

In Your Closet And In Your Head A Monster Anthology

Let the “Dr. of Closetology” help you organize your closet and your life! For every woman who has ever stared despairingly into her closet, wondering why none of her clothes work, here is the perfect book: uncover who you are on the inside, dress for it on the outside, and bring your closet into harmony with your life! It's 8:00 a.m., and you've got a big day ahead. Face to face with your closet, you pull out the suit that's needed altering for two years, the blouse that doesn't go with anything, and the shoes that...why did you buy them, anyway? With the reject pile rising as fast as your frustration, you shout the lament of women everywhere: “I DON'T HAVE A THING TO WEAR!” Stop the material madness! Let two top fashion experts show you what's really hiding in your closet: a true reflection of your inner self. Now you can -understand your attitudes and beliefs about clothes and shopping -dress for your real life—not the past or the future -identify your fashion persona (hint: it's not what you think!) -avoid impulse buys and other shopping traps -make every item in your closet work for you! Practical and fun, with revealing quizzes and other great tools, *I Don't Have A Thing To Wear* sheds light on the darkest corners of the closet—and lets you shine!

In this funny and imaginative salute to mischievous little kids, a young boy blames mishaps on the dragon in the closet only he can see. The dragon in the closet can be a bit fickle. One minute he's dancing like a goof and being sweet to the little ones, and the next he's sneaking treats out of the cookie jar and leaving dirty footprints on the carpet. The worst part is that after the dragon causes heaps of trouble, he goes invisible and leaves a little boy to answer for all his bad behavior...But did the dragon really do it?

In the beginning there was the fig leaf... and the toga. Crinolines and ruffs. Chain mail and corsets. What do these antiquated items have to do with the oh-so-twenty-first-century skinny jeans, graphic tee, and sexy pumps you slipped into this morning? Everything! Fashion begets fashion, and life—from economics to politics, weather to warfare, practicality to the utterly impractical—is reflected in the styles of any given era, evolving into the threads you buy and wear today. With the candidness, intelligence, and charm that made him a household name on *Project Runway*, Tim Gunn reveals the fascinating story behind each article of clothing dating back to ancient times, in a book that reads like a walking tour from museum to closet with Tim at your side. From Cleopatra's crown to Helen of Troy's sandals, from Queen Victoria's corset to Madonna's cone bra, Dynasty's power suits to Hillary Clinton's pantsuits, Tim Gunn's *Fashion Bible* takes you on a runway-ready journey through the highs and lows of fashion history. Drawing from his exhaustive knowledge and intensive research to offer cutting-edge insights into modern style, Tim explains how the 1960s ruined American underwear, how Beau Brummell created the look men have worn for more than a century, why cargo capri pants are a plague on our nation, and much more. He will make you see your wardrobe in a whole new way. Prepare to be inspired as you change your thinking about the past, present, and future of fashion!

NEW YORK TIMES BESTSELLER • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—*Glamour* (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. *The Home Edit* walks you through paring down your belongings in every room,

arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

Sisters Edna Barnes and Edith Johnson are senior citizens who like to solve mysteries in their own questionable ways. As the widows arrive in Chicago and head to their office, they are more than ready to take on their first official case as licensed private investigators. A short time later their cousin, Elmo Guardini, arrives in their office and asks the newly minted PIs to scrutinize the sleazy security guard who is dating his daughter. After Edna and Edith agree to take on the case and begin their surveillance operation, they find themselves once again immersed in an abundance of criminal activity. In a comical yet dangerous chain of events, the sisters soon find themselves being chased by thugs and taking on murderers, jewel thieves, and strippers—all while attempting to rescue two abused women and uncovering an illegal men's organization. It's just another day in the lives of Edna and Edith, a pair of crime-solving widows who never, ever do anything by the book. In this lighthearted mystery, two elderly private investigators must follow a puzzling trail of clues that leads one of them straight into a coat closet.

