Meditation is not only about crystals, hypnotic folk music and incense sticks! Forget about sitting in unnatural and uncomfortable positions while going "ommmmm...." It is not a club full of yoga masters, Shaolin monks, hippies and new-agers. It is super practical and universal practice, that can improve your overall brain performance and happiness! -Looking to be truly happy... not just fake smiles anymore? -Sick of being held up and helpless, a victim of terrible circumstance? -Do you really want to be a slave to your emotions anymore? -Are you so depressed and negative that no one really enjoys spending time with you? Well, I was not necessarily talking to you, but if it speaks to you, you have picked up the right book! Most People Walk Through Their Life In a Walking Daze And I was too. I was constantly fighting everything going on in my life; with my mind. Day to day stressors like traffic, the mean lady at the gas station with the bad breath that I had to see every morning, and the long hours put in at work, were enough to drain me. My boss, with his long nose hair, breathing down my neck about my productivity level was enough to deplete a person every day. "What do I do? What will happen next? What if, what if, what if...?" I could not even enjoy a second of my day, because I was lost in worry and stress over what was going to happen next and what I could do to maybe control it. In this book you will find techniques to step out of your thinking and allow your mind to finally rest. When meditating, you take a step back from actively thinking your thoughts, and instead, see them for what they are. The reason why meditation is helpful in reducing stress and attaining peace is that it gives your over-active conscious a break. Just like your body needs it, your mind does too! I give you the gift of peace that I was able to attain through present moment awareness. In This Book I'll Show You: -My favorite meditation and mindfulness techniques perfect for ordinary busy people like you and me -My personal experience -How exactly do I practice and how it helped me in so many ways -How to maintain stillness, peace and focus in everyday life -How to stick to your meditation practice and maintain high level of motivation -The right mindset you should have to keep your brain and thoughts healthy -A few simple things you can do to instantly feel better and happier! -And many, many more! For readers of Neil Gaiman, Margaret Atwood, China Miéville, and David Mitchell comes a striking debut novel by a storyteller of keen insight and captivating imagination. LAMBDA LITERARY AWARD WINNER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST On a cool evening in Kolkata, India, beneath a full moon, as the whirling rhythms of traveling musicians fill the night, college professor Alok encounters a mysterious stranger with a bizarre confession and an extraordinary story. Tantalized by the man's unfinished tale, Alok will do anything to hear its completion. So Alok agrees, at the stranger's behest, to transcribe a collection of battered notebooks, weathered parchments, and once-living skins. From these documents spills the chronicle of a race of people at once more than human yet kin to beasts, ruled by instincts and desires blood-deep and ages-old. The tale features a rough wanderer in seventeenth-century Mughal India who finds himself irrevocably drawn to a defiant woman—and destined to be torn asunder by two clashing worlds. With every passing chapter of beauty and brutality, Alok's interest in the stranger grows and evolves into something darker and more urgent. Shifting dreamlike between present and past with intoxicating language, visceral action, compelling characters, and stark emotion, *The Devourers* offers a reading experience quite unlike any other novel. Praise for *The Devourers* "A chilling, gorgeous saga that spans several centuries and many lands . . . The all-too-human characters—including the nonhuman ones—and the dreamlike, recursive plot serve to entrance the reader. . . . There's no escaping *The Devourers*. Readers will savor every bite."—N. K. Jemisin, *The New York Times Book Review* "The *Devourers* is beautiful. It is brutal. It is violent and vicious. . . . [It] also showcases Das's incredible prowess with language and rhythm, and his ability to weave folklore and ancient legend with modern day loneliness."—Tordotcom "A wholly original, primal tale of love, violence, and transformation."—Pierce Brown, #1 *New York Times* bestselling author of *The Red Rising Trilogy* "Astonishing . . . a narrative that takes possession of you and pulls you along in its wake."—M. R. Carey, author of *The Girl with All the Gifts*

Would you like to have the ability to "peer" inside people's minds and "read" their thoughts based on the sound of their voice? Do you want audiences to "hang on" to your every word with interest and attention? You can! The voice is a powerful communication tool – if you know how to analyze it and use it effectively yourself. *Secrets of the Voice* is a compelling guide to five essential elements that, once mastered, will help you analyze the mindset of people around you, and use your own vocal skills to influence others. Written by a world-renowned mentalist Ehud Segev, the book provides "insider" tips to discover people's true personalities through their speech patterns, as well as develop a strong and persuasive voice that will grab, engage, and inspire your listeners every time you speak.

