In this book, you will learn about my study methods, exam tips, and key mindsets before approaching the CPA exams. Since I scored in the 90s, I felt the need to share my experiences and study methods with the world! The CPA exams can seem overwhelming at first; but, once you realize how to study more effectively and efficiently, the studying process will become much more manageable. I hope that these tips will reassure you that passing all of the CPA exams on the first try is more possible than you think! I chose to utilize Becker's CPA Exam Review program; therefore, many of my study methods revolve around how Becker is structured. However, I strongly believe that my study methods can be adapted to any review program. In fact, I not only talk about how to utilize Becker, but I also discuss other important aspects of the exam such as scheduling, what to expect on exam day, how to approach the exam itself, and the necessary mindsets to

have throughout the studying process. I believe that every CPA candidate can benefit from reading this book - no matter what review program is chosen! I sincerely hope that my CPA exam tips and tricks can help YOU pass, too! I wish you the best of luck in your CPA journey. If any of my study methods helped you pass, let me know in the reviews below!

We are shipping the July 2021 edition from this page. Several topics have been

cut in accordance with updated CPA Exam Blueprints. At Least Know This publishes a 45-page review for Financial Accounting and Reporting. We do not believe students must memorize 300 pages of review to pass the CPA exam. And, given fewer pages, we find that students have greater retention. To lighten our books, we use wider page margins, decrease font, and eliminate redundancy. We use tables because they structure and compare information efficiently. We teach with examples. And we improve the quality of our writing. The result is FAR in 45 pages. Fake cash method-Classic accounting framework for converting to and from cash flow. This method is intuitive because, in a simple construction, cash and net income are equal and opposite. T-account methods to solve intercompany sales and foreign currency transactions. Updates to reflect Credit Loss ASUs (2020) and SEC amendment for accelerated filers (Oct. 2020). July 2021 updates to remove IFRS, pension accounting and derivative accounting. The absolute essentials to passing the CPA exam-for the 120,000 candidates who take the test each year This tightly focused study guide--now thoroughly updated to reflect the new computerized CPA exam--cuts away all the excess information to simply give readers what they need to know. Presenting the absolute key points and the precise steps to take in preparing for the CPA exam, the Wiley CPA Examination Review Fast Track Study Guide, Third Edition includes sample questions and solutions that will help them master the CPA examination.
