

Hour Of The Beast

ONE OF THE BEST BOOKS OF THE YEAR, *The Economist* and *The Financial Times* “Harrowing” true stories from two years of immersion reporting on the migrant trail from Chiapas to Arizona—an “honorable successor to enduring works like George Orwell’s *The Road to Wigan Pier*” (*New York Times*) One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped. Martínez writes in powerful, unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-color photographs, *The Beast* is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes.

Fans of Stephen King and Bentley Little will devour *The Beast of Barcroft*, Bill Schweigart’s brilliant new vision of dark suburban horror. Ben thought he had the neighbor from hell. He didn’t know how right he was. . . . Ben McKelvie believes he’s moving up in the world when he and his fiancée buy a house in the cushy Washington, D.C., suburb of Barcroft. Instead, he’s moving down—way down—thanks to Madeleine Roux, the crazy neighbor whose vermin-infested property is a

Access Free Hour Of The Beast

permanent eyesore and looming hazard to public health. First, Ben's fiancée leaves him; then, his dog dies, apparently killed by a predator drawn into Barcroft by Madeleine's noxious menagerie. But the worst is yet to come for Ben, for he's not dealing with any ordinary wild animal. This killer is something much, much worse. Something that couldn't possibly exist—in this world. Now, as a devilish creature stalks the locals, Ben resolves to take action. With some grudging assistance from a curator at the Smithsonian's National Zoo and the crackpot theories of a self-styled cryptozoologist, he discovers the sinister truth behind the attacks, but knowing the Beast of Barcroft and stopping it are two different animals. Praise for *The Beast of Barcroft* “A vicious otherworldly creature terrorizes a neighborhood in Schweigart's swift and breezy suburban creature feature. . . . Readers who appreciate a B-movie sensibility, affable characters, and a sense of fun along with their scares will find much to enjoy.”—*Publishers Weekly* “*The Beast of Barcroft* is a page-turner, seizing the reader and demanding he keep his nose buried in the book until that last page is reached.”—*New York Journal of Books* “*The Beast of Barcroft* is quite chilling at times, but oh what great entertainment it provides. . . . If you like horror novels, don't hesitate to give [it] a try as it's a terrifyingly good story.”—*Fresh Fiction* “A hybrid of *The X Files*, *Silver Bullet* and *Supernatural*. If you enjoy your horror with a distinctly animalistic edge then I would recommend that you give *The Beast of Barcroft* a go.”—*The Eloquent Page* “The action is fun, the pace is quick, and the imagery is great. I'd highly recommend this to anyone who loves a good afternoon horror story.”—*Scifi and Scary Book Reviews*

Join the hero Tom on a high-action adventure with terrible Beasts and deadly danger! Tom is about to embark on his biggest Quest yet! The lands of Avantia, Kayonia and

Access Free Hour Of The Beast

Gorgonia are under attack from six Evil Beasts. Tom's first deadly challenge is to defeat Solak, Scourge of the Sea. NY Times bestselling author, K.N. Lee presents a dark twist on a classic fairy-tale that asks the question: what if the beauty was the mortal enemy of the beast. Raised in fear of her power. Sold and betrayed by her lover Allyn escaped the hunters once before. As a witch, she risks capture every day. Now, she lives in the slums of the opulent kingdom of Elastria, where the Winter Winds are brutal, and force everyone into their homes for the entire season. When one of her best friends receives an invitation to the end of season Winter Ball, Allyn would rather sulk about her boyfriend leaving her instead of partying at the most exclusive club in the kingdom. A chance encounter with the crown prince of Elastria sparks hope for a brighter future, one where she might find true love. All hopes are dashed when she's tricked by her ex-boyfriend and turned in for the bounty on her head. Now, a prisoner in an eerie castle where the servants are...peculiar, the walls whisper, and the prince's mysterious twin brother struggles with the decision to keep or kill the witch he's hunted and once lost, Allyn struggles with the desire to tame the beast within the prince, or escape to freedom. The curse of the castle is strong. But, the magic hiding inside Allyn might be more powerful than she or the prince realized. Discover an enchanted world of witches and a cursed prince in this steamy modern retelling of Beauty and the Beast.