Provides advice for women on how to combine and use the clothing they have to provide workable outfits for all seasons and various occasions, care for their clothing, and develop an economical and practical wardrobe.

An accessible field guide to classic menswear and creating your own conscious closet. Dressing well matters and it is easily within the grasp of any man, no matter his age or budget. The problem today is that many men don't know where to turn for help in building a wardrobe. *Ten Garments Every Man Should Own* is a practical and entertaining guide to dressing better by building a classic, sustainable, and ethically minded wardrobe, focused on quality garments. Each chapter covers an essential piece: shirt, jacket, hat, leather shoes, and more. Cutting through the clutter of online "experts" and fashion magazines, this book reveals the truth about what really makes a garment worth investing in and owning — how it is made, how it fits, and how it makes a man look.

Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In *Project 333*, minimalist expert and author of *Soulful Simplicity* Courtney Carver takes a new approach to living simply--starting with your wardrobe. *Project 333* promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of woman who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created *Project 333*. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-

changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

Was that a noise in the closet? Or was it in your head? Nothing is more terrifying than a bump in the night. From the urban myth of The Bunnyman to alien encounters and living machines. Clothing may not be falling out of your closet doors but your closet is a mess. The tops, dresses and pants are mixed together. The bags are below the clothes. The jewelry is hidden amongst the creases of clothing. The shoes are scattered all over the house. There is no order. It may not be horrifyingly but it is definitely disorganized. Locating any piece of clothing or accessory takes hours instead of minutes. This makes the task of getting dresses difficult especially when you are in a hurry. Picture this, you slept through your alarm and you are late for work. You are not the type of person who lays out their clothes for the next day in the night, so you are rushing around trying to get ready. You have to hunt to match the right top with the right bottom. Then you need to locate the right shoes, matching jewelry and accessories. This kind of chaos is the reason that we end up putting on the most accessible pair of shoes or accessories in order to make it to our destination on time. It also leaves the look incomplete despite having the perfect shoes, jewelry or accessories in the closet. What every person needs is a smartly organized closet that makes life easy and efficient. Wouldn't it be nice to have a perfectly arranged closet instead of a disorganized closet? A closet that is not crammed with essentials and indulgences from everyday clothes to frilly fancy accessories. It is possible with a little effort and time. You also need to decide a organization method or pattern to arrange your closet.

Elevate your personal style, trim your belongings, and transform your life, one room at a time, with this visionary lifestyle and home organization book from professional organizing expert, Shira Gill. "Warm, funny, and direct, Shira builds you up while helping you edit down to the best version of yourself."—Stacy London, New York Times bestselling author of *The Truth About Style* As a professional home organizer with clients ranging from students to multi-millionaires, Shira Gill observed that clutter is a universal stress trigger. Over the years she created a signature decluttering and organization process that promotes sustainability, achieves lasting results, and can be applied to anyone, regardless of their space or lifestyle. Rather than imposing strict rules and limitations, Shira redefines minimalism as having the perfect amount of everything—for you—based on your personal values and the limitations of your space. Now, in *Minimalista*, Shira shares her complete toolkit for the first time, built around five key steps: Clarify, Edit, Organize, Elevate, and Maintain. Once you learn the methodology you'll dive into the hands-on work, choose-your-own-adventure style: knock out a room, or even a single drawer; style a bookshelf; donate a sweater. Shira teaches that the most important thing you can do is start, and that small victories, achieved one at a time, will snowball into massive transformation. Broken into small, bite-sized chunks, *Minimalista* makes it clear that if the process is fun and easy to follow, anyone can learn the principles of editing and organization.

