

Ashtanga Yoga The Practice David Swenson

NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER This book will shine new light on your journey, ignite your practice with new power, inspire new possibilities for growth, and infuse your life with the grace and confidence you seek. --Baron Baptiste A little over a decade ago, Baron Baptiste published his seminal book, *Journey into Power*. The first of its kind, it introduced the world to Baptiste Yoga, his signature method that marries a lifetime of studying with some of the world's most renowned yoga masters with his uniquely powerful approach to inner and outer transformation. Since then, yoga has steadily moved into the mainstream in our culture, and Baron's unique contribution has played a key role. As millions of participants incorporate yoga into their daily lives, Baron's teachings have evolved to bring them even deeper into their own transformative possibilities. *Perfectly Imperfect: The Art and Soul of Yoga Practice* takes readers beyond the foundations of the practice by speaking to everything that happens in their bodies and minds after they get into a yoga pose. That is where the true transformation occurs, and where much rich spiritual and emotional growth is available. Readers will learn how to move through their lives with grace and flow, begin again when a situation becomes difficult, be a yes for their innermost desires, give up what they must, follow their intuition, and find their truth north. With his signature blend of boldness, insightfulness, humor, and warmth, Baron offers what is destined to be an instant classic in the yoga and meditation world. With *Perfectly Imperfect*, he proves once again to be a true yoga master for the modern world.

Ashtanga Yoga is a graceful, athletic type of yoga that has become extremely popular in recent years. Here, Kino MacGregor, a disciple of Sri K. Pattabhi Jois, the great modern guru who developed Ashtanga Yoga, gives a comprehensive view of the practice and shows how Ashtanga is fundamentally a path of spiritual transformation and personal development. MacGregor delves into the history and tradition of Ashtanga Yoga and reveals how its philosophy manifests in contemporary lifestyle and dietary choices. She also explains the essential connection of breath, posture, and gaze that is the core of the practice. Her clear, step-by-step instruction of the Ashtanga Yoga Primary Series—including standing, seated, backbending, twisting, hip-opening, and closing postures—is a wonderful initiation for those who are new to the practice, and it will motivate experienced yogis toward perfection of the form. Throughout, MacGregor shares her own personal yoga journey and her devotion to yoga as a path of self-realization in a way that will inspire all practitioners.

Presenting ways in which Restorative Yoga can contribute to healing emotional wounds, this book invites yoga teachers, therapists and practitioners to consider the psychological impact of ethnic and race-based stress and trauma. It aids in the process of uncovering, examining, and healing one's own emotional wounds and offers insight into avoiding wounding or re-wounding others. The book describes how race-based traumatic stress differs from PTSD and why a more targeted approach to treatment is necessary, as well as what can trigger it. It also considers the implications of an increasingly racially and ethnically diverse and global yoga community, as well as the importance of creating conscious yoga communities of support and connection, where issues of race and ethnicity are discussed openly, non-defensively and constructively. By providing a therapeutic structure that assists those directly and indirectly impacted by ethnic and race-based stress and trauma, *Restorative Yoga for Ethnic and Race-Based Stress and Trauma* provides valuable tools for aiding in the processing of stressful experiences and in trauma recovery.

More than two hundred two-color illustrations and easy-to-follow instructions present a series of daily yoga routines, including sun salutations, balancing poses, inversions, and seated poses, along with sections on meditation, breathing exercises, tips, and more.

Championing your breath is the key to truly enjoying the fruits of your yoga practice, because it is through caring about your breathing that your tapas, your stubborn dedication and your pointed, daily toil will yield its important inner rewards. Through working with your breath in using this dvd/book set I hope you will turn to and trust your breath during times of celebration and challenge, that you will cultivate healthy breathing habits, and view breath as the key to unlocking the secrets to all yoga techniques. In presenting this material I aim to transform your ideas about the role that your breath can play in your daily practice, to see how the consciousness that you develop through breath awareness leads you into the greater spiritual context of your life. I aim to set your imagination ablaze on the vital subject of breathing as your principal source of Self knowledge.

