instantly wary of the newcomer. When his mother takes her charity even farther and invites the woman, Sarah, to live with them, Thomas predicts disaster and begins to take steps to have Sarah removed from their home and from his life. "The Comforts of Home" was originally published in Flannery O'Connor's 1965 short-story anthology, *Everything That Rises Must Converge*, and deals with themes familiar in many of O'Connor's works, including religion and morality. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

A tour-de-force by rising indy comics star Gene Yang, *American Born Chinese* tells the story of three apparently unrelated characters: Jin Wang, who moves to a new neighborhood with his family only to discover that he's the only Chinese-American student at his new school; the powerful Monkey King, subject of one of the oldest and greatest Chinese fables; and Chin-Kee, a personification of the ultimate negative Chinese stereotype, who is ruining his cousin Danny's life with his yearly visits. Their lives and stories come together with an unexpected twist in this action-packed modern fable. *American Born Chinese* is an amazing ride, all the way up to the astonishing climax. *American Born Chinese* is a 2006 National Book Award Finalist for Young People's Literature, the winner of the 2007 Eisner Award for Best Graphic Album: New, an Eisner Award nominee for Best Coloring and a 2007 Bank Street - Best Children's Book of the Year. This title has Common Core Connections

#1 NEW YORK TIMES BESTSELLER • Discover the life-

changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN

"McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love

letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

In his blistering new novel, Cormac McCarthy returns to the Texas-Mexico border, setting of his famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph.

Finalist for the Pulitzer Prize and the National Book Critics Circle Award in Biography • “One of the most beautiful biographies I've ever read.” —Glennon Doyle, author of #1 New York Times Bestseller, *Untamed* The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements, while restoring the woman behind the long-held myths about her life and art. With a wealth of never-before-accessed materials, Heather Clark brings to life the brilliant Sylvia Plath, who had precocious poetic ambition and was an accomplished published writer—even before she became a star at Smith College. Refusing to read Plath's work as if her every act was a harbinger of her tragic fate, Clark considers the sociopolitical context as she thoroughly explores Plath's world: her early relationships and determination not to

become a conventional woman and wife; her troubles with an unenlightened mental health industry; her Cambridge years and thunderclap meeting with Ted Hughes; and much more. Clark's clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath's suicide promote a deeper understanding of her final days. Along with illuminating readings of the poems themselves, Clark's meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.

"A back country orphan struggles to defy his uncle's prophesy that he will become a baptist prophet"--NoveList.

The Time Traveler's Wife and Life After Life, The
Invisible Life of Addie LaRue is New York Times
bestselling author V. E. Schwab's genre-defying tour de
force. A Life No One Will Remember. A Story You Will
Never Forget. France, 1714: in a moment of desperation,

a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Trust was rare and precious in the wide-open towns that sprung up like weeds on America's frontier—with hustlers and hucksters arriving in droves by horse, coach, wagon, and rail, and gunmen working both sides of the law, all too eager to end a man's life with a well-placed bullet. The New York Times–bestselling Grand Master of suspense deftly displays the other side of his genius, with seven classic western tales of destiny and fatal decision . . . and trust as essential to survival as it is hard-earned.

#1 NEW YORK TIMES BESTSELLER • A memoir of leadership and success: The executive chairman of Disney, Time's 2019 businessperson of the year, shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's most beloved companies and inspiring the people who bring the magic to life. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR** Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and

technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Today, Disney is the largest, most admired media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he learned while running Disney and leading its 220,000-plus employees, and he explores the principles that are necessary for true leadership, including:

- **Optimism.** Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming.
- **Courage.** Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity.
- **Decisiveness.** All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale.
- **Fairness.** Treat people decently, with empathy, and be accessible to them.

This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in

his final years to an abiding love of the Star Wars mythology. “The ideas in this book strike me as universal” Iger writes. “Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives.”

