Magic was never part of her plan. But you know what they say about plans... Juliette Mariana Fontaine has a secret, and it's not about spoilers on the telenovela in which she stars. There's magic in the air around her, and she can't decide if it excites her or frightens her - or both. All she knows is that she can't tell anyone, not her ailing auntie, or even her best friend. Victor Hernandez, Juliette's best friend, also has a secret or two. Not only is he a witch, but he's been tasked with protecting her and keeping her in the dark as much as possible. With Juliette's aunt's health declining rapidly, and Victor leaving for college soon, the time for honesty is running out. To make matters worse, magic has awakened in their little swamp town, bringing with it an ancient evil lurking in the shadows, seeking a human soul. Unfortunately, it has settled on Juliette as the perfect match. Struggling to balance her magic, Juliette must face difficult truths about herself, her feelings for Victor, and the price she'll pay if she claims her power. Can Juliette come to terms with who she is in time to save herself and everyone she loves?

This book is an essential resource for educators who are teaching or leading schools with single-gender classes, whether they're in public, private, or Catholic schools. It is a "soup-to-nuts" guide, covering everything from curriculum planning and classroom design to school policies and parent-teacher communication. Whether contemplating this new educational trend, or already working within one of the 12,000 single-gender schools, this practical guide shows educators how they can make the most of a unique educational opportunity. Positioned at the forefront of brain-based learning, Michael Gurian's work translates and distills the latest scientific research into key points which can be immediately integrated into an educator's existing practice. The research underlines the importance of single-sex learning, and supports
