

Managerial Accounting 13th Edition

Financial and Managerial Accounting has been updated to incorporate detailed information on recent legislation affecting the accounting profession, including the Sarbanes-Oxley Act. The accompanying CD and PowerWeb applications give you greater interaction and continuously updated information.

Much like Ready Notes, this booklet offers a hard-copy version of all of the Teaching Transparencies. Students can annotate the material during the lecture and take notes in the space provided.

Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

Forms for the practical applications described in the text, available separately.
