

Hardcore Troubadour The Life And Near Death Of Steve Earle

As Bing Crosby once put it, Tiny Tim represents 'one of the most phenomenal success stories in show business'. In 1968, after years of playing dive bars and lesbian cabarets on the Greenwich Village scene, rubbing shoulders with the likes of Bob Dylan and Lenny Bruce, the forty-something falsetto-voiced, ukulele-playing Tiny Tim landed a recording contract with Sinatra's Reprise label and an appearance on NBC's Laugh-In. The resulting album, *God Bless Tiny Tim*, and its single, 'Tip-toe Thru' The Tulips With Me', catapulted him to the highest levels of fame. Soon, Tiny was playing to huge audiences in the USA and Europe, while his marriage to the seventeen-year-old 'Miss' Vicki was broadcast on *The Tonight Show* in front of an audience of fifty million. Before long, however, his star began to fade. Miss Vicki left him, his earnings evaporated, and the mainstream turned its back on him. He would spend the rest of his life trying to revive his career, with many of those attempts taking a turn toward the absurd. But while he is often characterized as an oddball curio, Tiny Tim was a master interpreter and student of early American popular song, and his story is one of Shakespearean tragedy framed around a bizarre yet loveable public persona. Here, drawing on dozens of new interviews, never-before-seen diaries, and years of original research, author Justin Martell brings that story to life with the first serious biography of one of the most fascinating yet misunderstood figures in popular music.

In this intimate and engaging biography, Graeme Thomson interviews Nelson himself, his band and those who knew him best en route to discovering the real Willie Nelson. *The Outlaw* brilliantly describes a complex and compelling man whose life and music reflect something fundamental at the heart of twentieth-century America. Thomson's revealing portrait is a timely reminder of the stature and achievements of a true living legend. Covering everything from dirt poor beginnings in Texas, global fame in the 70s, four marriages, the death of a son and affairs with Amy Irving and Candice Bergen up to his current position as a 73-year-old pot smoking man of the road, Thomson's account emerges as the first detailed, clear-eyed account of Nelson's fascinating life.

The *Historical Dictionary of Popular Music* contains a chronology, an introduction, an appendix, and an extensive bibliography. The dictionary section has over 1000 cross-referenced entries on major figures across genres, definitions of genres, technical innovations and surveys of countries and regions.

"The days of poets moping around castle steps wearing black capes is over. The poets of today are amplified." — LEONARD COHEN Picking up where Samuel Johnson left off more than two centuries ago, Ray Robertson's *Lives of the Poets (with Guitars)* offers up an amplified gathering of thirteen portraits of rock & roll, blues, folk, and alt-country's most inimitable artists. Irreverent and riotous, Robertson explores the "greater or lesser heat" with which each musician shaped their genre, while offering absorbing insight into their often tumultuous lives. Includes essays on Gene Clark, Ronnie Lane, The Ramones, Sister Rosetta Tharpe, Townes Van Zandt, Little Richard, Alan Wilson, Willie P. Bennett, Gram Parsons, Hound Dog Taylor, Paul Siebel, Willis Alan Ramsey, and John Hartford.

When twelve-year-old Kat Wolfe starts a pet-sitting agency, she soon finds herself unraveling a mystery, in this first book of a new middle-grade series from award-winning author Lauren St. John. After a break-in at their London home, Kat Wolfe and her veterinarian mum decide it's time to move to the country. Dr. Wolfe's new job on England's Jurassic Coast comes with a condition: They have to adopt Tiny, a huge Savannah who resists Kat's best attempts at cat whispering. Kat starts a pet-sitting agency to make pocket money, but then the owner of her first client, an Amazon parrot, vanishes from his gadget-filled mansion. Only one person shares Kat's conviction that he's the victim of foul play: Harper Lamb, an American girl laid up with two broken legs thanks to her racehorse. Kat and Harper team up, but what starts out as mystery-solving fun turns deadly for the duo. When all clues point to a nearby army base, can they count on their unruly animal friends to save the day—and their lives?

This biography of Guy Clark delves into the songwriter's background to discover his influences and the stories behind many of his classic songs and recordings. The text is complemented by many photographs contributed by Guy, his family, and his associates.