A full-color practice deck of the Ashtanga Primary Series--by the dynamic yoga teacher Kino MacGregor. Ashtanga Yoga is one of the most popular and rigorous styles of yoga--and now practicing the Primary Series at home could not be easier This full-color set of practice cards includes ninety poses (the series plus each pose in Surya Namaskara A and B), each with photos, instructions, the drishti (point of focus), and a list of benefits. Kino MacGregor's clear, step-by-step instruction of the Ashtanga Yoga Primary Series is a wonderful initiation for those who are new to the practice and will motivate experienced yogis toward perfection of the form. Her devotion to yoga as a path of self-realization will inspire all practitioners

Scientific Keys Volume I: The Key Muscles of Hatha Yoga is a 244 page book with over 650 full color illustrations covering over thirty key muscles as applied to Hatha Yoga including biomechanics and information on the chakras.

A radical presentation of the most rigorous form of contemporary yoga as meditation in motion In *The Art of Vinyasa*, two of the most well-respected teachers of the Ashtanga style of yoga, Richard Freeman and Mary Taylor, explore this rigorous practice not as a gymnastic feat, but as a meditative form. They reveal that doing the practice—and particularly the vinyasa, or the breath-synchronized movements—in such a deep and focused way allows practitioners to experience a profound awakening of the body and mind. It also develops an adaptable, flexible practice that can last a lifetime. Freeman and Taylor give an in-depth explanation of form, alignment, and anatomy, and how they work together in the practice. They also present a holistic approach to asana practice that includes an awareness of the subtle breath and seamlessly merges yoga philosophy with practical technique. Unlike other books on Ashtanga, *The Art of Vinyasa* does not follow the linear pattern of the sequences of postures that are the hallmark of Ashtanga yoga. Instead, it interlinks the eight limbs: yama and niyama (ethical practices), asana (postures), pranayama (breathing), pratyahara (nongrasping of the senses), dharana (concentration), dhyana (meditation), samadhi (harmony, insight)—and shows how to establish an internally rooted yoga practice.

Ashtanga YogaThe Essential Step-by-step Guide to Dynamic YogaGaia

Women have many secrets. But a woman's secret relationship with food and her body can overshadow other aspects of her life, filling her with obsession, shame and fear. Many women waste countless years focusing on food and appearance, rather than spending energy on what holds deepest meaning for them in life. In *What Are You Hungry For?* authors Taylor and Ginsburg show how obsessive dieting, a distorted body image and eating disorders are often symptoms of a deep spiritual void. They offer a revolutionary--and easy to follow--approach to resolving deep-seated food and body issues using methods adapted from Eastern mind/body practices such as yoga. *What Are You Hungry For?* is a discovery book in the tradition of Susie Orbach's *Fat is a Feminist Issue* and Geneen Roth's *When Food is Love*. It will change the way you think about your body and the way you approach preparing and eating every single meal. "Finally, an insightful book that ties together food and our spiritual practice *What Are You Hungry For?* provides both philosophical and practical ways to understand our relationship with what we take into our bodies and to how we are following our internal voices." --Rodney Yee, yoga teacher

and star of the bestselling video series "Yoga Journal's Yoga with Rodney Yee"

Ashtanga Yoga: Practice and Philosophy is the first book of its kind, presenting a comprehensive guide to all eight limbs of Ashtanga Vinyasa Yoga. Join author Gregor Maehle, a seasoned yogi and compassionate teacher, as he guides you through:

- the history and lineage of yoga
- the fundamentals of breath, bandhas (energy locks within the body), drishti (the focal point of the gaze), and vinyasa (sequential movement)
- a detailed breakdown of the asanas of the Ashtanga Primary Series, following the traditional vinyasa count
- a lively and authentic rendering of the complete Yoga Sutra of Patanjali, yoga's ancient sacred text
- a glossary of yoga terminology

In the asana section, Maehle describes each posture with clear, meticulous instructions, photographs, anatomical illustrations, and practical tips. Information on the mythological background and yogic context of specific postures brings further insight to the practice. In the philosophy section, Maehle illuminates the Yoga Sutra using the major ancient commentaries as well as his own insights. This volume makes the entire path of Ashtanga Yoga accessible to modern practitioners. Both practical guide and spiritual treatise, Ashtanga Yoga is an excellent introduction to the eight limbs of yoga and an invaluable resource for any yoga teacher or practitioner.