"The Beast in the Cave" is a short story by American horror fiction writer H. P. Lovecraft. A man touring the Mammoth Cave becomes separated from his guide and becomes lost. His torch expires and he is giving up hope of finding a way out in the pitch dark, when he hears strange non-human footsteps approaching him. Thinking it to be a lost mountain lion or other such beast, he picks up a stone and throws it

Access Free Hour Of The Beast

toward the source of the sound. The beast is hit and crumples to the floor. The guide finds the protagonist, and together they examine the fallen creature with the guide's torchlight. The creature mutters in its last breaths and they see its face, discovering that it is in fact a pale, deformed human, who had also become lost in the cave many years ago.

School of Theology in Glendale, California and completed his Post-Graduate work at International Bible College and Seminary where he earned his D.D. in 1983. His field of expertise is in Pneumatology and he has taught in Seminaries both in the United States and internationally on current events in Eschatology. In his spare time he dabbles in inventions of all kinds. He resides in Orange County, California.

WANTED Single human female to join charming, wealthy, single male were-cougar for a night of romantic fun—and maybe more. Me: The tall, sensuous, open-minded leader of my clan. You: A deliciously curvy virgin who's intimately familiar with what goes bump in the night. Must not be afraid of a little tail. Prefer a woman who's open to exploring her animal nature. Interest in nighttime walks through the woods a plus. My turn-ons include protecting you from the worst the supernatural world has to offer. Ready for an adventure? Give me a call. Vampires and doppelgangers need not apply. Demon possession has swept through Glace's neighboring kingdom, turning humans into hellhounds. These great, fanged wolves are wild, desperate, and hungry. Only the sworn Hunters have kept them back for five long, bloody years. At the young age of fifteen, Belle LeClair became a Hunter. She no longer remembers how many hounds she's killed, or how many friends she's buried. Still, Belle leads the hunt till a tragedy forces her deep into the dark kingdom. Her heart will be turned, her loyalty tested- and fate will intervene. Amid a backdrop of Steampunk inventions and a harsh winter landscape, *The Beast* is a re-imagining of the infamous love between a beauty and a beast. Young Adult Fantasy/Adventure Romance

"There is a lot I did not share for many reasons. What I have shared is my experience, strength, and hope. My Experience The past does not dictate who I am, but it has taught me that I am strong and to never give up! It has made me the person I am today. My Strength Everything that God has allowed me to live through is nothing more than a miracle. My Hope To continue to live life on life terms and whoever reads this will know that they can recover too. Even when it is not pretty or perfect. Even when your story is more real than you could ever imagine, your story is something you own. "To thine own self be true." Joanna

The Set of Initials, [Ya Sin], have coded the Age of the Beast, 36 years, when I Ibrahim the Beast, a Sign of the Hour, would address an 11-pages paper "THE NEWS" to the United Nations, regarding the re-establishment of the Throne of David in Zion.666, the Mark of the Beast, is the sum of whole numbers from 1 to 36, - the Age of the Beast.I Ibrahim the Beast, a Sign of the Hour, am blessed with the Secret Knowledge of Al-Qur'an-al Azeem. I unveiled the meanings of the 14 Initials of Al-Qur'an-al Azeem; I am "Ibrahim" the Witness who has the Knowledge of the Book, - al-Qur'an.Hence, I unveiled the Ikhtilaf of the Children of Israel. These are the 12 Types of Zionism, relating to the creation of a Jewish homeland in Palestine.

The unusual adventures of four geniuses who are forced to flee their universe when they unexpectedly become the target of alien malevolence

Vishnu's Leviathan: a half-beast, half-machine warship famed for its speed and might. The great

Access Free Hour Of The Beast

prize that armies across the galaxies will kill to possess. Admiral Anoushka was once a ghost. Now she's the universe's most brutal commander with a debt to a godlike AI. To repay it—and to complete her long revenge—she's set her sights on the leviathan. Neither the warship's flesh horrors nor its ruthless ruler will stand in her way. But all her plans couldn't prepare her for what waits in the belly of the beast: a foe that matches her in ferocity and thirst for vengeance . . . and a deep treachery that may prove her undoing. Set in the same universe as *And Shall Machines Surrender*.

