

Magnus Chase And The Gods Of Asgard Book 3 The Ship Of The Dead

Young Rose discovers magical glass steps in New York's Central Park that lead to the fantastic city of U Nork, whose residents have been awaiting the arrival of the only person who can save them.

For Magnus Chase: Hotel Valhalla Guide to the Norse Worlds will whet readers' appetites for The Hammer of Thor. It is a 176-page, smaller format book with black-and-white illustrations throughout. Helgi - the hotel manager - created this book for each hotel guest, so that he wouldn't have to answer so many questions at the front desk. It has short entries about the deities, mythical beings, and fantastic creatures from the nine Norse worlds, and also contains bonus material, including interviews, newspaper articles, short stories and more. The tone is humorous, complementing Rick's series.

Thor's hammer is missing again. The thunder god has a disturbing habit of misplacing his weapon--the mightiest force in the Nine Worlds. But this time the hammer isn't just lost, it has fallen into enemy hands. If Magnus Chase and his friends can't retrieve the hammer quickly, the mortal worlds will be defenseless against an onslaught of giants. Ragnarok will begin. The Nine Worlds will burn. Unfortunately, the only person who can broker a deal for the hammer's return is the gods' worst enemy, Loki--and the price he wants is very high.

Tak pantas dipilih, tak pantas mati, seorang pahlawan yang tak sanggup diemban Valhalla. Ke timurlah mentari bergerak, sembilan hari lagi, Dan Pedang Musim Panas membebaskan si buas dari belenggunya. Sejak kematian ibundanya oleh si serigala bermata biru, Magnus menggelandang sendirian di jalanan Boston. Dia berusaha bertahan hidup dan melarikan diri dari kejaran polisi dan para pekerja sosial. Hingga suatu hari, seorang pria asing muncul, memberitahukannya sebuah rahasia aneh-Magnus adalah putra Dewa Frey. Magnus sudah sering mengalami hal gila di kesehariannya. Tapi, ternyata, mitos-mitos itu nyata. Sesosok makhluk neraka muncul menyerang Magnus. Ia menginginkan Pedang Musim Panas milik Magnus yang konon bisa mempecepat kiamat Ragnarok. Perjuangan Magnus baru saja dimulai, dan semuanya berawal dengan kematiannya. [Mizan, Noura Books, Novel, Fantasi, Terjemahan, Percy, Dewa, Asgard, Indonesia]

Magnus Chase has always been a troubled kid. Since his mother's mysterious death, he's lived alone on the streets of Boston, surviving by his wits, keeping one step ahead of the police and the truant officers. One day, he's tracked down by an uncle he barely knows—a man his mother claimed was dangerous. Uncle Randolph tells him an impossible secret: Magnus is the son of a Norse god. The Viking myths are true. The gods of Asgard are preparing for war. Trolls, giants and worse monsters are stirring for doomsday. To prevent Ragnarok, Magnus must search the Nine Worlds for a weapon that has been lost for thousands of years. When an attack by fire giants forces him to choose between his own safety and the lives of hundreds of innocents, Magnus makes a fatal decision. Sometimes, the only way to start a new life is to die . . .

Loki the trickster god is free from his chains. Now he's readying Naglfar, the Ship of the Dead, armed with a host of giants and zombies, to sail against the Norse gods and begin the final battle of Ragnarok. It's up to Magnus Chase and his friends to stop Loki's plans, but to do so they will have to sail across the oceans of Midgard, Jotunheim and Niflheim in a desperate race to reach Naglfar before it's ready to sail on Midsummer's Day. Along the way, they will face angry sea gods, hostile giants, and an evil fire-breathing dragon who happens to be a former acquaintance. But Magnus's biggest challenge will be facing his own inner demons. To defeat Loki, Magnus will need to use words, not force. This will require finding a magical elixir so deadly that it will either make Magnus Chase powerful enough to out-talk the silver-tongued Loki, or destroy Magnus utterly.

A decade after the suicide of his troubled daughter, Chadwick takes a job at Cold Springs Academy, a school for wayward teens, where he is asked to kidnap the girl who witnessed his daughter's death and uncovers dark secrets about the long-ago tragedy. "My name is Magnus Chase. Two months ago I died fighting a Fire Giant and woke up in Hotel Valhalla as one of Odin's warriors. Time for a rest? I wish. When I meet Otis, an informant with a lead on Thor's missing hammer, all I get is the name 'Provincetown' before a wolf-masked assassin takes him out and warns me to stay away. Someone really doesn't want me to find the hammer, and even if I could it's rumoured to be underground, guarded by powerful magic. But the giant armies are on the move, preparing to invade. If I don't find it, they'll ravage the Nine Worlds, starting with the streets of Boston. There's just one person who could help. Someone who demands a very high price- the gods' worst enemy, Loki."