An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture

Once upon a time, there lived a girl named Fallon, who was taken far away from home shortly after she was born. A home that held more than strange traditions and bizarre superstitions. Twenty-four years later, she returned to Weeping Hollow, a haunting town she'd only heard about in stories during restless nights under a marble moon, to meet her last living relative. They called her a freakshow--a ghost. They said I couldn't go near her. Still, there was this aching pull to Fallon Grimaldi that I couldn't escape. A nostalgic pull as if we'd been here before. Once upon a time, there lived a mysterious man named Julian with a curse as old as centuries wrapped around his soul. He was one of the four Hollow Heathens, the very dark creatures who caused the town's people to live in fear. And the Blackwell name was stained with darkness and death. They called him a monster. Cold and hollow. They said I shouldn't go near him. Still, there was this aching pull to Julian Blackwell that I couldn't escape. A nostalgic pull as if we'd been here before.

Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level

Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals.

The hauntingly prophetic classic novel set in a not-too-distant future where books are burned by a special task force of firemen. 'Another indispensable classic' *The Times* "Ray Bradbury's gift for storytelling reshaped our culture and expanded our world" Barack Obama Guy Montag is a fireman. His job is to burn books, which are forbidden, being the source of all discord and unhappiness. Even so, Montag is unhappy; there is discord in his marriage. Are books hidden in his house? The Mechanical Hound of the Fire Department, armed with a lethal hypodermic, escorted by helicopters, is ready to track down those dissidents who defy society to preserve and read books. The classic dystopian novel of a post-literate future, *Fahrenheit 451* stands alongside Orwell's *1984* and Huxley's *Brave New World* as a prophetic account of Western civilization's enslavement by the media, drugs and conformity. Bradbury's powerful and poetic prose combines with uncanny insight into the potential of technology to create a novel which, decades on from first publication, still has the power to dazzle and shock.

The one thing that isn't a secret is that our world is in a monstrous MESS! A murderous mob has seized control of our

planet. They have chilling plans for you and your family. The elite have sworn to suppress the forbidden secret, discredit it, and keep it from the public. They have deceitfully manipulated every aspect of our society mentally conditioning us to doubt, ignore, or reject the survival strategy offered in The Forbidden Secret. But a powerful figure is set to smash their agenda. Meanwhile, a rescue plan is in place, and simple steps will guarantee your survival."

Nothing is as it seems at first sight. Feelings are laid bare. There is no black and white. There is no right. And the wrong feels too good to be trusted. People think that Alex was born with a silver spoon in his mouth, not only rich, but blessed by luck. Men respect him, women dream of him, and Alex alone knows the strength it takes to conceal his tortured soul and devastating secrets. But despite those powerful life lessons, he has always believed in his father's words, 'When you fall in love, you love forever - it's in our family blood. Look for HER and you'll find your happiness beyond thought...'

Valeria has never experienced actual romance (an early pregnancy, a hasty marriage, a life filled with work and study) and considers herself a pragmatist. She was taught to live by the rules: if you get married, then you love your husband; if you dream of a new home, then you work hard. But when, against all logic, she finds a beautiful stranger in her bed, her world turns upside down. After all, falling for the forbidden can be too sweet not to try... at least once. They come from the opposite ends of the globe, but the collision of two soulmates is destined. Fate will send them on a lifelong journey from Eastern Europe to Spain, France, the United States, and back. Their story is a mix of a beautiful fairy tale and a painful nightmare. It's not something you've heard before: everything is too vivid, too honest, too emotional and too profound. An attraction at first sight; A passion that breaks all rules; A hypnotic melody - it conquers all. This is one love for life and beyond time, This is MONOGAMY...

Investigating the discovery of an extraordinary map of China in Oxford's Bodleian Library that was delivered in 1659 by Mr. Selden, the author travels halfway around the world to reveal unexpected historical connections that offer insight into the power and meaning a single map can hold.