From the author of 44 Chapters About 4 Men (inspiration for the Netflix Original series, Sex/Life) comes an immersive dystopian romance unlike anything you’ve ever read. “None of this matters, and we’re all going to die.” With only three days left until the predicted apocalypse, the small town of Franklin Springs, Georgia, has become a wasteland of abandoned cars, abandoned homes, abandoned businesses, and abandoned people. People like Rainbow Williams. Rain isn’t afraid of dying. In fact, she’s looking forward to it. If she can just outrun her pain until April 23, she’ll never have to feel it at all. “Supplies. Shelter. Self-defense.” Wes Parker has survived every horrible thing this life has thrown at him with nothing more than his resourcefulness and disarming good looks. Why should the end of the world be any different? All he needs are some basic supplies, shelter, and a sucker willing to help him out, which is exactly what he finds when he returns to his hometown of Franklin Springs. As society crumbles, dangers mount, and secrets refuse to stay buried, two lost souls are thrust together in a twist of fate—one who will do anything to survive and one who can’t wait to die. Perhaps, together, they can learn how to live. Before their time runs out.

"Everything That Rises Must Converge" (1965) is nine

posthumous stories. The introduction is by Robert Fitzgerald.

When recently-orphaned Barnaby Gaunt is sent to stay with his uncle on a beautiful remote island off the coast of Canada, he is all set to have the perfect summer holiday. Except for one small problem: his uncle is trying to kill him. Heir to a ten-million-dollar fortune, Barnaby tries to tell everyone and anyone that his uncle is after his inheritance, but no one will believe him. That is, until he tells the only other child on the island, Chrissie, who concludes that there is only one way to stop his demonic uncle: Barnaby will just have to kill him first. With the unexpected help of One-Ear, the aged cougar who has tormented the island for years, Chrissie and Barnaby hatch a fool-proof plan. Playful, dark and witty, *Let's Kill Uncle* is a surprising tale of two ordinary children who conspire to execute an extraordinary murder - and get away with it.

Between his second and third tours of duty, a soldier returns home. To his former home, that is, using an old key while the new tenant is at work. Is he re-entering his old life or borrowing someone else's? Where is the line he will not cross? Each day is the same: he exists in a state of suspension, barely knowing how he passes the time - until someone else intrudes on the intruder. Adrian Tomine, graphic master of alienation and regret, expertly expands the form to express the unsaid and the unbearable in this unforgettable evocation of a post-traumatic life.

Amidst the chaos of World War II... In a land of brutality and bloodshed... One death can still change everything.

In war-torn Yugoslavia, a beautiful young filmmaker and photographer—a veritable hero to her people—and a German officer have been brutally murdered. Assigned to the case is military intelligence officer Captain Gregor Reinhardt. Already haunted by his wartime actions and the mistakes he's made off the battlefield, he soon finds that his investigation may be more than just a murder—and that the late Yugoslavian heroine may have been much more brilliant—and treacherous—than anyone knew. Maneuvering his way through a minefield of political, military, and personal agendas and vendettas, Reinhardt knows that someone is leaving a trail of dead bodies to cover their tracks. But those bloody tracks may lead Reinhardt to a secret hidden within the ranks of the powerful that they will do anything to keep. And his search for the truth may kill him before he ever finds it.

Contents: Wise Blood - A Good Man is Hard to Find - The Violent Bear It Away - Everything That Rises Must Converge - Stories and Occasional Prose - Letters.

Contains material previously published in A Celebration of Sex.

Presents a chronology of the life of author Flannery O'Conner, comments and letters by the author about the story, and a series of ten critical essays by noted authors about her work.

From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the

country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “My land tells its story if you listen. The story of our family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and

the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Flannery O'Connor was among the greatest American writers of the second half of the 20th century; she was a writer in the Southern tradition of Eudora Welty, William Faulkner, and Carson McCullers, who wrote such classic novels and short stories as *Wise Blood*, *The Violent Bear It Away*, and "A Good Man is Hard to Find." She is perhaps as well known for her tantalizing brand of Southern Gothic humor as she is for her Catholicism. That these tendencies should be so happily married in her fiction is no longer a surprise. The real surprise is learning that this much beloved icon of American literature did not set out to be a fiction writer, but a cartoonist. This seems to be the last well-kept secret of her creative life.

