Buy one for your favorite co-worker, friend, husband, wife, partner or just about anyone who enjoys a good laugh!

Pastors and chaplains aren't the only ones in ministry--every Christian is called to be a minister through his or her work in the world. But in order to fully understand what this entails, we must look to the Bible and develop a fuller understanding of work as any way we interact with God's creation. Doing so may transform our view of how Sunday morning impacts our work-a-day lives--and vice versa. In Every Waking Hour, Benjamin Quinn and Walter R. Strickland develop a biblically and theologically rich view of work, vocation, and how we may glorify God

There are approximately 4,000 fatalities in crashes involving trucks and buses in the United States each year. Though estimates are wide-ranging, possibly 10 to 20 percent of these crashes might have involved fatigued drivers. The stresses associated with their particular jobs (irregular schedules, etc.) and the lifestyle that many truck and bus drivers lead, puts them at substantial risk for insufficient sleep and for developing short- and long-term health problems. Commercial Motor Vehicle Driver Fatigue, Long-Term Health and Highway Safety assesses the state of knowledge about the relationship of such factors as hours of driving, hours on duty, and periods of rest to the fatigue experienced by truck and bus drivers while driving and the implications for the safe operation of their vehicles. This report evaluates the relationship of these factors to drivers' health over the longer term, and identifies improvements in data and research methods that can lead to better understanding in both areas.

Long-haul trucking is linked to almost every industry in America, yet somehow the working-

## Read Free Blank Truck Driver Application

class drivers behind big rigs remain largely hidden from public view. Gritty, inspiring, and often devastating oral histories of gay, transsexual, and minority truck drivers allow award-winning author Anne Balay to shed new light on the harsh realities of truckers' lives behind the wheel. A licensed commercial truck driver herself, Balay discovers that, for people routinely subjected to prejudice, hatred, and violence in their hometowns and in the job market, trucking can provide an opportunity for safety, welcome isolation, and a chance to be themselves--even as the low-wage work is fraught with tightening regulations, constant surveillance, danger, and exploitation. The narratives of minority and queer truckers underscore the working-class struggle to earn a living while preserving one's safety, dignity, and selfhood. Through the voices of drivers from marginalized communities who spend eleven- to fourteen-hour days hauling America's commodities in treacherous weather and across mountain passes, *Semi Queer* reveals the stark differences between the trucking industry's crushing labor practices and the perseverance of its most at-risk workers.

This is a lined notebook (lined front and back). Simple and elegant. 100 pages, high quality cover and (6 x 9) inches in size.