So you've made it to Valhalla. Now what? This "who's who" guide to the gods, goddesses, and other important figures of Norse mythology was commissioned by Helgi, who, after more than a millennium as manager of Hotel Valhalla, became fed up with answering the same questions from newly deceased heroes at check-in. The profiles provide essential stats, interviews, and personal reflections so you can identify the gods and avoid those awkward introductions. Handy facts about other beings round out this go-to tome. You'll never see Ratatosk as a cute little rodent or confuse a dwarf with an elf ever again!

Everyone remembers their secret imaginary world...but what if you discovered that yours was real? When Arthur and Rose were little, they were the heroes of Roar, a magical world they invented where the wildest creations of their imaginations roamed. Now that they're eleven, Roar is just a distant memory. But it hasn't forgotten them. When their grandfather is spirited away into Roar by the villain who still haunts their nightmares, Arthur and Rose must go back to the world they'd almost left behind. And when they get there, they discover that Granddad isn't the only one who needs their help. This enchanting, action-packed novel is perfect for readers who've always dreamed of exploring Narnia and Neverland.

Marking the culmination of this exciting trilogy, the hardcover editions of the #1 New York Times best-selling Magnus Chase and the Gods of Asgard books, THE SWORD OF SUMMER, THE HAMMER OF THOR, and THE SHIP OF THE DEAD, are now available together in a stunning slipcase.

Best-selling author Rick Riordan presents a brilliant sci-fi romp with Cuban influence that poses this question: What would you do if you had the power to reach through time and space and retrieve anything you want, including your mother, who is no longer living (in this universe, anyway)? How did a raw chicken get inside Yasmany's locker? When Sal Vidon meets Gabi Real for the first time, it isn't under the best of circumstances. Sal is in the principal's office for the third time in three days, and it's still the first week of school. Gabi, student council president and editor of the school paper, is there to support her friend Yasmany, who just picked a fight with Sal. She is determined to prove that somehow, Sal planted a raw chicken in Yasmany's locker, even though nobody saw him do it and the bloody poultry has since mysteriously disappeared. Sal prides himself on being an excellent magician, but for this sleight of hand, he relied on a talent no one would guess . . . except maybe Gabi, whose sharp eyes never miss a trick. When Gabi learns that he's capable of conjuring things much bigger than a chicken--including his dead mother--and she takes it all in stride, Sal knows that she is someone he can work with. There's only one slight problem: their manipulation of time and space could put the entire universe at risk. A sassy entropy sweeper, a documentary about wedgies, a principal who wears a Venetian bauta mask, and heaping platefuls of Cuban food are just some of the delights that await in his mind-blowing novel gift-wrapped in love and laughter.

"What would happen if you discovered that your family was one of the most powerful in human history? What if you were told that the source of the family's power was hidden around the world in the form of 39 clues? What if you were given a choice: take a million dollars and walk away or get the first clue? If you're Amy and Dan Cahill, you take the clue and begin a very dangerous race."--Back cover.

"Magnus and friends help the god of thunder find his missing weapon before all Muspellheim breaks loose"--

Magnus Chase, a once-homeless teen, is a resident of the Hotel Valhalla and one of Odin's chosen warriors. As the son of Frey, the god of summer, fertility, and health, Magnus isn't naturally inclined to fighting. But he has strong and steadfast friends, including Hearthstone the elf, Blitzen the dwarf, and Samirah the Valkyrie, and together they have achieved brave deeds, such as defeating Fenris Wolf and battling giants for Thor's hammer, Mjolnir. Now Magnus faces his most dangerous trial yet. His cousin, Annabeth, recruits her boyfriend, Percy Jackson, to give Magnus some pointers, but will his training be enough? Loki is free from his chains. He's readying Naglfar, the Ship of the Dead, complete with a host of giants and zombies, to sail against the Asgardian gods and begin the final battle of Ragnarok. It's up to Magnus and his friends to stop him, but to do so they will have to sail across the oceans of Midgard, Jotunheim, and Niflheim in a desperate race to reach Naglfar before it's ready to sail. Along the way, they will face angry sea gods, hostile giants, and an evil fire-breathing dragon. Magnus's biggest challenge will be facing his own inner demons. Does he have what it takes to outwit the wily trickster god?