Teaching Yoga is an essential resource for new and experienced teachers as well as a guide for all yoga students interested in refining their skills and knowledge. Addressing 100% of the teacher training curriculum standards set by Yoga Alliance, the world's leading registry and accreditation source for yoga teachers and schools, Teaching Yoga is also ideal for use as a core textbook in yoga teacher training programs. Drawing on a wide spectrum of perspectives, and featuring more than 150 photographs and illustrations, the book covers fundamental topics of yoga philosophy and history, including a historical presentation of classical yoga literature: the Vedas, Upanishads, Bhagavad Gita, Yoga Sutras of Patanjali, and the main historical sources on tantra and early hatha yoga. Each of the eleven major styles of contemporary yoga is described, with a brief history of its development and the distinguishing elements of its teachings. Exploring traditional and modern aspects of anatomy and physiology, the book provides extensive support and tools for teaching 108 yoga poses (asanas), breathing techniques (pranayama), and meditation. Teaching Yoga offers practical advice for classroom setup, planning and sequencing classes, as well as the process involved in becoming a teacher and sustaining oneself in the profession. The book has over 200 bibliographic sources, a comprehensive index, and a useful appendix that lists associations, institutes, organizations, and professional resources for yoga teachers. From the Trade Paperback edition.

Outlines an eight-week program of basic yoga postures, meditation, and breath awareness combined to promote physical, emotional, and psychological balance, and includes additional information for managing chronic pain and stress.

Pioneering Vinyasa Yoga shares knowledge through practical, down-to-earth instructions and inspiring, thoughtful stories. Then walks the reader through an array of tools in self-discovery and encourages us each to tread our own path. You will be refreshed and inspired to discover new light shone on the steps of your own yogic/life journey!

This book is a spiritual memoir on the life and explorations of Anthony Prem Carlisi, as well as a source of practical, applicable information about the practices of Ashtanga Yoga, Ayurveda and Tantra. The synergy of these three sciences are what Prem believes to be the key to living a healthy, rooted and ecstatic life! The book is written in a down to earth way so that anyone can pick it up and enjoy it. He writes with an openness about the ups and downs of his experiences along the yogic path. Prem shares his wisdom, in a light, funny and simple manner, making these esoteric topics approachable for yogi's and householders. It is a candid inner look, spoken from the heart of a devoted, 30 year yoga practitioner.

Experience the physical benefits and body awareness from hatha yoga—the most popular form of yoga today. Hatha Yoga Illustrated presents nearly 650 full-color photos to visually demonstrate 77 standard poses from hatha yoga that apply to all major hatha styles including Iyengar, Astanga, Anusara, and Bikram. Individual poses are presented from start to finish, showing you how to achieve proper alignment and breathing to ensure challenging yet safe execution. The result is an increase in the effectiveness, both physically and mentally, you'll experience with each pose. Several pose variations based on your personal preference, ability, and fitness level are also included. Eleven sample yoga routines show how to assemble the poses into workouts that meet your specific time, difficulty, and intensity parameters. Colorful and comprehensive, Hatha Yoga Illustrated is organized for your ultimate convenience and use. Use it to guide your muscles, as well as your mind, and increase strength and stamina, reduce stress and anxiety, reduce blood pressure, and increase flexibility.

The first yoga text to outline a step-by-step sequence for developing a complete practice according to viniyoga--yoga adapted to the needs of the individual.

- A contemporary classic by a world-renowned teacher.
- This new edition adds thirty-two poems by Krishnamacharya that capture the essence of his teachings.

Sri Tirumalai Krishnamacharya, who lived to be over 100 years old, was one of the greatest yogis of the modern era. Elements of Krishnamacharya's teaching have become well known around the world through the work of B. K. S. Iyengar, Pattabhi Jois, and Indra Devi, who all studied with Krishnamacharya. Krishnamacharya's son T. K. V. Desikachar lived and studied with his father all his life and now teaches the full spectrum of Krishnamacharya's yoga. Desikachar has based his method on Krishnamacharya's fundamental concept of viniyoga, which maintains that practices must be continually adapted to the individual's changing needs to achieve the maximum therapeutic value. In The Heart of Yoga Desikachar offers a distillation of his father's system as well as his own practical approach, which he describes as "a program for the spine at every level--physical, mental, and spiritual." This is the first yoga text to outline a step-by-step sequence for developing a complete practice according to the age-old principles of yoga. Desikachar discusses all the elements of yoga--poses and counterposes, conscious breathing, meditation, and philosophy--and shows how the yoga student may develop a practice tailored to his or her current state of health, age, occupation, and lifestyle. This is a revised edition of The Heart of Yoga.