From Lauren Groff, author of the critically acclaimed and bestselling novel *Fates and Furies*, comes *Delicate Edible Birds*, one of the most striking short fiction debuts in years. Here are nine stories of astonishing insight and variety, each revealing a resonant drama within the life of a twentieth-century American woman. In "Sir Fleeting," a Midwestern

farm girl on her honeymoon in Argentina falls into lifelong lust for a French playboy. In "Blythe," an attorney who has become a stay-at-home mother takes a night class in poetry and meets another full-time mother, one whose charismatic brilliance changes everything. In "The Wife of the Dictator," that eponymous wife ("brought back . . . from [the dictator's] last visit to America") grows more desperately, menacingly isolated every day. In "Delicate Edible Birds," a group of war correspondents—a lone, high-spirited woman among them—falls sudden prey to a brutal farmer while fleeing Nazis in the French countryside. In "Lucky Chow Fun," Groff returns us to Templeton, the setting of her first book, for revelations about the darkness within even that idyllic small town. In some of these stories, enormous changes happen in an instant. In others, transformations occur across a lifetime—or several lifetimes. Throughout the collection, Groff displays particular and vivid preoccupations. Crime is a motif—sex crimes, a possible murder, crimes of the heart. Love troubles recur; they're in every story—love in alcoholism, in adultery, in a flood, even in the great flu epidemic of 1918. Some of the love has depths, which are understood too late; some of the love is shallow, and also understood too late. And mastery is a theme—Groff's women swim and baton twirl, become poets, or try and try again to achieve the inner

strength to exercise personal freedom. Overall, these stories announce a notable new literary master. Dazzlingly original and confident, *Delicate Edible Birds* further solidifies Groff's reputation as one of the foremost talents of her generation.

#1 NEW YORK TIMES BESTSELLER • With richly layered characters and a gripping moral dilemma that will lead readers to question everything they know about privilege, power, and race, *Small Great Things* is the stunning new page-turner from Jodi Picoult. **SOON TO BE A MAJOR MOTION PICTURE**

“[Picoult] offers a thought-provoking examination of racism in America today, both overt and subtle. Her many readers will find much to discuss in the pages of this topical, moving book.”—Booklist (starred review)

Ruth Jefferson is a labor and delivery nurse at a Connecticut hospital with more than twenty years' experience. During her shift, Ruth begins a routine checkup on a newborn, only to be told a few minutes later that she's been reassigned to another patient. The parents are white supremacists and don't want Ruth, who is African American, to touch their child. The hospital complies with their request, but the next day, the baby goes into cardiac distress while Ruth is alone in the nursery. Does she obey orders or does she intervene? Ruth hesitates before performing CPR and, as a result, is charged with a serious crime. Kennedy McQuarrie, a white public defender, takes her case but gives unexpected

advice: Kennedy insists that mentioning race in the courtroom is not a winning strategy. Conflicted by Kennedy's counsel, Ruth tries to keep life as normal as possible for her family—especially her teenage son—as the case becomes a media sensation. As the trial moves forward, Ruth and Kennedy must gain each other's trust, and come to see that what they've been taught their whole lives about others—and themselves—might be wrong. With incredible empathy, intelligence, and candor, Jodi Picoult tackles race, privilege, prejudice, justice, and compassion—and doesn't offer easy answers. *Small Great Things* is a remarkable achievement from a writer at the top of her game. Praise for *Small Great Things* “*Small Great Things* is the most important novel Jodi Picoult has ever written. . . . It will challenge her readers . . . [and] expand our cultural conversation about race and prejudice.”—The Washington Post “A novel that puts its finger on the very pulse of the nation that we live in today . . . a fantastic read from beginning to end, as can always be expected from Picoult, this novel maintains a steady, page-turning pace that makes it hard for readers to put down.”—San Francisco Book Review