A pivotal member of the hugely successful bluegrass band Flatt and Scruggs and the Foggy Mountain Boys, Dobro pioneer Josh Graves (1927-2006) was a living link between bluegrass music and the blues. In *Bluegrass Bluesman*, this influential performer shares the story of his lifelong career in music. In lively anecdotes, Graves describes his upbringing in East Tennessee and the climate in which bluegrass music emerged during the 1940s. Deeply influenced by the blues, he adapted Earl Scruggs's revolutionary banjo style to the Dobro resonator slide guitar and gave the Foggy Mountain Boys their distinctive sound. Graves' accounts of daily life on the road through the 1950s and 1960s reveal the band's dedication to musical excellence, Scruggs' leadership, and an often grueling life on the road. He also comments on his later career when he played in Lester Flatt's Nashville Grass and the Earl Scruggs Revue and collaborated with the likes of Boz Scaggs, Charlie McCoy, Kenny Baker, Eddie Adcock, Jesse McReynolds, Marty Stuart, Jerry Douglas, Alison Krauss, and his three musical sons. A colorful storyteller, Graves brings to life the world of an American troubadour and the mountain culture that he never left behind. Born in Tellico Plains, Tennessee, Josh Graves (1927-2006) is universally acknowledged as the father of the bluegrass Dobro. In 1997 he was inducted into the Bluegrass Hall of Fame.

Join brave Kat Wolfe and her animal sidekicks in this second mysterious adventure filled with friendship, freedom and a fierce wild cat! When a landslide on the Jurassic Coast reveals a rare 'dragon' dinosaur, best friends Kat Wolfe and Harper Lamb are thrilled, especially when stars and scientists come flocking to sleepy Bluebell Bay. But after they begin investigating a suspicious death, events spiral quickly out of control for detectives Wolfe and Lamb. Worse still, Kat's wild cat is in trouble. Can they solve the mystery – and save the cat's life – before it's too late? *Kat Wolfe Takes the Case* is the second book in Lauren St. John's Wolfe & Lamb series, and is illustrated by Daniel Deamo.

From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on *Saturday Night Live* when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In *Rememberings*, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist. Traces the author's coming-of-age in civil-war-torn Rhodesia, where her family settled after purchasing the farm of a brutally murdered family, detailing a youth marked by terrorism, dangerous wild animals, and the author's embittered realization that everyone she knew was on the wrong side of the conflict. By the author of *Hardcore Troubadore*. Reprint. 40,000 first printing.

A history, with a personal touch, of the American folk music revival is penned by a recording artist, songwriter, and former member of the Journeymen.

Hardcore Troubadour The Life and Near Death of Steve Earle Harper Collins

The national–bestselling biography on the country singer and songwriter known as “The Man in Black.” In this, the definitive biography of an American legend, Robert Hilburn conveys the unvarnished truth about a musical superstar. Johnny Cash’s extraordinary career stretched from his days at Sun Records with Elvis Presley and Jerry Lee Lewis to the remarkable creative last hurrah, at age 69, that resulted in the brave, moving “Hurt” video. As music critic for the Los Angeles Times, Hilburn knew Cash throughout his life: he was the only music journalist at the legendary Folsom Prison concert in 1968, and he interviewed both Cash and his wife June Carter just months before their deaths. Drawing upon a trove of never-before-seen material from the singer’s inner circle, Hilburn creates an utterly compelling, deeply human portrait of a towering figure in country music, a seminal influence in rock, and an icon of American popular culture. Hilburn's reporting shows the astonishing highs and deep lows that marked the journey of a man of great faith and humbling addiction who throughout his life strove to use his music to lift people's spirits. “Hilburn has written a brilliant story of an even more brilliant songwriter, warts and all.” —Keith Richards “The ultimate Johnny Cash biography . . . Rock writer great Robert Hilburn goes deep.” —Rolling Stone “Veteran music writer Hilburn . . . masterfully separates fiction from fact in an exhaustive, but never exhausting, biography of the legendary musician...The personal knowledge aided by extensive archival research and always compelling, accessible writing makes this an instant-classic music biography with something to offer all generations of listeners.” —Kirkus Reviews (starred review)