Yoga, the ancient mind-body practice, is booming in popularity, but there's no attractively packaged overview for the mainstream enthusiast. Introducing The Little Book of Yoga . This petite hardcover presents all the basics for yoga lovers of every interest and skill level--beginner or advanced, committed or just curious. The contents, broken into five sections for a customizable reading experience, include illustrated pose instructions and practical wisdom that yields rewards on and off the mat. Authoritative yet approachable, compact yet robust, it's a timely offering for a practice that continues to grow. Fans will recognize it as the only fundamental yoga book and gift givers will rejoice in finding the perfect present for the yogi in their life.

John Scott's Ashtanga Yoga is a step-by-step illustrated guide that takes you through the balanced exercise routines and breathing techniques of this dynamic form. Carefully structured, this course starts with a simple sequence for beginners which, once mastered, provides the foundation for moving on to the next level. - Purify your body with dynamic

movement and precise postures - Develop physical and mental strength, increased stamina and greater flexibility - Includes a foreword by Shri K Pattabhi Jois, founder of Ashtanga Yoga - This new edition has been fully revised and updated This essential guide is the perfect introduction to yoga or the ideal gift for those who want to take their yoga practice to the next level. Author John Scott studied with yogi Shri K Pattabhi Jois at the Ashtanga Yoga Research Institute in India, where he qualified to teach Ashtanga Yoga around the world. He has instructed many people in Ashtanga Yoga, including high-profile celebrities Madonna and Sting. John now spends much of his time teaching international workshops and undertaking teacher trainings.

A physical and dynamic form of yoga, Ashtanga combines an impressive sequence of yoga poses with special breathing techniques to heat the body internally and allow safe stretching of the muscles. Each of the yoga poses in this book is presented both separately and as part of complete practice, allowing the reader to gain a deep knowledge of the multidimensional philosophy of Ashtanga yoga and how it relates to everyday life.

"The definitive work by B.K.S. Iyengar, the world's most respected yoga teacher. B.K.S. Iyengar has devoted his life to the practice and study of yoga. It was B.K.S. Iyengar's unique teaching style, bringing precision and clarity to the practice, as well as a mindset of 'yoga for all', which has made it into the worldwide phenomenon it is today. 'Light on Yoga' is widely called 'the bible of yoga' and has served as the source book for generations of yoga students around the world. It is the classic text for all serious students of yoga." --Publisher description.

The seminal treatise and guide to Ashtanga yoga by the master of this increasingly popular discipline There is a yoga boom in America, and Sri K. Pattabhi Jois is at the heart of it. One of the great yoga figures of our time, Jois brought Ashtanga yoga to the West a quarter of a century ago and has been the driving force behind its worldwide dissemination. Based on flowing, energetic movement, Ashtanga and the many forms of vinyasa yoga that grow directly out of it--have become the most widespread and influential styles of practice in the United States today. Mala means "garland" in Sanskrit, and Yoga Mala--a "garland of yoga practice"--is Jois's distillation of Ashtanga. He first outlines the ethical principles and philosophy underlying the discipline and explains its important terms and concepts. Next he guides the reader through Ashtanga's versions of the Sun Salutation and its subsequent sequence of forty-two asanas, or poses, precisely describing how to execute each position and what benefits each provides. Brought into English by Eddie Stern, a student of Jois's for twelve years and director of the Patanjali Yoga Shala in New York City, Yoga Mala will be an indispensable handbook for students and teachers of yoga for years to come.