At his heaviest, Mark Rucker weighed 386 pounds. Despite his efforts, he never managed to lose weight and keep it off, instead falling back into old habits. One fateful afternoon, he visited a theme park with his family and found he couldn't fit on the roller coasters--and couldn't share that experience with his daughter. Armed with new motivation, Mark set out to change his life: to lose the weight, regain his health, and earn back the chance to live his fullest life. What began as a journey back to health became a campaign to complete one of the most grueling athletic feats in the world: the Ironman Triathlon, a day-long race covering nearly 150 miles by water, bicycle, and foot. In 2013, a few short years after struggling to walk a mile, Mark completed Ironman Louisville. This book tells the story of Mark's struggle and offers his insights and motivation on his journey

Access Free Hour Of The Beast

to rediscover the greatness within, including the six-part process he defined through his own experience. The nightmare begins on a lonely country road when young bride Elaine Stern suffers "a fate worse than death" at the hands of a werewolf. Nine months later, the traumatized woman gives birth to a pair of fraternal twins. One, Jason, is frail, bespectacled and timid. The other, Joshua, is aggressive and hairy, with uncanny strength. When the boys are in their teens, they arrive at Hallerton College, a mysterious place where weird things tend to happen even before they get there. The horror goes into overdrive when a string of grisly murders paralyzes the campus. As the body count mounts, Jason begins to suspect that his brother has inherited the curse of lycanthropy. He races to find a cure, enlisting the help of the wise, adventurous and beautiful Professor Cairo Oldewood. Also along for the ride are Cameron, a gorgeous blonde coed, and Jason's roommate Dylan, a fearless extreme-sports junkie who will do anything for a thrill, even face the full fury of a rampaging monster. Together, to save Joshua's soul, they must solve a centuries-old mystery before the full moon rises again, and before the hour of the beast is upon them! "Hour of the Beast is written in fire and blood. This gripping, fast-paced mystery/thriller features an Indiana Jones-type heroine, Cairo Oldewood. It will keep you turning the page to the very last horror." -- J.e. Franklin, winner

Access Free Hour Of The Beast

of New York Drama Desk Award. Fast-paced and tightly written, *Hour of the Beast* is a terrifying roller-coaster ride through Hell and back. From the opening scene of indescribable horror to its nail-biting climax on a snow-enshrouded mountain, the tale grabs you by the throat and never lets go. The book introduces a unique horror heroine: Professor Cairo Oldewood, a globe-trotting female Indiana Jones. This charismatic character is intriguing enough to spawn a book series of her own- provided she survives, of course. The author is a former writer for the infamous tabloid *Weekly World News*, best known for its wacky headlines like "Bat Boy Escapes" and "Alien Backs Clinton." So, as one might expect, the novel is laced with black, subversive humor. Some of the college students' wisecracks and use of slang (banishing your roommate so you can have sex in privacy is known as "sexiling") will make the reader laugh out loud. Yet the book is meticulously researched and delves seriously into werewolf lore. In its pages one finds everything from the origins of lycanthropy in Greco-Roman cults to its bizarre link to LSD produced in bread mold. And, though it delivers the requisite blood, gore and chills in spades, *Hour of the Beast* is more than just a horror novel. The author is a Yale graduate with a degree in English Literature and it shows. The work is full of sly historical and literary allusions (Hallerton College is a nod to Harry Haller,

Access Free Hour Of The Beast

the protagonist of Herman Hesse's *Steppenwolf*). In many ways, the book is a thought-provoking exploration of the nature of good and evil in a man. The novel has its share of steamy moments. Some scenes between Cameron and one of the brothers will certainly get readers' pulses pounding. But, despite an opening rape scene--which is tastefully executed, there is nothing in this book to offend the typical adult or young adult reader. Reminiscent of the early novels of Stephen King, such as *Salem's Lot*, *Hour of the Beast* is a masterpiece of modern horror. Beyond the fright factor, the book's characters are three-dimensional and fascinating--you actually care about them. This book will appeal to hardcore horror fans and to people who prefer their chillers with a dose of intellect. The folks who like the works of Charlaine Harris (author of the *Sookie Stackhouse* books that are the basis of the HBO series "*True Blood*") will love this scary, smart, sexy novel.