When I opened my first hypnosis office I was in my early 20s. I was fresh out of hypnosis trade school, and excited, but more nervous, and you get the point. Anyway, I will never forget my first client. She was a little girl, very nervous, and her parents seemed very at odds with taking their young daughter to see some hypnotist to help her with a problem she'd been having. They had been referred by a mutual acquaintance, but not one I knew very well. I have to tell you I wasn't prepared for a child client. I instantly and intuitively knew that the techniques I'd been taught weren't going to work with this young girl. Getting her to imagine walking down a peaceful path with beautiful sunrays beaming down on her wasn't going to cut it. In highschool I had taken up magic. After graduation I became so mastered in magic that I actually began performing street shows and small venues on the weekends. I actually earned a nice sum of money, which later went to my hypnosis training, but that's another story in itself. The young girl laid down in my comfortable hypnosis chair, her mother sat in one back corner of my office, her father the other, and the look her father gave me caused sweat beads to deposit on my forehead. It was a small office anyhow and the four bodies didn't help my comfort level. I needed help, but there was none. I couldn't screw this up or else my reputation in this small town would be ruined forever. It was one of those small towns where everybody knew everybody and they talked. Did they ever talk! I decided to do something totally radical. I decided to hypnotize her with a magic trick I figured I could use to hold her attention. When I mentioned a magic trick the little girl's face came alive and her nervousness left instantly. Mind followed. I was comfortable with magic. I had performed in front of live audiences and it was...well...what I did. I took the principles of hypnosis and applied it to the magic trick. I very much so wanted to help the little girl, so I prefaced to her that the hypnosis would come during the magic trick. I gained her confidence in me and thus gained greater confidence in my ability to help her. Something happened. I became a natural hypnotist, forgetting my lack of experience, everything I had thought about myself up to that point, and something inside of me snapped and I became first class instantly. The little girl became hypnotized and entered a deep hypnotic trance and I was able to give her suggestions and they worked. Her life changed after that, and the respect I received from her parents turned into hundreds (if not thousands) of referrals over the years I was in private practice. I have found one of the easiest ways to hypnotize anyone is through the application of magic tricks. In this book I will explain seven magic tricks to you that work well. I'll give you everything you need to know to apply them, including why you should use each one, what you must know upfront, how to do the trick, other applications, frequently asked questions students of mine have asked regarding each trick, and some action keys to help you proactively take charge and use the trick to discover how easy applying magic can be. Many people over the years have asked me, "Why magic tricks?" You'll love it! You'll use it! Grab your copy now!

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

The book, Beyond Good & Evil, is written by a philosopher, Freidrich Nietzsche (15th October 1844 – 25th August, 1900). He was a German philosopher. He was a composer, poet, writer, and philologist also. Although he started his career as a philologist then he switched over to philosophy. He became the youngest person ever to hold the chair of Classical Philology at the University of Basel. But due to his health problem he couldn't continue. In the book, Nietzsche has criticizes the past philosophers due to lacking in their critics quality and also their accepting dogmatic concepts blindly. It narrates about leaving traditional morality, which the author subjects to a destructive critique. He suggest fearless confrontation against the perilous condition of modern individual. It is a comprehensive overview of Nietzsche's mature philosophy. Nietzsche asks the question, "What compel us to assume there exists any essential antithesis between 'true' and 'false'?" He discusses the complexities of the German soul. He praises France as "the seat of Europe's most spiritual and refined culture and the leading school of taste." In prophetic statement, Nietzsche proclaims that "the time for petty politics is the things of past; the very next century will bring with it the struggle for mystery over the whole earth.

When she discovers that her boyfriend is cheating on her, Sydney, a 22-year-old college student, must decide what to do next, especially when she becomes captivated by her mysterious neighbor Ridge. Original.

When The Unbearable Lightness of Being was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

Rapper Gucci Mane takes us to his roots in Alabama, the streets of East Atlanta, the trap house, and the studio where he

found his voice as a peerless rapper. He reflects on his inimitable career and in the process confronts his dark past -- the murder charge, years behind bars, addiction, career highs and lows -- the making of the Trap God. It is one of the greatest comeback stories in the history of music. -- Adapted from book jacket.

