In her quest to figure out who she really is and what she really wants, Shabnam looks for help in an unexpected place—her family, and her father's beloved Urdu poetry. *That Thing We Call a Heart* is a funny and fresh story about the importance of love—in all its forms.

"When an animal rights action at a research lab goes wrong, a terrible secret is exposed, and Shay must find her brother Odin before the researchers at Singular Corp can silence both of them"--

From Paralympic ski racer and YouTube star, Josh Sundquist, comes an always-funny (and sometimes-awkward) memoir about teenage misadventures. When I was twenty-five years old, it came to my attention that I had never had a girlfriend. At the time, I was actually under the impression that I was in a relationship, so this bit of news came as something of a shock. Why was Josh still single? To find out, he tracked down each of the girls he had tried to date since middle school and asked them straight up: What went wrong? The results of Josh's semiscientific investigation are in your hands. From a disastrous Putt-Putt date involving a backward prosthetic foot, to his introduction to CFD (Close Fast Dancing), and a misguided "grand gesture" at a Miss America pageant, this story is about looking for love--or at least a girlfriend--in all the wrong places. Poignant, relatable, and totally hilarious, this memoir is for anyone who has ever wondered, "Is there something wrong with me?" (Spoiler Alert: the answer is no.)

The Secret Seven are Peter and his sister Janet, Jack, Colin, George, Pam and Barbara. But no one can enter the shed without whispering the secret password! In their first adventure, the gang are dressed in disguise, following a lead to a spooky old house in the snow . . . Each book features rarely seen bonus Blyton: extra stories, a quiz, additional artwork and insights into Blyton's life and writing process.

For Cricket Thompson, a summer like this one will change everything. A summer spent on Nantucket with her best friend, Jules Clayton, and the indomitable Clayton family. A summer when she'll make the almost unattainable Jay Logan hers. A summer to surpass all dreams. Some of this turns out to be true. Some of it doesn't. When Jules and her family suffer a devastating tragedy that forces the girls apart, Jules becomes a stranger whom Cricket wonders whether she ever really knew. And instead of lying on the beach working on her caramel-colored tan, Cricket is making beds and cleaning bathrooms to support herself in paradise for the summer. But it's the things Cricket hadn't counted on--most of all, falling hard for someone who should be completely off-limits--that turn her dreams into an exhilarating, bittersweet reality. A beautiful future is within her grasp, and Cricket must find the grace to embrace it. If she does, her life could be the perfect shade of Nantucket blue. Read Josh Sundquist's posts on the Penguin Blog. One moment Josh Sundquist was your typical energetic and inquisitive nine year- old boy. The next, his entire life changed when he was diagnosed with Ewing's Sarcoma, a particularly virulent cancer strain that would eventually claim Josh's left leg. Told in a wide-eyed, winning, heartbreaking voice, *Just Don't Fall* is the story of the boy Josh was and of the young man he became. His story begins in a small, close-knit Southern town, where his father-an aspiring pastor questioning his faith, and his mother-- homeschooling an ever- growing brood of children-struggle to make ends meet. Josh journeys through a dizzying array of hospitals and eventually lands at a pivotal place: the nearby mountain, where he makes his first attempt to ski. It is on the slopes, and later, on the race course, that Josh's world bursts wide open in a way no one could have ever anticipated. The inspiration to ski, however, and to become a champion, is not all that Josh has to contend with- there is adolescence to navigate, the transition from homeschool to public high school, and girls. There is an increasingly turbulent and difficult home life, with another cancer scare, a wayward brother, and dwindling finances to pay for training. Finally, there is the wild, bumpy road to the Paralympics in Turin, with a misanthropic coach, training in the Rockies, and a timeless friendship with a charismatic, imposing Brooklyn homeboy named Ralph. Through it all, Josh is forced to question his abilities, his sanity, his will, his faith in himself, and his faith in God. Because of, not despite, these myriad obstacles in his path, Josh is able to achieve a genuine grace: the grace to risk failure and to succeed. It is the grace of a young boy becoming a man and of a champion realizing his greatest dream. Josh Sundquist shows us with charm, humility and remarkable strength that even if we fall, this inner grace can lift us up and carry us over the many mountains we all must face.