The Blood of Titans is unique love story set in the Golden Age of Africa. It is the tale of Halima, a teenage princess who falls in love with a warrior king. Enormous obstacles lie in the way of their happiness. In the course of their adventures, Princess Halima learns about loss, duty, and the high price of romantic love -- and must make a choice that determines the future of kingdoms. Early responses are glowing: "*The Blood of Titans* is an

Access Free Hour Of The Beast

epic romantic adventure that hearkens back to the origin of African civilization, told with detailed eloquence... an engrossing and well-crafted tale. Forsyth does an excellent job creating Halima's world with details so sharp the reader is easily transported into it." -- Milton J. Davis, Editor of Griots: A Sword and Soul Anthology "The lyrical language of The Blood of Titans quickly drew me into this richly textured novel. I could smell the air, hear the music, and see the towns and sea and grasslands and mountains. Every scene comes to life." - Shauna Roberts, Ph.D, author of Like Mayflies in a Stream "C. Michael Forsyth has charted new territory in the land of Sword and Soul. The Blood of Titans will carry you along on an amazing journey. I give it five spears out of five." -- Charles R. Saunders, Aurora Award-winning author of Imaro Many love stories targeted at African-American women are "urban romances," featuring dubious protagonists such as strippers and thugs. In contrast, the characters of this book have a Shakespearean dignity. With rousing depictions of sword battles, fights to the death with ferocious animals and other derring-do, the novel has plenty to offer both male and female fans of fantasy and the sword and sorcery genre. Anyone who enjoys a good story should read this exciting and moving tale. Climbing on The Beast, an exciting new amusement park ride, Ashley longs for just one more ride, but when her car

Access Free Hour Of The Beast

returns, and Ashley has disappeared, her best friends must get on...or Ashley may never find her way off.

The book's focus, from which the title is derived, is taken from Revelation 11:18, and opens with "The Wrath of God," continues with "The Judgment of Mankind" and closes with "The Reward of the Saints." A Jewish, Biblical Scholar, Nativ brings a unique, often startling perspective to the Book of Revelation. Basing his theories in Hebraic concepts, not doctrine or dogma, Nativ takes the reader on an exciting, step-by-step journey through the Hebrew texts, the original language of the Bible, and through painstaking analysis, breathes new life into the words of the Old Testament prophets, the apostles, and Jesus. Take for example, the word "Armageddon." Long interpreted as the ultimate battle between good and evil, Nativ uses his extensive Hebrew knowledge to show it is a place, not a battle, and introduces the ancient Hebrew concept of a "place of refuge" as proof. Should Nativ be correct, not only will he change the theology, but dictionary definitions as well. Equally startling is his discussion of Revelation, Chapter Nine, regarding the opening of the bottomless pit and the release of the awesome creatures within. Nativ not only explains what they are, their origins and their purpose, but, most surprising, the creatures' present location, as they await the ending of the Age. Perhaps most controversial of all is Nativ's answer to the long-asked question regarding the identity of the "Beast" and the meaning of the number "666." Not only will the reader be dumbfounded by the simplicity of Nativ's answer, but horrified by the proximity. Nativ is not dogmatic. He does not expect everyone to agree with his study's conclusions, but instead challenges the reader to prove him biblically incorrect. Neither prophet nor the recipient of a great revelation from God, Nativ's only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities.

Access Free Hour Of The Beast

This powerful book is a warning of the unimaginable events that will take place in the world in these last and evil days. It tells of the time of an international leader that will rise to power and inflict martial law upon earth's inhabitants, it tells of a time of tribulation and distress among the nations, a time of earthquakes, asteroid impacts, and world war. Take a journey into the word of God and uncover the plans of Satan to appoint his antichrist who is and will be the beast that rise's to power during earth's darkest hour.

New York Times Bestselling Author Sarah MacLean returns with the next book in the Bareknuckle Bastards series about three brothers bound by a secret that they cannot escape—and the women who bring them to their knees. *The Lady's Plan* When Lady Henrietta Sedley declares her twenty-ninth year her own, she has plans to inherit her father's business, to make her own fortune, and to live her own life. But first, she intends to experience a taste of the pleasure she'll forgo as a confirmed spinster. Everything is going perfectly...until she discovers the most beautiful man she's ever seen tied up in her carriage and threatening to ruin the Year of Hattie before it's even begun. *The Bastard's Proposal* When he wakes in a carriage at Hattie's feet, Whit, a king of Covent Garden known to all the world as Beast, can't help but wonder about the strange woman who frees him—especially when he discovers she's headed for a night of pleasure . . . on his turf. He is more than happy to offer Hattie all she desires...for a price. *An Unexpected Passion* Soon, Hattie and Whit find themselves rivals in business and pleasure. She won't give up her plans; he won't give up his power . . . and neither of them sees that if they're not careful, they'll have no choice but to give up everything . . . including their hearts.
