Rural Banking engages the attention of the bankers to a great extent. A large number of bankers are involved directly or indirectly in transformation of the rural sector. Hence the importance of rural banking to banks. The book presents different dimensions. This book is a practical handbook that takes the reader through accounting and financial techniques in an easy-to-follow, progressive way. In this new, easy-to-read format, recent and developed concepts are introduced in a non-specialist context, intended for Bank Financial Management has been written keeping in view specific knowledge and skill needs of banking professionals desirous of gaining advanced knowledge of banking. The book deals with four important areas of banking, viz., International Banking, Risk Management, Transformational Leadership in Banking: Challenges of Governance, Leadership and HR in a Digital and Disruptive World by Anil K. Khandelwal offers a roadmap on leadership which is all about converting adversity into an opportunity for transformation. Through an excellent set of articles, case studies and interviews, this book offers a way forward for transformational leadership of the Indian banks. Despite their many achievements, public sector banks continue to face several challenges, such as increasing non-performing assets, depleting market share and low market capitalization. In the context of competition and digitalization requiring new business models, this book argues for a fundamental shift in the structure and process of governance, including board-level autonomy, CEOs tenure and compensation, people process, talent development and building a leadership pipeline, to make banks resilient, strong and future-proof. A must-read for anyone interested in the health of Indian banking.