From legendary singer/songwriter Steve Earle comes the fascinating memoir he swore he'd never write. *I CAN'T REMEMBER IF WE SAID GOODBYE* Steve Earle's entirely self-written memoir is a literary work in three acts. It opens with Steve dropping out of school and quitting a construction job, and meeting the troubled, genius musician Townes Van Zandt, with whom he embarks on a very complicated lifelong friendship. Steve's memoir will delve deeply into his heroes and what they meant to him, from Guy Clark and Willie and Waylon, to Steve's uncle who gave him his first guitar as well as his first shot of dope. It will take readers into the heart of the singular, dynamic and fascinating Texas music scene in the 60s and 70s, through the pain and desperation of Steve's drug addiction and, finally, to the grace of recovery through the Twelve Steps. Unlike many musicians penning memoirs, Earle is a genuine and talented writer who has authored a collection of short stories and a beautiful, haunting novel. This book, the one his fans want, brings that same lyrical prose to Steve's own incredible life, from the exhilarating highs to the crushing lows and back again--showing that recovery is possible for even the hardest of cases.

The fifth and final book in the heart-warming White Giraffe series by Lauren St John, featuring the African adventures of Martine and her magical white giraffe. Martine is starstruck when her boyband hero visits Sawubona for a safari. But within hours, poachers have pounced, leaving behind an orphaned rhino calf. Martine and Ben are entrusted with taking the baby rhino to a remote sanctuary. But Martine has a guilty secret - one that's stolen her healing gift. Alone in the wilderness, with the poachers closing in, Martine and Ben need all of the survival skills they possess to save one of the most endangered animals on earth.

A noted historian presents an assessment of Bob Dylan and his music that draws on unprecedented access to rare materials and illuminates key cultural influences.

Mongol leader Genghis Khan was by far the greatest conqueror the world has ever known. His empire stretched from the Pacific Ocean to central Europe, including all of China, the Middle East, and Russia. So how did an illiterate nomad rise to such colossal power and subdue most of the known world, eclipsing Alexander the Great, Julius Caesar, and Napoleon? Credited by some with paving the way for the Renaissance, condemned by others for being the most heinous murderer in history, who was Genghis Khan? His actual name was Temujin, and the story of his success is that of the Mongol people: a loose collection of fractious tribes who tended livestock, considered bathing taboo, and possessed an unparalleled genius for horseback warfare. United under Genghis, a strategist of astonishing cunning and versatility, they could dominate any sedentary society they chose. Combining fast-paced accounts of battles with rich cultural background and the latest scholarship, Frank McLynn brings vividly to life the strange world of the Mongols, describes Temujin's rise from boyhood outcast to becoming Genghis Khan, and provides the most accurate and absorbing account yet of one of the most powerful men ever to have lived.

NATIONAL BESTSELLER Henry Bright has newly returned to West Virginia from the battlefields of the First World War. Griefstruck by the death of his young wife and unsure of how to care for the infant son she left behind, Bright is soon confronted by the destruction of the only home he’s ever known. His hopes for safety rest with the angel who has followed him to Appalachia from the trenches of France and who now promises to protect him and his son. Haunted by the abiding nightmare of his experiences in the war and shadowed by his dead wife’s father, the Colonel, and his two brutal sons, Bright—along with his newborn—makes his way through a ravaged landscape toward an uncertain salvation. **DON’T MISS THE EXCLUSIVE CONVERSATION BETWEEN JOSH RITTER AND NEIL GAIMAN IN THE BACK OF THE BOOK.**

A Girl on the Run from the Law Alexandra Blakewood has everything any teenager could wish for, apart from the horse she'd love, but she won't stop getting into trouble. Sent to a US boot camp, she dreams of escaping. It seems impossible until she's told about a gruelling 1,200 mile horse race across the American West... A Boy on a Mission to Save a Life Will Greyton was the star student at his Tennessee high school until his father was laid off. Now Will works at a burger joint. When his dad falls ill, it seems things can't get any worse. An operation will save him, but there's no way to pay for it. Then Will hears about The Glory, a deadly endurance race with a \$250,000 purse, open to any rider daring enough to attempt it...