A New York Times Bestseller Explainer-in-Chief David Macaulay updates the worldwide bestseller The New Way Things Work to capture the latest developments in the technology that most impacts our lives. Famously packed with information on the inner workings of everything from windmills to Wi-Fi, this extraordinary and humorous book both guides readers through the fundamental principles of machines, and shows how the developments of the past are building the world of tomorrow. This sweepingly revised edition embraces all of the latest developments, from touchscreens to 3D printer.

Each scientific principle is brilliantly explained--with the help of a charming, if rather slow-witted, woolly mammoth. An illustrated survey of significant inventions closes the book, along with a glossary of technical terms, and an index. What possible link could there be between zippers and plows, dentist drills and windmills? Parking meters and meat grinders, jumbo jets and jackhammers, remote control and rockets, electric guitars and egg beaters? Macaulay explains them all.

Magnus sudah belajar cara mencemplungkan diri ke laut tanpa perlu mati tenggelam atau menjadi santapan para monster. Dia bahkan belajar dari ahlinya langsung, sang putra Poseidon, Percy Jackson. Berhasil? Tidak juga, karena apa gunanya mempelajari semua itu kalau yang kau hadapi adalah Loki dan ribuan pasukannya yang sudah mati dan kini bangkit lagi? Bahkan. Sebelum terjadi pertarungan akbar, Magnus dan teman-temannya sudah harus menghadapi banyak rintangan. Dari yang gampang: menanggung malu berlayar dengan kapal bercat kuning norak, bertemu sang kakek, Njord, yang tergila-gila pada kakinya sendiri, atau saat Magnus tanpa sengaja menjilat darah yang menetes dari jantung bakar seekor naga [huek!]. hingga yang sulit: mengalahkan sembilan budak raksasa, menghadapi sang majikan raksasa yang mengamuk karena mead-nya dicuri, atau nyaris tewas beku di Niflheim, dunia es dan kabut. Yang paling konyol dari semua itu adalah: Magnus harus menantang Loki duel! Bukan sembarang duel, tapi duel mengejek. Dengan dewa yang etrkenal paling ahli dalam menghina! Namun, demi menangkap Loki kembali dan mencegah kapalnya berlayar untuk memulai Ragnarok, Magnus terpaksa bersedia. Tinggal minum saja mead-nya, dan dia akan berjaya. Ah, masa? Inheritance Varian Johnson explores themes of toxic masculinity and family legacy in this heartfelt, hopeful story of one boy discovering what it really means to be a man. SECRETS ARE ALWAYS A GAMBLE Ten-year-old Anthony Joplin has made it to double digits! Which means he's finally old enough to play in the spades tournament every Joplin Man before him seems to have won. So while Ant's friends are stressing about fifth grade homework and girls, Ant only has one thing on his mind: how he'll measure up to his father's expectations at the card table. Then Ant's best friend gets grounded, and he's forced to find another spades partner. And Shirley, the new girl in his class, isn't exactly who he has in mind. She talks a whole lot of trash -- way more than his old partner. Plus, he's not sure that his father wants him playing with a girl. But she's smart and tough and pretty, and knows every card trick in the book. So Ant decides to join forces with Shirley -- and keep his plans a secret. Only it turns out secrets are another Joplin Man tradition. And his father is hiding one so big it may tear their family apart...

Now available for the first time: all three novels from the amazing Magnus Chase series, collected in one stunning digital edition. My name is Magnus Chase. I'm orphaned and living rough on the streets of Boston. And things are about to get much worse. My day started out normally enough. I was sleeping under a bridge when some guy kicked me awake and said, 'They're after you.' Next thing I know, I'm reunited with my obnoxious uncle, who casually informs me that my long-lost father is a Norse god. And it turns out the gods of Asgard are preparing for war. Apparently, if I can't find the sword my father lost two thousand years ago, there will be doom. Doomsday, to be precise. But first I'm going to die. This is the story of how my life goes downhill from there... Magnus Chase: The Complete Series includes all three novels in the action-packed, electrifying series from Rick Riordan: The Sword of Summer, The Hammer of Thor and The Ship of the Dead

Magnus Chase, a once-homeless teen, is on a death-defying quest across the Norse realms, literally. As a resident of the Hotel Valhalla, this son of the god Frey is now one of Odin's chosen warriors. Magnus and his friends, Hearthstone the elf, Blitzen the dwarf, Samirah the Valkyrie, and other heroic characters must use all their wits and special talents in order to defeat fearsome giants, lethal creatures, and meddling gods in order to stave off Ragnarok. "A whirlwind of myth, action, and wry sarcasm, perfect for readers hungry for a new hit of that Percy Jackson-type magic."--Horn Book