I stopped believing in monsters long ago. But I knew I wasn't imagining things when I found one in my kitchen baking muffins. I'd seen him before: lurking in my closet, scaring the crap out of my five-year-old self. Turns out that was a misunderstanding, and now Maurice needs a place to stay. How could I say no? After all, I've always been a magnet for the emotionally needy, and not just in my work as a wedding planner. Being able to sense the feelings of others can be a major pain. Don't get me wrong, I like helping people—and non-people. But this ability has turned me into a gourmet feast for an incubus, a demon that feeds off emotional energy. Now, brides are dropping dead all over town, and my home has become a safe house for the supernatural. I must learn to focus my powers and defeat the demon before he snacks on another innocent woman and comes looking for the main course... 77,000 words

People who shop with no clear idea about what they wear or what's already in their closet frequently end up with a closet full of outdated or ill-fitting clothes they can't wear. Portraits of Lifestyle Dressing: Your Style, Your Closet takes you through the process of determining your style aesthetic and building a wardrobe that fits your lifestyle. Showing you along the way how your closet can become your best friend, and ending the quandary of having lots of clothes and nothing to wear, the book illustrates how to clean out your closet, tailor the clothes you like, and refashion trendy items to fit your style. This handy guide will streamline your shopping habits and your closet, ensuring that the clothes you wear uniquely reflect your style and your life. Suzanne Libfraind runs a wardrobe consulting business in Raleigh, North Carolina. With more than twenty years under her belt discussing, working, and living fashion, she works to find the perfect balance between closet and lifestyle for her clients. The vision for her first book is to pass that knowledge on to readers. She shops locally, utilizes tailors when needed, and keeps her own closet from becoming overstuffed. The author plans to write a second book for people who don't shop, either because they don't like to shop or they find themselves overwhelmed by all the options. Open the door to harmonious, powerful, and positive dressing with a guide that's like The Secret—for your wardrobe. In this groundbreaking how-to book, style

expert George Brescia shows you how to transform yourself from the inside out. More than a style guide, this revolutionary book by a seasoned stylist teaches a method of conscious dressing that begins with a powerful internal change. Instead of just grabbing for whatever's on hand, you'll learn to set your goals for the day, determining how you want to be perceived, and then dress in a way that helps manifest those intentions. *Change Your Clothes, Change Your Life* reveals the true power your clothing has to affect your life, showing how this second skin impacts your job prospects, your romantic life, your income, and even your deepest sense of self. Translating his styling methods into a philosophy anyone can apply on her own, Brescia also delivers tips and tricks of the trade to help convert even the most hapless dresser into a happy and educated shopper. Because the goal is to have you not only looking great, but feeling more confident, too. From major closet overhauls to a whole new philosophy on color, this is a comprehensive manual for anyone who's ever looked at her closet in despair. Accessible, direct, honest, and thought-provoking, *Change Your Clothes, Change Your Life* takes an eye-opening look at the intersection between our clothing and our emotions, hopes, and dreams, showing us how improving our external appearance can have life-changing effects on how we're perceived by others—and more importantly, on how we perceive ourselves.

Most every woman has found herself with a closet full of too many clothes or surrounded by brand-new items that somehow never get worn. Instead she gets stuck wearing the same few familiar pieces from a wardrobe that just doesn't feel "right." Dr. Jennifer Baumgartner argues that all those things are actually manifestations of deeper life issues. What if you could understand your appearance as a representation of your inner unresolved conflicts and then assemble a wardrobe to match the way you wish to be perceived? In this fashion guide that is like no other, Dr. Baumgartner helps readers identify the psychology behind their choices, so they can not only develop a personal style that suits their identity but also make positive changes in all areas of life.

Courtney Carver shows us the power of simplicity to improve our health, build more meaningful relationships, and relieve stress in our professional and personal lives. We are often on a quest for more—we give in to pressure every day to work more, own more, and do more. For Carver, this constant striving had to come to a stop when she was diagnosed with Multiple Sclerosis (MS). Stress was like gasoline on the fire of symptoms, and it became clear that she needed to root out the physical and psychological clutter that were the source of her debt and discontent. In this book, she shows us how to pursue practical minimalism so we can create more with less—more space, more time, and even more love.

Carver invites us to look at the big picture, discover what's most important to us, and reclaim lightness and ease by getting rid of all the excess things.
