He's looking for a no-emotions attached mistress, she's looking for redemption. She makes it through the intense rounds of interviews only to find out the job is for a mistress to the powerful Rafe Palazzo, owner of Palazzo Enterprises. A is for ache. C is for choice. H is for his. E is for Everly. I have always gotten the short end of the stick when it comes to my personal life. Drug-addicted mother, obsessive stepfather, shitty upbringing, and one soul shattering, heart-wrenching relationship. But everything changed when I met Alec Prescott. I couldn't stand the cocky hotshot lawyer at first, but after assisting him on one case, my opinion changed drastically. He became the beginning I so desperately needed, even if romantic relations at work are completely forbidden. Unfortunately, falling in love with a co-worker is the least of my problems. Funny thing about the past, it's never truly far away. No matter how fast you run from it, or how hard you try to suppress it, it's there, lingering like a fog, blinding your vision, impacting your decisions, affecting your life. That's where Tage Andrews comes in. He's the heartache I can never outrun. The man who saved me from my past all while pillaging my emotions. I want to avoid reliving it—avoid him—but he's always there, lingering like a fog, blinding my vision, impacting my decisions, affecting my life. This is my paradoxical predicament. Two men. One choice. Inevitable heartbreak. A.C.H.E. is an angsty, fast-paced, romantic suspense with ménage themes. Reader discretion is advised. (less)

Black Mountain Academy's bad boy. That's who Reese Trenton was, or at least how people perceived him. He came from the "wrong side of the tracks" with a perpetual scowl on his face, a body like a god, and the arrogance to match. He was a rough around the edges kind of delinquent, but smart enough he'd gotten a full ride to BMA. And he piqued Keira's interest in the worst-or maybe best-kind of way. He had her wanting to throw that good girl persona she carried right out the window. He had her wanting to be just as rebellious as he was. He knew too much about life, got drunk, and started far too many fights. And Keira wanted him like she'd never wanted anyone before. They say opposites attract, and it seemed that was the pulling force that brought Reese and Keira together. Heated touches. Passionate kisses. Filthy, secret intimacy. They shared it all together and grew addicted for more. He thought he was broken, too battered for a girl like her. Keira wanted to show Reese that despite the cracks he wore, the scars he sported, they were meant to be together. But not everyone thought Reese and Keira should be together, and as the drama and chaos erupted, as people tried to rip them apart, they realized their loyalty and love for each other had never been put to the test more than it had now. Reader note: This story was previously published as Giving it to the Bad Boy. It has been completely rewritten, re-edited, and new content added throughout the entire story. Basically... it's a brand new book set in the elite world of the BMA series.
