From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (*The Telegraph*). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —*Criterion*

Andrés Moreno. Sadistic drug lord. My most feared enemy. And my captor. I don't like to be touched. I'm the hacker-geek-goddess of the FBI. He's scarred and scary, and his cruel brother Cristian has tasked him with breaking me. The longer I remain trapped with him, the more I come to suspect that I'm not the only captive in his brother's home. Andrés' scars go deeper than the wicked furrows carved into his flesh, his pain reflected in the dark demands he imposes upon me. His obsession is twisted and wrong, but maybe I'm twisted, too. from him? Or is he the one who truly needs saving?

Through his leading role in the three Superman films, Christopher Reeve became so closely identified with the superhero that he wasn't just seen as the actor who played Superman, he was Superman. Which is why the tragic riding accident which left him paralysed from the neck down shocked the world. Superman was not superhuman. It is also why he is now the world's most recognisable person in a wheelchair. In true superhero style, Christopher Reeve refuses to resign himself to the life of a quadriplegic, and is actively campaigning to raise the profile of spinal-cord injury victims and research. Although he was initially told that he would only ever be able to move his head, he can now shrug his shoulders and breathe alone for increasing periods of time, and is determined that he will walk again. It is this extraordinary courage and determination that has made Christopher Reeve the internationally admired figure that he is, and it is this bravery which makes this autobiography about his paralysis and his journey to recovery such a powerful and moving story.