Meticulously researched by a senior private banker now turned historian, *No More Champagne* reveals for the first time the full extent of the iconic British war leader's private struggle to maintain a way of life instilled by his upbringing and expected of his public position. Lough uses Churchill's own most private records, many never researched before, to chronicle his family's chronic shortage of money, his own extravagance and his recurring losses from gambling or trading in shares and currencies. Churchill tried to keep himself afloat by borrowing to the hilt, putting off bills and writing 'all over the place'; when all else failed, he had to ask family or friends to come to the rescue. Yet within five years he had taken advantage of his worldwide celebrity to transform his private fortunes with the same ruthlessness as he

waged war, reaching 1945 with today's equivalent of £3 million in the bank. His lucrative war memoirs were still to come. Throughout the story, Lough highlights the threads of risk, energy, persuasion, and sheer willpower to survive that link Churchill's private and public lives. He shows how constant money pressures often tempted him to short-circuit the ethical standards expected of public figures in his day before usually pulling back to put duty first—except where the taxman was involved.

For half a century, Michael Jackson's music has been an indelible part of our cultural consciousness. Landmark albums such as *Off the Wall* and *Thriller* shattered records, broke racial barriers, amassed awards, and set a new standard for popular music. While his songs continue to be played in nearly every corner of the world, however, they have rarely been given serious critical attention. The first book dedicated solely to exploring his creative work, *Man in the Music* guides us through an unparalleled analysis of Jackson's recordings, album by album, from his trailblazing work with Quincy Jones to his later collaborations with Teddy Riley, Jimmy Jam, Terry Lewis, and Rodney Jerkins. Drawing on rare archival material and on dozens of original interviews with the collaborators, engineers, producers, and songwriters who helped bring the artist's music into the world, Jackson expert and acclaimed cultural critic Joseph Vogel reveals the inspirations, demos, studio sessions, technological advances, setbacks and breakthroughs, failures and triumphs, that gave rise to an immortal body of work.

Join Kat Wolfe and her best friend Harper Lamb on the winter holiday of a lifetime in *Kat Wolfe on Thin Ice* - full of mystery, intrigue, snow and huskies! Kat and Harper can't wait to join their parents on a winter vacation in a mountain cabin in the US. But a series of misadventures result in them being in the wrong place at the wrong time. Alone. When Kat discovers that an argument she witnessed in New York City holds the key to a major crime, she's certain that it's only a matter of time until the culprits come looking for her. With a snow storm moving in and no way out, all that stands between the girls and disaster are a team of eight huskies and one impossible raccoon.

The first book in the heart-warming *White Giraffe* series by Lauren St John, featuring the African adventures of Martine and her magical white giraffe. When tragedy strikes on a winter's night in England, Martine is sent to live with her grandmother on a game reserve in South Africa. Her wild, beautiful new home is riddled with secrets, but lonely Martine finds comfort in the legend of a white giraffe and in mysterious Grace, who believes Martine has a powerful gift. Defying her grandmother by entering the reserve alone, Martine is plunged into a world of danger, mystery and adventure. Who can she trust? And how far will she go to save the only friend she has ever known?

A tell-all memoir from the lead singer of the 1980s hair-metal band Ratt reveals all the aspects of rock star excess, including the groupies, the trashed hotel rooms, and the drugs.

NEW YORK TIMES BESTSELLER "King's songs have mixed rock-soul heart-rush with real-world ache. So does her memoir...Revealing, humble, and cool-aunt chatty." -Rolling Stone The incredible life that inspired the hit Broadway musical *Beautiful* Carole King takes us from her early beginnings in Brooklyn, to her remarkable success as one of the world's most acclaimed songwriting and performing talents of all time. A *NATURAL WOMAN* chronicles King's extraordinary life, drawing readers into her musical world, including her phenomenally successful #1 album *Tapestry*, and into her journey as a performer, mother, wife and present-day activist. Deeply personal, King's memoir offers readers a front-row seat to the woman behind the legend and includes dozens of photos from her childhood, her own family, and behind-the-scenes images from her performances.

