What is a saint? A saint is a holy person, someone who lived an extra-loving life on Earth and now is close to God in Heaven. The saints are close to us because they share God's great love for us. That is why we ask them for their prayers. They are our friends--friends want the best for us! Just like every person is different, every saint is also different. Each saint was an ordinary person with both strengths and weaknesses. Ordinary people become saints by using the gifts and talents God has given them to follow Jesus and to live according to the Gospel. In this book, you will read the stories of 30 saints. As you read about each saint, remember that you too are called to be a saint by following Jesus and loving God and others in your own original and unique way!

NEW YORK TIMES BESTSELLER • From the author of *Relationship Goals* . . . Will you be remembered as a person who claimed to follow God but liked to play it safe? Or as a person who lived your life out on the limb and trusted God enough to live in crazy faith? Noah looked crazy when he started building the ark . . . until it started raining. It was crazy for Moses to lead a nation of people into the desert away from Egypt . . . until the Red Sea parted. It was crazy to believe that a fourteen-year-old virgin would give birth to the Son of God . . . until Mary held Jesus in her arms. There are many things

that seem normal or average today that at one point in time seemed absolutely crazy. Smartphones, Wi-Fi, and even the electric light bulb were all groundbreaking, history-making inventions that started out as crazy ideas. Our see-it-to-believe-it generation tends to have a hard time exercising true faith—one that steps out, takes action, and sees mountain-moving results. Many of us would rather play it safe and stand on the sidelines, but it's crazy faith that helps us see God move and reveals His promises. In *Crazy Faith*, Pastor Michael Todd shows us how to step out in faith and dive into the purposeful life of trusting God for the impossible. Even if you have to start with baby faith or maybe faith, you can become empowered to let go of your lazy faith, trust God through your hazy faith, and learn to live a lifestyle of crazy faith. With powerful stories of modern-day faith warriors who take their cues from biblical heroes, Michael Todd equips you to

- believe for the impossible
- choose hope over fear
- be alert to the voice of God
- cope with loss and doubt
- develop a deeper level of trust in God
- speak faith-filled declarations
- inspire crazy faith in others

God's not looking for somebody to give Him all the reasons why His plans can't happen. He's looking for somebody to believe they will happen. In fact, He has so much He wants to do through you. The question is, Are you crazy enough to believe it?

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (*Time*), featuring a new introduction by Kevin Powers, author of the *National Book*

Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared

Vonnegut to be “the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves.” Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era’s uncertainties. “Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement.”—The Boston Globe

how to regain them. When young Robert Gannon was a college freshman in the early twentieth century, it was unthinkable that there would ever be a time when Greek and Latin would not be an essential part of the college curriculum. But over the next several decades, in a world radically altered by two world wars, he saw the liberal arts retreat before the New Materialism. With wit and charm Gannon recounts colorful episodes and amusing experiences from his many years involved with education and the liberal arts. He reflects on the great impact for good that the liberal arts have had in forming generations of students, and why their loss is such a tragedy. His trenchant remarks on the state of modern education in America and its future prospects make *The Poor Old Liberal Arts* a spirited, enjoyable, and insightful work. Inspired as a young man by Pier Giorgio, Pope John Paul II recently approved beatification for Pier Giorgio.