"Doug Swenson has created a book about Yoga that captures his delightful and unique teaching style." —Karen Allen, actress, Yoga Practitioner "Doug Swenson masterfully presents one of the most physically challenging styles of Hatha Yoga in a way students of any level will find safe, fun, easeful, and empowering." —John Friend, founder of Anusara Yoga In just a few years, Yoga has gone from an obscure spiritual discipline practiced by a handful of the "enlightened" in the Far East, to a mainstream exercise routine taught at gyms all across America. Now, at the turn of the new millennium, Yoga has a younger sibling, Power Yoga. A high-energy physical discipline embraced by Sting, Madonna, and thousands of other celebrities, professional athletes, and health advocates, Power Yoga takes the basics of Yoga and gives it a good healthy dose of aerobics to tone all your muscles, sharpen your focus, ease your spirit, and strengthen your heart. Want to pump up your body and gain peace of mind? Power Yoga For Dummies shows you how. Featuring step-by-step instructions, illustrated with photographs that help you see each move clearly, it shows you how to: Improve flexibility, strength, and endurance Develop rock-hard abs, legs, and arms Find an instructor and the right workout gear Customize workouts for all ages and fitness levels Enhance your practice with a partner Beat stress, sharpen your focus, and lift your spirits Power Yoga celebrity Doug Swenson explains the philosophy and science behind Power Yoga. He gets you ready to take the leap into Power Yoga, and he arms you with: Three complete Power Yoga routines—beginning, intermediate and advanced Exercises to improve specific areas, including flexibility, strength, endurance, and specific muscle groups such as your arms, abs, and glutes Expert tips on diet and nutrition for enhancing your practice and improving your overall health Specific postures and exercises that benefit women and seniors A fun and easy guide for both beginners and experienced practitioners alike, this inspirational guide will help you unit a strong, sleek body with a sharp, clear mind.

The long-awaited, complete guide to the popular, vigorous American method of yoga that is deeply rooted in ancient wisdom and scriptures "In this day and age of health and fitness trends, it is assuring to know that Sharon and David encourage their students to draw inspiration from the classical texts of Yoga and timeless scriptural sources."—Sri Swami Satchidananda Creators of the extremely popular Jivamukti Yoga method and cofounders of the New York City studios where it is taught, Sharon Gannon and David Life present their unique style of yoga for the first time in book form. As they explain their intensely physical and spiritual system of flowing postures, they provide inspiring expert instruction to guide you in your practice. Unlike many books about yoga, Jivamukti Yoga focuses not only on the physical postures but also on how they evolved—the origins of the practices in yoga's ancient sacred texts and five-thousand-year-old traditions—the psychotherapeutic benefits that accrue with a steady practice, and the spiritual power that is set free when energy flows throughout the mind and body. Jivamukti Yoga, which means "soul liberation," guides your body and soul into spiritual freedom, physical strength, peace of mind, better health, and Self-realization—the ultimate goal of any practice. Gannon and Life help you understand each of the practices that comprise the yoga path to enlightenment: AHIMSA—The Way of Compassion: choosing nonviolence, respecting all life, practicing vegetarianism, living free of prejudice ASANA—The Way of Connection to the Earth: postures and sequences, breathing, transforming energy, understanding the bandhas KARMA—The Way of Action: creating good karma, giving thanks NADAM—The

Way of Sacred Music: appreciating the sacred sounds of yoga MEDITATION—The Way of the Witness: how to sit still and move inward BHAKTI—The Way of Devotion to God: living with love, grace, and peace Whatever yoga you practice, Jivamukti Yoga will help you to strengthen and deepen that practice and lead you onto a path of spiritual clarity and self-discovery. “If there is only one book you read about the practice of Yoga, this should be the one. . . . This book is for anyone who wishes to find transformation through Yoga. I’m grateful for their work and teaching.”—Stephan Rechtschaffen, MD, Co-founder & CEO, Omega Institute

Nadi Sodhana uniquely illustrates the Ashtanga Yoga Intermediate series practice, its benefits and the tradition as it is taught in Mysore, India. This beautifully outlined book was written in India from Petri Räisänen's interviews with Sri K. Pattabhi Jois and R. Sharath Jois, the masters of the Ashtanga Yoga system.