Modelland - the FIERCE NEW NOVEL BY TYRA BANKS—IS OUT! No one gets in without being asked. And with her untamable hair, large forehead, and gawky body, Tookie De La Crème isn't expecting an invitation. Modelland—the exclusive,

mysterious place on top of the mountain—never dares to make an appearance in her dreams. But someone has plans for Tookie. Before she can blink her mismatched eyes, Tookie finds herself in the very place every girl in the world obsesses about. And three unlikely girls have joined her. Only seven extraordinary young women become Intoxibellas each year. Famous. Worshipped. Magical. What happens to those who don't make it? Well, no one really speaks of that. Some things are better left unsaid. Thrown into a world where she doesn't seem to belong, Tookie glimpses a future that could be hers—if she survives the beastly Catwalk Corridor and terrifying Thigh-High Boot Camp. Along the way, she learns all about friendship, courage, laughter and what it feels like to start to believe in yourself. When you enter the fantastical world of Modelland, you'll see that Tookie was inspired by Tyra's life as a supermodel. All those crazy and wild adventures Tookie has with her friends? Some of them were ripped straight from the headlines of Tyra's life! Tyra knows all about beauty and fashion and fierceness, and she shares everything here in MODELLAND. It's fun, zany, and 100 bazillion-percent Tyra. You don't want to miss Tyra's amazing new novel! From the Hardcover edition.

After the end of the Second World War, Mrs. McIntyre, a farm owner, decides to hire a man displaced by the war as a farm hand, but jealousy from her other workers and racial issues

soon complicate the arrangement. Written by Flannery O'Connor while visiting her mother's farm, "The Displaced Person" has ties to the author's own experiences of the O'Connor family's hiring of a displaced person on their farm after the end of the war. "The Displaced Person" was originally published in O'Connor's 1955 anthology, *A Good Man Is Hard to Find*. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

An Ancient Island Holds an Ancient Secret . . . Nick Hennessy, a young Texas journalist yearning for his big break, finds himself in Europe--his assignment, to investigate the alarming disappearance of invaluable Grecian antiquities. Nick has the credentials--and cover ID--to unearth the truth. And he knows just the researcher to help him... Carey Mathers, fresh from her studies in forensic archeology, has accepted a job with the prestigious Athens Institute for Antiquities--a dream come true, really, particularly when the Greek isle of Patmos, where the Apostle John received his vision of the Apocalypse, was a particular focus of her research. Dimitri Rubinos, for whom the Greek islands represent his life, holds on by his fingernails to the family charter boat business. But his country's economic chaos isn't the only thing that has turned his world on its head...

"The day I returned to Templeton steeped in disgrace, the fifty-foot corpse of a monster surfaced in Lake Glimmerglass." So begins *The Monsters of Templeton*, a novel spanning two centuries: part a contemporary story of a girl's search for her father, part historical novel, and part ghost story. In the wake of a disastrous love affair with her older, married archaeology professor at Stanford, brilliant Wilhelmina Cooper arrives

back at the doorstep of her hippie mother-turned-born-again-Christian's house in Templeton, NY, a storybook town her ancestors founded that sits on the shores of Lake Glimmerglass. Upon her arrival, a prehistoric monster surfaces in the lake bringing a feeding frenzy to the quiet town, and Willie learns she has a mystery father her mother kept secret Willie's entire life. The beautiful, broody Willie is told that the key to her biological father's identity lies somewhere in her family's history, so she buries herself in the research of her twisted family tree and finds more than she bargained for as a chorus of voices from the town's past -- some sinister, all fascinating -- rise up around her to tell their side of the story. In the end, dark secrets come to light, past and present day are blurred, and old mysteries are finally put to rest. *The Monsters of Templeton* is a fresh, virtuoso performance that has placed Lauren Groff among the best writers of today.

Flannery O'Connor (1925-1964) was an American author. *Wise Blood* was her first novel and one of her most famous works.