A musical genre forever outside the lines With a claim on artists from Jimmie Rodgers to Jason Isbell, Americana can be hard to define, but you know it when you hear it. John Milward's *Americanland* is filled with the enduring performers and vivid stories that are at the heart of Americana. At base a hybrid of rock and country, Americana is also infused with folk, blues, R&B, bluegrass, and other types of roots music. Performers like Bob Dylan, Johnny Cash, Ray Charles, and Gram Parsons used these ingredients to create influential music that took well-established genres down exciting new roads. The name Americana was coined in the 1990s to describe similarly inclined artists like Emmylou Harris, Steve Earle, and Wilco. Today, Brandi Carlile and *I'm With Her* are among the musicians carrying the genre into the twenty-first century. Essential and engaging, *Americanland* chronicles the evolution and resonance of this ever-changing amalgam of American music. Margie Greve's hand-embroidered color portraits offer a portfolio of the pioneers and contemporary practitioners of Americana.

If Steve Earle weren't a living, breathing person, he'd be a character in a blues song -- a raucous ballad about a gifted rebel who drank too much, lost most of his women in a blizzard of crack and cocaine addiction, and always came out on the wrong side of the law. Somewhere in the midst of all this, he also managed to weld rock to country, the Beatles to Springsteen, and bluegrass to punk, establishing himself among the most thoroughly original and politically astute musicians of his generation. Granted unrestricted access to Steve and his family and friends, Lauren St John has given us a sometimes shocking, often moving, and completely unvarnished biography of one of America's most talismanic sons.

Texas singer-songwriter Hayes Carll declared, "Ray would be at the top of the list if I were gonna read about somebody's life." In *The Messenger: The Songwriting Legacy of Ray Wylie Hubbard*, author, journalist, and music producer Brian T. Atkinson demonstrates why Carll and so many others hold Ray Wylie Hubbard in such high regard. Atkinson takes readers into and beyond the seedy bar in Red River, New Mexico, where the incident occurred that inspired Hubbard's most famous song, "Redneck Mother." Hubbard tells the stories, and Atkinson enlists other musicians to expound on the nature of his abiding influence as songwriter, musician, and unflinching teller of uncomfortable truths. Featuring interviews with well-known artists such as Eric Church, Steve Earle, Kinky Friedman, Chris Robinson, and Jerry Jeff Walker, and also mining the insights of up-and-comers such as Elizabeth Cook, Jaren Johnston, Ben Kweller, Aaron Lee Tasjan, and Paul Thorn, *The Messenger* makes clear why so many musicians across a wide spectrum admire Ray Wylie Hubbard. Readers will also learn why "Redneck Mother," the song that put Hubbard on the map for most listeners, is also a curse, of sorts, in its diminution of both his spiritual depth as a lyricist and his multidimensional musical reach. As Hubbard himself says, "The song probably should have never been written, let alone recorded, let alone recorded again... the most important part of songwriting is right after you write a song, ask yourself, 'Can I sing this for twenty-five years?'" Atkinson's work makes a convincing case that Ray Wylie Hubbard's truest and most lasting contributions will long outlive him. And, with a couple of good breaks, they may even outlive "Redneck Mother."

Using narrative accounts from a sample of 69 New York City-based musicians of various genres who are self-acknowledged heroin users, the book addresses the reasons why these musicians started using heroin and the impact heroin had on these musicians' playing, creativity, and careers.

Now in paperback, after five hardcover printings, Tommy James's wild and entertaining true story of his career—part rock & roll fairytale, part valentine to a bygone era, and part

mob epic—that “reads like a music-industry version of Goodfellas” (The Denver Post). Everyone knows the hits: “Hanky Panky,” “Mony Mony,” “I Think We’re Alone Now,” “Crimson and Clover,” “Crystal Blue Persuasion.” All of these songs, which epitomize great pop music of the late 1960s, are now widely used in television and film and have been covered by a diverse group of artists from Billy Idol to Tiffany to R.E.M. Just as compelling as the music itself is the life Tommy James lived while making it. James tells the incredible story, revealing his complex and sometimes terrifying relationship with Roulette Records and Morris Levy, the legendary Godfather of the music business. *Me, the Mob, and the Music* is a fascinating portrait of this swaggering, wildly creative era of rock ‘n’ roll, when the hits kept coming and payola and the strong-arm tactics of the Mob were the norm, and what it was like, for better or worse, to be in the middle of it.