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century.

NEW YORK TIMES BESTSELLER People's Book of the Week Annual Library of Virginia Literary Awards Nominee for Fiction Adriana Trigiani, the New York Times bestselling author of the blockbuster epic *The Shoemaker's Wife*, returns with her biggest and boldest novel yet, a hypnotic tale based on a true story and filled with her signature elements: family ties, artistry, romance, and adventure. Born in the golden age of Hollywood, *All the Stars in the Heavens* captures the luster, drama, power, and secrets that could only thrive in the studio system—viewed through the lives of an unforgettable cast of players creating magic on the screen and behind the scenes. In this spectacular saga as radiant, thrilling, and beguiling as Hollywood itself, Adriana Trigiani takes us back to Tinsel Town's golden age—an era as brutal as it was resplendent—and into the complex and glamorous world of a young actress hungry for fame and success. With meticulous, beautiful detail, Trigiani paints a rich, historical landscape of 1930s Los Angeles, where European and American artisans flocked to pursue the ultimate dream: to tell stories on the silver screen. The movie business is booming in 1935 when twenty-one-year-old Loretta Young meets thirty-four-year-old Clark Gable on the set of *The Call of the Wild*. Though he's already married, Gable falls for the stunning and vivacious young actress instantly. Far from the glittering lights of Hollywood, Sister Alda Ducci has been forced to leave her convent and begin a new journey that leads her to Loretta. Becoming Miss Young's secretary, the innocent and pious young Alda must navigate the wild terrain of Hollywood with fierce determination and a moral code that derives from her Italian roots. Over the course of decades, she and Loretta encounter scandal and adventure, choose love and passion, and forge an enduring bond of love and loyalty that will be put to the test when they eventually face the greatest obstacle of their lives. Anchored by Trigiani's masterful storytelling that takes you on a worldwide ride of adventure from Hollywood to the shores of southern Italy, this mesmerizing epic is, at its heart, a luminous tale of the most cherished ties that bind. Brimming with larger-than-life characters both real and fictional—including stars Spencer Tracy, Myrna Loy, David Niven, Hattie McDaniel and more—it is the unforgettable story of one of cinema's greatest love affairs during the golden age of American movie making.

Forbidden Hypnotic Secrets! - Incredible Hypnotic Confessions of the Rogue Hypnotist!

Designed as a practical desktop reference, this official publication of the American Society of Clinical Hypnosis is the largest collection of hypnotic suggestions and metaphors ever compiled. It provides a look at what experienced clinicians actually say to their patients during hypnotic work. A book to be savored and referred to time and again, this handbook will become a dog-eared resource for the clinician using hypnosis.

Have you been looking for a book that lays bare all the secrets of hypnotic play for pleasure and kink? A clear, step by step guide that explains theory as well as practice so that you can develop your own style and flair? Authors James Gordon, a clinical hypnotherapist, and Rebecca Doll, who holds a master's in education, wrote an exhaustive guide. Taking a clear, consent based, non-gendered , approach to hypnotic instruction, we use a scientific and historical approach to de-mystify hypnosis so that anyone and everyone can learn to hypnotize not just highly suggestible individuals, but any partner. We focus on teaching fundamentals so that you can develop your own unique style and flair. Other books are designed to give you a few scripts and tricks, but they are

not an entire course in hypnosis. We reveal all the keys that will allow the reader a complete understanding of how to hypnotize. Among many topics we cover: ethics and consent, types of suggestibility, suggestibility testing, hypnotic modalities, inductions, deepening techniques. Designed to be an inclusive course, we offer roadmap of how to recover if you have a problem, and what to do if you experience abreactions or other issues in hypnosis, discussing important issues such as emotional support and aftercare. We tell you the things that are vital to your knowledge and understanding of how to successfully hypnotize even those subjects that have previously proven difficult or impossible to hypnotize. If you've been looking for a respectable source for training in erotic hypnosis with a full and up front discussion of both the easy and hard parts, this book is an excellent guide. In addition to a broad overview of hypnotic skills we include a detailed discussion of play suggestions, including hypnotic bondage, eroticization, orgasm control and orgasm on command, hypnotic roleplay and how to use hypnosis as part of D/s play.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

