Farming in Minecraft pocket edition is fun and essential. There are certain crops and items that can only be obtained through farming and these items can help you progress the game in a safer and more efficient way. I've known a lot of people who gave up playing on survival mode because they just can't seem to get the importance of learning the essential farming skills to be self-sufficient. For this reason, I've prepared ultimate guide book on how you can be a professional at farming in Minecraft PE. This will take you through the kinds of crops that can be grown on farms as well as the equipment you'll have to craft to be able to start one.

Because Minecraft is an open world sandbox, each player essentially doesn't have a specific mission except to prosper in the new world. Unlike its PC brethren, Pocket Edition doesn't have the glorious goal of slaying a dragon; hence players can do whatever they want, wherever they want. Inside this guide you will learn all about minecraft pocket edition.

In this book you will learn how to play the game of Minecraft as well as the differences between the PC and Pocket edition. So if you love Minecraft and wish to play it on your mobile device, continue reading to the very end.

This eBook is broken down into 9 sections: First Words, Getting Started, The First Day, The First Night, Day Two, Farming and Defenses, Adventuring, Playing With Friends, Cheat Codes, And MORE!

In the thrilling sequel to the New York Times bestselling novel Minecraft: The Island, a stranded hero stumbles upon another castaway—and discovers that teamwork might just be the secret to survival. Wandering a vast, icy tundra, the explorer has never felt more alone. Is there anything out here? Did I do the right thing by leaving the safety of my island? Should I give up and go back? So many questions, and no time to ponder—not when dark is falling and dangerous mobs are on the horizon. Gurgling zombies and snarling wolves lurk in the night, and they're closing in. With nowhere to hide, the lone traveler flees up a mountain, trapped and out of options . . . until a mysterious figure arrives, fighting off the horde singlehandedly. The unexpected savior is Summer, a fellow castaway and master of survival in these frozen wastes. Excited to find another person in this strange, blocky world, the explorer teams up with Summer, whose impressive mountain fortress as a safe haven . . . for now. But teamwork is a new skill for two people used to working alone. If they want to make it home, they will have to learn to work together—or risk losing everything.

Minecraft seeds are a great way to immerse yourself in the world which can be played by anyone and everybody. Minecraft seeds position the user in charge of what and where they would like to play inside a current world. Minecraft seeds are unique for each edition and version of the game. Differences among consoles are inexistent regarding the seed algorithm. Both Minecraft 1.21 for the PlayStation systems, Minecraft TU30 for Xbox 360 and Minecraft CU18 have interchangeable seeds. These are different from the ones found in Minecraft 1.8.8 for PC as they use the programming language C++ instead of the infamous Java for the RNG. Minecraft PE 0.13.0 is the world in itself. As far as the world generator does not change, the seeds keep being useful after an update. The seeds we share here work for the versions stated above, but may break in the future.

Minecraft can be a dangerous world. Learning about the enemy mobs is a critical component of surviving the game. You can have a great time playing Minecraft without this knowledge, but it is a different story if you try to play on survival mode. Aside from encountering other players, there is a good chance that you can run into certain monsters, which is why it is best to be prepared all the time. We have a lot to tackle including: knowing monsters' weak points to knock them out, where they spawn so that you can avoid passing through such places, their behaviour, what they drop, and, of course, how to counter their attacks. So, just sit back and relax as we discuss these pointers to ensure survival in the harsh lands of Minecraft!

The Colossal Minecraft Building Guide is the perfect companion for anyone looking to buff up their building skills. This guide will show you exactly how to create incredible building interiors, exteriors and it will show you what you NEED to avoid if you ever want to create jaw-dropping structures.

If you're new to Minecraft then you might not know what a seed is. Basically a seed is the code minecraft uses to generate the world. Some seeds make the world look really cool with tall mountains at spawn, huge villages, diamonds under spawn and other cool things. When making a world, you have a choice of putting in random numbers or letters or you can leave the seed and Mncraft will randomly generate the world itself. Sometimes, it can be hard to find a good seed to use especially when you do it on your own. That's why I have created a book of the Top 50 Ultimate Minecraft Pocket Edition Seeds you Must Explore. I hope it helps you enjoy playing Minecraft all the more! This Minecraft Seeds book includes:An explanation of what seeds are and how to input your own. Seeds with diamonds straight at spawn!Crazy land formations!Multiple villages at spawn!And Much Much More!So if you are sick and tired of playing on plain Minecraft worlds and want amazing seeds for Minecraft pocket edition then this is what you need!

Provides readers with tips, techniques, and strategies for Minecraft, including how to understand biomes, explore and trade in villages, mine redstone, and survive hunger through farming and mining.