AN UNPRECEDENTED PORTRAIT OF A GREAT YOGA TEACHER AND THE WAYS IN WHICH TEACHINGS AND TRADITIONS ARE PASSED ON It is a rare and remarkable soul who becomes legendary during the course of his life by virtue of great service to others. Sri K. Pattabhi Jois was such a soul, and through his teaching of yoga, he transformed the lives of countless people. The school in Mysore that he founded and ran for more than sixty years trained students who, through the knowledge they received and their devotion, have helped to spread the daily practice of traditional Ashtanga yoga to tens of thousands around the world. Gurujī paints a unique portrait of a unique man, revealed through the accounts of his students. Among the thirty men and women interviewed here are Indian students from Jois's early teaching days; intrepid Americans and Europeans who traveled to Mysore to learn yoga in the 1970s; and important family members who studied as well as lived with Jois and continue to practice and teach abroad or run the Ashtanga Yoga Institute today. Many of the contributors (as well as the authors) are influential teachers who convey their experience of Jois every day to students in many different parts of the globe. Anyone interested in the living tradition of yoga will find Gurujī richly rewarding.

Functional Anatomy of Yoga is a rare gem. This book enables both the casual reader and the seasoned practitioner to understand and implement the anatomical structure and function of the body in yoga. Written with a conversational tone, the book delivers the complex subject of human anatomy in a way that is both provocative and clear. The underlying theme of the book is integration. David Keil outlines how yoga teachers and practitioners can utilize a deeper understanding of their anatomy as they approach the larger scheme of yoga. How do the supposed "parts and pieces" of the body synchronize to support integrated movement? Finally, how do the various yoga postures interrelate from the perspective of functional anatomy? Not only is David Keil an authority on the subject of anatomy, but he also has the wisdom and first-hand experience of a skilled yoga teacher and practitioner. He has been presenting the subject of anatomy in a way that is interesting, meaningful, and applicable to teachers and students alike since 2000. Beautifully illustrated throughout with colour images and photographs to clearly explain the concepts and asanas, Functional Anatomy of Yoga will assist you in reaching new heights in your yoga practice using the "laboratory" of the body and the tools of yoga asana. David brought his unique style and ability to make anatomical concepts simple, to the yoga world in 2008, with the creation of the YogaAnatomy DVD series.

The best-selling anatomy guide for yoga is now updated, expanded, and better than ever! With more asanas, vinyasas, full-color anatomical illustrations, and in-depth information, the second edition of YogaAnatomy provides you with a deeper understanding of the structures and principles underlying each movement and of yoga itself. From breathing to inversions to standing poses, see how specific muscles respond to the movements of the joints; how alterations of a pose can enhance or reduce effectiveness; and how the spine, breathing, and body position are all fundamentally linked. Whether you are just beginning your journey or have been practicing yoga for years, Yoga Anatomy will be an invaluable resource—one that allows you to see each movement in an entirely new light. With Yoga Anatomy, Second Edition, authors Leslie Kaminoff and Amy Matthews, both internationally recognized experts and teachers in anatomy, breathing, and bodywork, have created the ultimate reference for yoga practitioners, instructors, and enthusiasts alike.

The secrets of how yoga works to make us truly whole are revealed here in a delightful story based on how these precious teachings reached Tibet from their home in India, over a thousand years ago.

In this much-anticipated follow-up to his first book, *Ashtanga Yoga: Practice and Philosophy*, Gregor Maehle offers a detailed and multifaceted guide to Ashtanga Yoga's Intermediate Series. An expert yogi and teacher, Maehle will guide you to your next level with an unprecedented depth of anatomical explanation and unparalleled attention to the practice's philosophical and mythological heritage. You will learn:

- The background and applications of each of the three forms of yoga: Karma, Bhakti, and Jnana
- How to use Indian myth and cosmology to deepen your practice
- The importance of the Sanskrit language to the yogic tradition
- The mythology behind the names of the Intermediate Series postures
- The functions and limitations of body parts integral to the Intermediate Series, including the spine, the sacroiliac joint, the shoulder joint, and the hip joint
- How to reap the full benefits of practicing the Intermediate Series

Maehle meticulously explores all twenty-seven postures of the Intermediate Series through photos, anatomical line drawings, and practical, informative sidebars. He also discusses the philosophical and spiritual background of Ashtanga Yoga and places the practice within the context of Indian cultural history. With passionate erudition, Maehle will prepare you to reap physical, spiritual, and mental fulfillment from your evolving practice.

