Target Band 7: IELTS Academic Module - How to Maximize Your Score (Fourth Edition) was published in March 2021. This excellent self-study book for intense Academic IELTS preparation in a few weeks is designed to help students achieve their best personal score. All the tips, techniques, strategies and advice are focused on maximizing students' score by increasing their task-solving speed and efficiency, and preventing typical mistakes. 'Target Band 7' is loved by teachers as well as students. New! Covers paper-based and computer-delivered IELTS.

A major grammar reference book of modern English, specially written for intermediate learners of English. English Grammar Today is an indispensable reference guide to contemporary English grammar and usage. With extensive corpus research at its core, it provides over 500 entries organised into an easy-to-use A-Z structure. Authentic examples of written and spoken English place the grammar in context and the clear explanations make it ideal for intermediate learners of English at CEF levels B1-B2, including those preparing for IELTS or Cambridge English exams such as Preliminary and First. The book comes with a free CD-ROM that provides the book content and nearly 200 additional entries, plus audio recordings of all the examples and dialogues.

Updated and revised with more examples and expanded discussions, this second edition continues the aim of providing teachers with a solid understanding of the use and function of grammatical structures in American English. The book avoids jargon and presents essential grammatical structures clearly and concisely. Dr. DeCapua approaches grammar from a descriptive rather than a prescriptive standpoint, discussing differences between formal and informal language, and spoken and written English. The text draws examples from a wide variety of authentic materials to illustrate grammatical concepts. The many activities throughout the book engage users in exploring the different elements of grammar and in considering how these elements work together to form meaning. Users are encouraged to tap into their own, often subconscious, knowledge of grammar to consciously apply their knowledge to their own varied teaching settings. The text also emphasizes the importance of understanding grammar

from the perspective of English language learners, an approach that allows teachers to better appreciate the difficulties these learners face. Specific areas of difficulties for learners of English are highlighted throughout.

PREPARE 2nd edition Level 6 combines 'teen-appeal' topics with gradual preparation towards the B2 First for Schools exam. Students will enjoy interactive, personalised lessons with themes and resources relevant to their interests. The new Life Skills approach inspires learners to expand their horizons and knowledge and includes insights from The Cambridge Framework for Life Competencies. Teachers can relax knowing every unit drives students towards exam success and that the course is creating confident English users with the enhanced vocabulary and grammar syllabus. A Student's Book and Online Workbook is also available, separately.

This book offers students extensive practice in vocabulary building and correct English usage, with emphasis on 600 English words that relate to specific categories that appear frequently on IELTS exams. Author Lin Lougheed presents exercises that teach ESL students how to decipher the meanings of countless new words by reading or hearing them in relation to the context in which they are used. You'll find helpful strategies for learning and retaining word meanings, tips on analyzing unfamiliar compound words to determine their meanings, and vocabulary expanding exercises with answers in every chapter. Also included are recommendations for web-based self-study activities. The included downloadable MP3 Files present all of the listening comprehension exercises.

DVD.