Rock & roll has transformed American culture more profoundly than any other art form. During the 1960s, it defined a generation of young people as political and social idealists, helped end the Vietnam War, and ushered in the sexual revolution. In *Dixie Lullaby*, veteran music journalist Mark Kemp shows that rock also renewed the identity of a generation of white southerners who came of age in the decade after segregation -- the heyday of disco, Jimmy Carter, and Saturday Night Live. Growing up in North Carolina in the 1970s, Kemp experienced pain, confusion, and shame as a result of the South's residual civil rights battles. His elementary school was integrated in 1968, the year Kemp reached third grade; his aunts, uncles, and grandparents held outdated racist views that were typical of the time; his parents, however, believed blacks should be extended the same treatment as whites, but also counseled their children to respect their elder relatives. "I loved the land that surrounded me but hated the history that haunted that land," Kemp writes. When rock music, specifically southern rock, entered his life, he began to see a new way to identify himself, beyond the legacy of racism and stereotypes of southern small-mindedness that had marked his early childhood. Well into adulthood Kemp struggled with the self-loathing familiar to many white southerners. But the seeds of forgiveness were planted in adolescence when he first heard Duane Allman and Ronnie Van Zant pour their feelings into their songs. In the tradition of music historians such as Nick Tosches and Peter Guralnick, Kemp masterfully blends into his narrative the stories of southern rock bands --from heavy hitters such as the Allman Brothers Band, Lynyrd Skynyrd, and R.E.M. to influential but less-known groups such as Drive-By Truckers -- as well as the personal experiences of their fans. In dozens of interviews, he charts the course of southern rock & roll. Before civil rights, the popular music of the South was a small, often racially integrated world, but after Martin Luther King Jr.'s assassination, black musicians struck out on their own. Their white counterparts were left to their own devices, and thus southern rock was born: a mix of popular southern styles that arose when predominantly white rockers combined rural folk, country, and rockabilly with the blues and jazz of African-American culture. This down-home, flannel-wearing, ass-kicking brand of rock took the nation by storm in the 1970s. The music gave southern kids who emulated these musicians a newfound voice. Kemp and his peers now had something they could be proud of: southern rock united them and gave them a new identity that went beyond outside perceptions of the South as one big racist backwater. Kemp offers a lyrical, thought-provoking, searingly intimate, and utterly original journey through the South of the 1960s, '70s, '80s, and '90s, viewed through the prism of rock & roll. With brilliant insight, he reveals the curative and unifying impact of rock on southerners who came of age under its influence in the chaotic years following desegregation. *Dixie Lullaby* fairly resonates with redemption.

Greg Norman is golf's most complex and controversial celebrity and perhaps its most gifted and charismatic player. Winner of more than 70 tournaments, including the 1986 and 1993 British Opens, he has reigned as the world's number-one-ranked golfer for most of a decade and began 1998 as the PGA Tour's career-earnings leader with almost \$12 million. As ruthless in the boardroom as he is on the golf course, the Shark turned a \$2 million stake in Cobra Golf into a payoff of more than \$40 million, bought a Boeing 747 jet for his personal use, and launched a clothing line bearing his multicolored-shark motif. Three parts Crocodile Dundee, two parts Jack Nicklaus, and one part Don Quixote, the jet-setting Shark is larger than life. He has raced Ferraris with Nigel Mansell, hauled marlin over the side of plunging boats, scuba dived with sharks, taken a joyride in an F-14, saved drowning friends, and entertained a US president at his Florida compound. Yet Norman stands blond head and broad shoulders above golf's elite as the sport's most notorious victim of cruel calamity. His dramatic losses at the 1986 PGA Championship, the 1987 Masters, and the 1996 Masters rank among golf's most inexplicable defeats rendered by the most outrageous strokes of misfortune. In this riveting and revealing biography, internationally acclaimed journalist Lauren St. John examines Norman's conquests as well as his failures and his relationships with his father, his agents, fellow golfers, and caddies. Using her unparalleled access to dozens of people who know Norman best, including the Shark himself, St. John explains how Norman's fear of bankruptcy drove him to win the 1986 British Open; exclusively reveals the background of the break-up with his first manager and his subsequent split with IMG; tells why golf's greatest natural talent has so often snatched defeat from the jaws of victory; and explains his tempestuous relationships with Jack Nicklaus and other top players.