"In many ways," Robert J.C. Young writes, "colonization from the very first carried with it the seeds of its own destruction." *Imperial Affliction* examines some ways in which Young's observation could be applied to problems of subjectivity and influence within the colonizing nations themselves, particularly eighteenth-century Britain. How might these "seeds of destruction" manifest themselves as problems of identity? How might the very selves with greatest access to self-affirmation---the idea of the empire, the idea of British citizenry, the idea of the British self---actually find themselves vulnerable, confused, or damaged? Using multiple forms of postcolonial critique, this book turns back to salient eighteenth-century British lives and work for a different kind of enlightenment. Among its central subjects are the elusive subjectivity of William Collins; the exilic religious experience of William Cowper and its multiple readings in the twentieth century by a self-fashioned exilic, Donald Davie; the "missed encounter" between Christopher Smart and Samuel Johnson, and the ways in which that problem was re-inscribed in the work of W. Jackson Bate and Lionel Trilling; the problem of imperial fixity in James Cook's journals with a view to Gray's "Elegy" and Goldsmith's "Deserted Village"; and the problem of purity as a paradoxically privileged and exilic force in the work of John Newton and Christopher Smart. In these explorations, this book illustrates both an expanded view of eighteenth-century colonial liabilities and a new emphasis on postcolonial critique as a means of exploring the fissures always present in imperial ambition.

Perfect for fans of John Green and Becky Albertalli, Neanderthal Opens the Door to the Universe is a "sneakily thought-provoking" and "utterly unforgettable" must-read for every fan of contemporary YA. Cliff Hubbard is a huge loser. Literally. His nickname at Happy Valley High School is Neanderthal because he's so enormous-6'6" and 250 pounds to be exact. He has nobody at school, and life in his trailer-park home has gone from bad to worse ever since his older brother's suicide. There's no one Cliff hates more than the nauseatingly cool quarterback Aaron Zimmerman. Then Aaron returns to school after a near-death experience with a bizarre claim: while he was unconscious he saw God, who gave him a list of things to do to make Happy Valley High suck less. And God said there's only one person who can help: Neanderthal. To his own surprise, Cliff says he's in. As he and Aaron make their way through the List, which involves a vindictive English teacher, a mysterious computer hacker, a decidedly unchristian cult of Jesus Teens, the local drug dealers, and the meanest bully at HVHS, Cliff feels like he's part of something for the first time since losing his brother. But fixing a broken school isn't as simple as it seems, and just when Cliff thinks they've completed the List, he realizes their mission hits closer to home than he ever imagined. Razor sharp, moving, and outrageously funny, Neanderthal Opens the Door to the Universe is an unforgettable story of finding your place in an imperfect world.

The tumors are no longer growing because of an experimental drug, but she will never fully recover. Hazel is watching television when her mother makes her get up and go to her cancer support group. Hazel dislikes the group, but her mother makes her attend because she thinks she needs to socialize more. She arrives just before the group begins. Isaac, her friend, talks about the surgery he will have in a few weeks. He had cancer in one eye and that eye was removed. However, the cancer is now in his other eye and he will have to have that eye removed, as well. As added support, Isaac brought his friend, Augustus Waters, to the support group. Augustus, a very good looking young man, is also a cancer survivor. He had osteosarcoma that required the removal of his leg. After support group, Hazel and Augustus wait outside for her mother. Isaac is with his girlfriend, Monica, making out on the far side of the church. Augustus asks Hazel to come to his house to watch V for Vendetta with him. He thinks she looks like Natalie Portman as she was in that movie. However, Hazel refuses when Augustus pops a cigarette into his mouth until he tells her that it is just a metaphor. She finds it so amusing, the irony of putting something that causes cancer into this mouth but not giving it the power to cause cancer, that she agrees to go to his home. Chapter 2 Augustus is a terrible driver because he cannot feel the gas pedal under his fake leg. Hazel makes him admit the only reason he has a driver's license is because the examiner felt sorry for him. She calls it a Cancer Perk. They share their cancer stories. At Augustus' house, Hazel meets his parents. Then they go downstairs to his bedroom. Augustus tells Hazel that he used to play basketball, but before he was diagnosed he realized it was pointless, the act of constantly throwing a ball into a basket. Then he asks her what she likes to do. She tells him about her favorite book, An Imperial Affliction. He agrees to read it if she will read his favorite book, the Price of Dawn. Augustus and Hazel go into the living room to watch the movie. Hazel thinks the movie is a guy-thing. Augustus drives her home and asks her to call him later. She promises to call when she finishes the book....

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.
