Essential Business Studies features a thematic approach with a vibrant and accessible format to fully engage students. Activities and guidance on exam preparation, summary mindmaps and up-to-date, dynamic case studies are just some of the features helping to deliver the key course content. Whiteboard and Teacher Support CD-ROMs also available.

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and prepare for the examination questions.

Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

This book is intended as a quick reference revision guide for AQA AS Unit 4: Further Aspects of Management Accounting. It's particularly aimed at the written questions, which students often struggle on, but account for about 20-25% of the exam. It also contains appendices of important formats. Topics covered: manufacturing accounts, budgeting, break-even point, marginal costing, absorption costing, standard costing, investment appraisal, activity based costing. Appendices: manufacturing account layout, budget layouts, marginal cost statement layout, standard costing reconciliation statements. Although primarily intended with the AQA A level syllabus in mind, this book will also have relevance for other accounting courses post-16 and degree level.

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. A Content Guidance section combines an overview of the specific unit or module and the key terms and concepts, with an examiner's interpretation so that students understand precisely what they need to understand and learn, the skills required and the potential pitfalls. A Question and Answer section provides graded answers, typically A and C, to questions which have been set to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

FRANK WOOD'S A-level Accounting: GCE Year 2 Alan Sangster This third edition of Frank Wood's A-level Accounting has been completely restructured to take account of the recent changes to the A-level syllabus and of developments in the field.