The fourth thrilling adventure in the dramatic Legend of the Animal Healer series! When Martine and her grandmother discover that they might lose their game reserve, Sawubona, because of a clause in her grandfather's will, Martine and her best friend, Ben, decide to take matters into their own hands. After Martine hears a prophecy that tells her: "The elephants will lead you to the truth," Martine and Ben stow away in an airplane, get stuck in the desert, and help a group of elephants escape from a horrible prison. Along the way, Martine learns the truth about Sawubona, as well as the dramatic truth about her gift with animals and where it will take her in her life . . .

A thriller set in the equestrian world about making the impossible possible, about reaching the top on a one dollar horse. Fifteen year old Casey Blue lives in East London's grimmest tower block and volunteers at a local riding school, but her dream is to win the world's greatest Three Day Event: the Badminton Horse Trials. When she rescues a

starving, half-wild horse, she's convinced that the impossible can be made possible. But she has reckoned without the consequences of her father's criminal record, or the distraction of a boy with melty, dark eyes, with whom she refuses to fall in love. Casey learns the hard way that no matter how high you jump, or how fast you gallop, you can never outrun the past. A real life thriller that delves into the competitive and elite equestrian world from the 2011 BLUE PETER BOOK OF THE YEAR award-winning author. Donald Brown follows shifting versions of Dylan, from songs of social involvement to more personal songs, exploring his influential albums, tours, and personas. In an engaging adventure, Brown provides insightful critical commentary on Dylan's entire career in the context of its times to assess the relationship of Dylan's music to American culture. A debut collection of short fiction by the popular singer-songwriter features brutally honest, sometimes autobiographical tales, including the title story about a singer whose life has nearly been destroyed by drugs, "Wheeler County" about a hitchhiker stranded for years in a small Texas town, "Billy the Kid," and more. Reprint.

"Along the way we see the growth of Earle's political consciousness and his courage in tackling thorny topics such as "American Taliban" John Walker Lindh (in the song "John Walker's Blues"), his opposition to the death penalty, and his recent appearance in support of Iraq war protester Cindy Sheehan. Author David McGee also examines the early '70s east Texas singer-songwriter scene - where Earle met his future mentors Guy Clark and Townes Van Zandt - and the rise of the New Traditionalist and Americana movements."

National Book Award-winner Patti Smith revisits her early years in this glittering memoir.

The second romantic thriller in the gripping One Dollar Horse series in which Casey and her horse Storm face the challenge of the Kentucky Three Day Event. From the prize-winning author of the BLUE PETER BOOK OF THE YEAR AWARD, the second romantic thriller in the gripping One Dollar Horse equestrian series in which Casey and her horse Storm face the challenge of the Kentucky Three Day Event. When Casey Blue's victory at the Badminton Horse Trials earns her and Storm an invitation to the prestigious Kentucky Three Day Event, it is a dream come true. But that dream is about to turn into a nightmare. After her father is arrested for a crime Casey is convinced he didn't commit, she finds herself the victim of a vicious blackmailer. To make matters worse, Storm is behaving like the wild horse he once was. Faced with losing everything she loves, she needs the help of her farrier boyfriend, Peter, to win in Kentucky, one of the most challenging riding competitions there is. But is he for her or against her?

The sea almost killed them, and now it must lead them to the truth in this standalone middle-grade eco-mystery about twins lost on the high seas from the author of the bestselling novel The White Giraffe. Twelve-year-old Jess and Jude live a dream life on a battered old yacht, sailing from one exotic destination to the next with their guardian. But when he vanishes one night after an argument with a stranger, the twins are left alone, facing an incoming storm and an unknown enemy. Surviving at sea is just the start of an adventure that will take them an ocean away to the former home of their missing parents and pit them against one of the world's most powerful men. How far do they dare go, and what will they risk, to find the truth about who they are really are? Wave Riders from Lauren St John is an exciting and compelling middle-grade tale of sailing, family, and identity.

Wracked by guilt and addiction 10 years after administering a fatal morphine overdose to Hank Williams, Doc Ebersole performs illegal medical services in the red-light district of San Antonio before meeting a young Mexican immigrant who seems to heal others with her touch. 50,000 first printing.
