Wuthering Heights is Emily Brontë's only novel. Written between October 1845 and June 1846, Wuthering Heights was published in 1847 under the pseudonym "Ellis Bell"; Brontë died the following year, aged 30. Wuthering Heights and Anne Brontë's Agnes Grey were accepted by publisher Thomas Newby before the success of their sister Charlotte's novel, Jane Eyre. After Emily's death, Charlotte edited the manuscript of Wuthering Heights, and arranged for the edited version to be published as a posthumous second edition in 1850.

For fans of Sarah Dessen and Mary H.K. Choi, this lyrical and emotionally driven novel follows Alina, a young aspiring dancer who suffers a devastating injury and must face a world without ballet—as well as the darker side of her former dream. Alina Keeler was destined to dance, but then a terrifying fall shatters her leg—and her dreams of a professional ballet career along with it. After a summer healing (translation: eating vast amounts of Cool Ranch Doritos and binging ballet videos on YouTube), she is forced to trade her pre-professional dance classes for normal high school, where she reluctantly joins the school musical. However, rehearsals offer more than she expected—namely Jude, her annoyingly attractive castmate she just might be falling for. But to move forward, Alina must make peace with her past and face the racism she experienced in the dance industry. She wonders what it means to yearn for ballet—something so beautiful, yet so broken. And as broken as she feels, can she ever open her heart to someone else? Touching, romantic, and peppered with humor, this debut novel explores the tenuousness of perfectionism, the possibilities of change, and the importance of raising your voice.

Comedian and actress Arden Myrin delivers a hilarious and heartfelt memoir about navigating adulthood and her rise on the comedy scene despite an unconventional upbringing. Arden Myrin is the product of not one, but two hasty decisions. Her paternal grandparents ran off and got married twenty-four hours after they met. Arden's parents did one better -- they married on a dare. Growing up in Arden's family, her dad ate nothing but sheet cake, while her mom was busy teaching a Cub Scout troop how to put on a Broadway musical. Oh, and she grew up in a small farm town called Little Compton, Rhode Island. Human population: 3,518. Cow population: 278. General Store: One. Stop Lights: Zero. At nineteen, Arden packed her bags with stars in her eyes and landed at ImprovOlympic in Chicago, where for the first time in her life she felt like she finally made sense. After drinking in as much comedy experience (and Sea Breezes) as she could, Arden got her big break when she was cast on an NBC sitcom. She moved to Los Angeles, knowing no one, and quickly realized she had no clue how to be a fully-grown human adult on her own. How do you date someone and not ruin it? How do you interact with people if you have a teeny bit of social anxiety? How do you stand up for yourself if you're a people pleaser? And most of all, how do you start to believe that you are enough? From small town Rhode Island to accidentally kicking Courteney Cox in the face on a soundstage in Hollywood, Arden's hilarious, inspiring, and honest story shows readers how one totally unconventional upbringing might be the very thing one needs to thrive, all while showing up as your most outrageous, authentic self. Shout out to Little Compton!! Woot Woot!!!

'Cakes, castles and oodles of charm: this book is huge fun and pure escapism' Cathy Bramley  
This political analysis of teen culture examines the historical and ideological development of American youth society, the economic and ideological relationship between television and popular music, and the ideological rivalry between Nickelodeon and Disney. More than mere entertainment, teen sitcoms and pop music portray a complex and often contradictory set of cultural discourses. They engage in a process of ideology marketing and "hip versus square" politics. Case studies include *Saved by the Bell*, Britney Spears, the movie *School of Rock*, early "pop music sitcoms" like *The Monkees* and *The Partridge Family*, and recent staples of teen culture such as *iCarly* and *Hannah Montana*. What is occurring in teen culture has a crucial bearing as