Memoirs of learning yoga by David Williams

A user's guide to intermediate-level practice of Ashtanga Yoga, from the dynamic yoga teacher Kino MacGregor In her first book, *Kino MacGregor* introduced readers to Ashtanga Yoga, a popular and athletic type of yoga developed by her mentor, Sri K. Pattabhi Jois. Now, she returns with this informative follow-up to present and explain the Second—or Intermediate—Series to practitioners who wish to take their practice to the next level. MacGregor provides step-by-step instructions and covers the key aspects of the practice, including:

- The basics of Ashtanga Yoga philosophy
- Essential background information on the Intermediate Series
- How to know when you are ready to take on this next stage of practice
- The purification aspects of the practice
- The pranayama techniques associated with the practice
- And more

With over 250 photographs, this solid and engaging entrée into intermediate-level practice is a wonderful resource for both practitioners and teachers.

An inspirational 30-day yoga and lifestyle program that will challenge your mind, body, and spirit--by one of the most dynamic and high-profile contemporary Ashtanga yoga teachers, Kino

MacGregor. “The brave heart of a yogi is defined by actions that make the world a better place.” Live with authenticity, practice patience, let go of negativity—these are some of the core tenets of a yoga lifestyle, on and off the mat. Yoga is about much more than twisting yourself into shapes—the heart of this ancient practice is an inner journey, one of reflection, spiritual awakening, and ultimately a calm, clear mind. The Yogi Assignment is a 30-day introduction to these life-affirming and simple, yet revolutionary, principles. Led by master teacher Kino MacGregor, this journey will challenge and uplift your body, mind, and spirit. Each day offers a practice and meditation that will help you confront your emotional, physical, and mental limitations and inspire real change in your life. MacGregor is a fierce, loving guide who encourages you to look deeply within to find your wellspring of inner strength and courage.

Bring your practice everywhere you go with this collection of daily readings on balance, resilience, and more. Yoga 365 presents a year’s worth of daily readings that invite yoga lovers of every skill level to bring the inspiration they experience on their mats into their everyday lives. Each entry explores a mind-body theme such as balance, strength, and resilience in a short, illuminating paragraph that can be enjoyed in the morning or at bedtime, incorporated into a yoga session, or read on the go. Yogis will find Yoga 365 to be a motivating tool for personal growth that continues long after the mat is rolled up.

Written by a psychologist and law enforcement officers, this book provides an overview of stress sources of, physiology, how much is too much? Specific stress factors in law enforcement, (hazards, supervision, testifying, post-shooting trauma, undercover assignments, women in law enforcement, cultural diversity). The book closes with chapters on controlling stress (physical and psychological techniques, developing support systems the work-family connection, modifying stress through organizational development.

From trauma educator and somatic guide Kimberly Ann Johnson comes a cutting-edge guide for tapping into the wisdom and resilience of the body to rewire the nervous system, heal from trauma, and live fully. In an increasingly polarized world where trauma is often publicly renegotiated, our nervous systems are on high alert. From skyrocketing rates of depression and anxiety to physical illnesses such as autoimmune diseases and digestive disorders, many women today find themselves living out of alignment with their bodies. Kimberly Johnson is a somatic practitioner, birth doula, and postpartum educator who specializes in helping women recover from all forms of trauma. In her work, she’s seen the same themes play out time and again. In a culture that prioritizes executive function and “mind over matter,” many women are suffering from deeply unresolved pain that causes mental and physical stagnation and illness. In *Call of the Wild*, Johnson offers an eye-opening look at this epidemic as well as an informative view of the human nervous system and how it responds to difficult events. From the “small t” traumas of getting ghosted, experiencing a fall-out with a close friend, or swerving to avoid a car accident to the “capital T” traumas of sexual assault, an upending natural disaster, or a life-threatening illness—Johnson explains how the nervous system both protects us from immediate harm and creates reverberations that ripple through a lifetime. In this practical, empowering guide, Johnson shows readers how to metabolize these nervous system responses, allowing everyone to come home to their deepest, most intuitive and whole selves. Following her supportive advice, readers will learn how to move from wholeness, tapping into the innate wisdom of their senses, soothing frayed nerves and reconnecting with their “animal selves.” While we cannot cure the painful cultural rifts inflicting our society, there is a path forward—through our bodies.