The Road to Cana, Anne Rice's second book in her hugely ambitious life of Christ, begins before his baptism in the Jordan and concludes with the miracle at Cana. It is a novel in which we see Jesus, the man, living quietly in Nazareth as he has for many years. He is still known as Yeshua Bar Joseph. And he is enduring a winter of no rain, endless dust and looming trouble in Judea. Legends of a virgin birth have long surrounded Yeshua, yet for decades he has lived no differently than the others who come to the synagogue on the Sabbath. All who know and love him find themselves waiting for some sign of the path he will eventually take. And at last we see this quiet man emerge from his baptism to confront his destiny—and the Devil. We see what occurs when he takes the water of seven great limestone jars and transforms it into cool red wine; when he is recognized as the anointed one; when he is urged to call all Israel to take up arms against Rome and follow him as the prophets have foretold. Like Out of Egypt, the first novel in Anne Rice's series on the life of Christ, The Road to Cana is based on the gospels and on the most respected New Testament scholarship. The book's power comes from the profound feeling its author brings to the writing and the subtlety with which she summons up the presence of Jesus.

A collection of women's intimate erotic thoughts by the #1 New York Times—bestselling author of *The Secret Garden* and “liberator of the female libido” (*Newsday*). The publication of the groundbreaking expose on women's sexual fantasies, *My Secret Garden*, ushered in a revolution in women's sexual freedom of expression. In *Forbidden Flowers*, Nancy Friday reveals even more erotic, wild, and explicit fantasies expressed by women all over the world, from all ethnic and socioeconomic backgrounds. Like *My Secret Garden* before it, *Forbidden Flowers* is a celebration of the depth, potency, and imaginative breadth of women's inner erotic lives. By giving female readers a glimpse into the ordinary and often extraordinary fantasies of other women, it offers to some an exhilarating freedom from the guilt and shame so often associated with sexual fantasy—and to others, provides fascinating insight into the psychology of female sexual response. “The author whose books about gender politics helped redefine American women's sexuality.” —*The New York Times*

Everyone can be a successful hypnotist and the *Rogue Hypnotist* shows you exactly how. The process of hypnosis is outlined in clear, plain English, in a series of brief learning modules that anyone can understand. The use of words alone will induce hypnotic trance in anybody, you don't need dangling watches. You will learn what hypnosis and trance really are. You will learn what the subconscious is and how to communicate with it to make people feel amazing.

Shows you how to develop and enrich your voice by exercising it in specific ways, so as to improve public speaking and general communication skills. Teaches you how to use crisp consonants and well-shaped vowels to increase your expressiveness, projection, confidence and relaxation.

The classic thriller about a hostile foreign power infiltrating American politics: “Brilliant . . . wild and exhilarating.” —*The New Yorker*

A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors' signal. Now he's been returned to the United States with a covert mission: to kill a candidate running for US president . . . This “shocking, tense” and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (*San Francisco Chronicle*). “Crammed with suspense.” —*Chicago Tribune* “Condon is wickedly skillful.” —*Time*

“Steamily atmospheric . . . A twisted Gothic tale, emotional in its language and febrile in its atmosphere, and it will appeal to readers who love to hear about obsession, repression . . . and poetic justice.” —*The New York Times Book Review*

Louisa is the new scholarship student at Temple House, a drafty, imposing cliffside boarding school full of girls as chilly as the mansion itself. There is one other outsider, an intense and compelling student provocateur named Victoria, and the two girls form a fierce bond. But their friendship is soon unsettled by a young art teacher, Mr. Lavelle, whose charismatic presence ignites tension and obsession in the cloistered world of the school. Then one day, Louisa and Mr. Lavelle vanish without a trace, never to be found. Now, on the twenty-fifth anniversary of the disappearance, one journalist—a woman who grew up on the same street as Louisa—delves into the past, determined to uncover the truth. She finds stories of jealousy and revenge, power and class. But might she find Louisa and Mr. Lavelle, too? Told in alternating points of view, *The Temple House Vanishing* is tense, atmospheric, and page-turning . . . with a shocking, ingenious conclusion.
