"If you wish to persuade me, think my thoughts, feel my feelings and speak my words" (Cicero) This Book is about the Hunting Adventures for Unique and Rare Antiques and Collectables. The first chapter is about the Philosophy of Negotiation. It is based on the author's negotiation skills and experiences in his international business endeavours. The items on the Antiques Online Catalogue website are displayed in the following main categories: Israeliana and Judaica, Metal Ware, Ethnic and Cultural Antiques, Desktop Collectables, Tobacciana, Jewellery and Watches, Photography, Coins and Medals, Painting and Prints, Furniture and Carpets, Music and Records and more general Antiques and Collectables. "Don't ever bid against yourself" (Author) The author has decided to adopt and implement the saying: "A picture is worth a thousand words" Accordingly, the emphasis in this book is on pictures, rather than on words (430 colour pictures). Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art,

printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

Derived from the ancient art of henna body painting, 31 striking patterns of exotic birds and butterflies, hypnotic paisley prints, and flowers galore offer an exciting array of coloring challenges.

Having escaped from the eastern European concentration camp where he has spent most of his life, twelve-year-old David struggles to cope with an entirely strange world as he flees northward to freedom in Denmark. Originally published as *North to Freedom*. An ALA Notable Book. Simultaneous.

After a busy day, colouring gives children the chance to relax their minds while being creative. Their imaginations will float free as they add colour to more than 40 gorgeously illustrated mandalas, chilling out as charming animals, cute cupcakes and fairytale forests come to life before their eyes. The perforated pages are easy to tear out, making it simple for children to display their colouring masterpieces.

Classic African-inspired images feature silhouetted figures in head wraps and flowing gowns decorated with patterns based on traditional African arts and crafts designs. Background elements include animals, plants, and fanciful ornaments. With your crayons and markers you'll have no trouble learning exactly what the soldiers from both North and South wore during the Civil War. Peter Copeland, historical artist, has drawn 21 Confederate uniforms and 24 Union uniforms for this coloring book. Here are the men from many different states and ranks (privates, volunteers, captains, a drummer boy, a mule driver, corporals, and others) as well as several historical figures - General Robert E. Lee, 1863; Dr. Mary Walker, woman nurse, 1865; Major General Ulysses S. Grant, 1865; Admiral David Farragut, 1865. Each illustration is accompanied by a full caption that describes the authentic colors for the uniform. All 45 uniforms are shown in full color on the covers.

This new series of colouring books for grown-ups offers an inspiring adventure in doodles, shapes, and patterns. With a fresh new take on the classic colouring book, each title offers 30 amazing ready-to-colour line drawings, plus a handy guide to basic art techniques. Printed on high quality extra-thick paper, these books are perfect for decorating with coloured pencils, gel pens, watercolours, and more. Designed to eliminate bleed-through, each page is pre-perforated for easy removal and display.

Thirty-one striking adaptations of authentic native art depict, among other subjects, a Mixtec circular design from an incised gourd rattle, religious figures from a Metepec candlestick, and images of jaguars taken from a Guerrero lacquered chest. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Mexican Folk Art and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress. Previously published as *Mexican Folk Art Coloring*

Editor's Choice - The Bookseller This, the first colouring book from VOGUE, has been created by award-winning writer, fashion editor, curator and Royal College of Art Professor, Iain R Webb. The hand-drawn artworks are inspired by iconic images from

British VOGUE in the 1950s - an era of hats and matching gloves, haughty elegance and hourglass silhouettes (a period that continues to inspire contemporary designers including Miuccia Prada and Dolce & Gabbana). The book features a glamorous dream wardrobe of luxurious ballgowns and soigné cocktail dresses, smart suits and dramatic accessories by key designers including Christian Dior, Balenciaga, Givenchy and Chanel. The accompanying captions offer fashion and style tips (often highly amusing in hindsight) and are taken from the original pages of VOGUE. The c90 artworks can be coloured in in the spirit of the original images that inspired them or embellished with whatever colours and patterns take the reader's fancy. The colouring book is the perfect present for all those who love vintage fashion and will be published in time for VOGUE's centenary celebrations in 2016, which begin with a major exhibition at the National Portrait Gallery.

Let your imagination soar as you color these fanciful birds! Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Dream Birds and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

Adult coloring for relaxation, stress reduction, meditation, spiritual connection, prayer, centering, healing, and coming into your deep, true self. Ages 9 to 109. The drawings of Ancient Symbols: Meditative Coloring Book 3 feature timeless shapes and forms used by every culture on earth to remind us of the sacred. These drawings serve to inspire deeply meaningful, meditative, or prayerful experiences through coloring. Ancient and indigenous sacred images speak deeply to us, to our bones and bellies, to our cellular memory and wisdom, to our souls' yearnings. Native peoples throughout time and place see the sacred in all of life. For them, holiness IS life. Life is the manifestation of the holy in all things. Step out of the busy world and into calm and peace. Focus on an affirmation while you color, or on a wish or a prayer. Ask for understanding or wisdom. Allow expansion into more of what you are meant to be. Or simply color with an attitude of gentle, graceful willingness. This book includes 32 different original drawings, information about ancient symbols, suggestions for how to use this book, a guided meditation, introduction to the artist, and open pages inviting you to record your own impressions. Five Volumes of Meditative Coloring Books: Angels, Crosses, Ancient Symbols, Hearts, and Labyrinths.

The Fairbairn-Sykes Fighting Knife stands symbolic for daring secret operations that Britain ran during World War II. This book provides an insight in the

development of 20th century's most influential military fighting knife and its historical background. Also the biographical background of its inventors, William Ewart Fairbairn and Eric Anthony Sykes, is embedded in this story and unburdened of all the myths and legends that have been woven around these two innovative men. It covers not only the basic variations of the F-S knife but also numerous other examples the collector may encounter. The problematic topic of fakes is discussed as well as the question as to how to narrow the focus of one's collection. Thus, prospective buyers of Fairbairn-Sykes knives will find this book a useful guide through the jungle of variants and fakes.
