A Self-Study Grammar Book for Engineers és un llibre d'autoaprenentatge de la llengua anglesa en l'àmbit de les carreres tècniques i, d'una manera especial, per a l'alumnat universitari dins el camp de les enginyeries. Està dividit en tres mòduls ben diferenciats per a facilitar la seva utilització i ordenar les unitats a estudiar en funció de les necessitats específiques de l'alumne en cada moment. En un primer mòdul s'han inclòs 31 unitats de gramàtica i documents específics amb explicacions i exemples bilingües (en català i en castellà), així com exercicis complementaris i les seves solucions respectives. El segon mòdul conté un total de 13 unitats bàsiques, relacionades amb l'anglès per a finalitats específiques: anglès per a la banca i les finances, anglès comercial, anglès per a la producció i el transport, anglès per a la construcció, etc. També en aquest mòdul s'han afegit 6 unitats extres, molt útils com a referència bàsica i sòlida sobre l'anglès americà i l'anglès britànic, friends and false friends, phrasal verbs i opposites. En el tercer i últim mòdul d'aquest llibre hi ha un apèndix amb material essencial per a l'aprenent avançat de la llengua anglesa, com per exemple: abreviacions típiques angleses, taules de conversió i càlcul, els verbs irregulars anglesos traduïts al català i al castellà, el sistema de puntuació anglès, un quadre sinòptic dels temps verbals en anglès, etc. Al final del llibre s'hi pot trobar la bibliografia i una sèrie de webs i enllaços recomanats per ambdues autores per tal de facilitar el procés d'aprenentatge de l'alumne en l'anglès com a llengua estrangera i per a finalitats específiques.

The Easiest-to-Use, Most Up-to-Date Grammar Workbook for Improving Your Daily Communication The English language is expansive and complex. The rules are always changing, and grammar advice from a century or even a few years ago may not apply today. If you want to communicate with clarity and credibility--if you want people to focus on what you're saying, rather than how you're saying it--then you need to use excellent grammar. Editor, linguistic expert, and self-proclaimed "grammar cheerleader" Lisa McLendon has spent her career finding ways to use language effectively and correctly. Lisa knows that the primary reason people are uneasy about writing and public speaking is because they aren't confident in their grammar skills. With The Perfect English Grammar Workbook Lisa has developed a simple, well-organized grammar workbook that demystifies English grammar so you can use it with confidence and accuracy. In The Perfect English Grammar Workbook you'll find: EASY-TO-FOLLOW

LESSONS organized by how we naturally learn--simple instructions followed by self-directed quizzes RELEVANT, ENGAGING EXAMPLES that demonstrate grammar rules with wit, humor, and contemporary appeal RECENT, UP-TO-DATE RULES based on the English language we use today A WIDE VARIETY OF EXERCISES that make learning fun HELPFUL FEATURES FOR CLASSROOM USE including standalone answer keys for easy photocopying and color-coded pages for quick navigation Finding the best grammar workbook can be difficult. But The Perfect English Grammar Workbook provides everything you need to master the rules of grammar with ease and enjoyment. The Perfect English Grammar Workbook covers all English grammar rules including: Composition \* Parts of Speech \* Sentence Structure \* Verbs \* Determiners \* Nouns \* Adjectives \* Prepositions \* Conjunctions \* Punctuation \* and more.

With more than 50 years of teaching experience between them, Ilse Depraetere and Chad Langford present a grammar pitched precisely at advanced learners of English who need to understand how the English language really works without getting lost in the complex specifics. Now fully updated and revised throughout, the second edition of this book pulls from linguistic theory all the relevant notions that will enable the language student to fully grasp English grammar. After introducing form and function, the authors cover verbs, nouns, aspect and tense, modality and discourse. Readers are led through the underlying principles of language use, with the book presupposing only a basic grasp of linguistic terminology and focusing on the critical issues. Full of challenging exercises and supported by a companion website featuring an extensive answer key, a glossary and further exercises for study, this is the reference grammar of choice for both native and non-native English speakers.

From the introduction: Big Grammar Book is jam-packed from cover to cover with a great selection of photocopyable worksheets taken from the popular EnglishBanana.com website. We wanted to provide teachers with a really useful book of no-nonsense grammar worksheets that they can dip into and use in class with students at Entry Level (ESOL Core Curriculum Entry Levels 1 & 2). It is also ideal for students to work with at home since the answers are all printed at the back.

The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners.

The riveting true story of the women who launched America into space. In the 1940s and 50s, when the newly minted Jet Propulsion Laboratory needed quick-thinking mathematicians to calculate velocities and plot trajectories, they didn't turn to male graduates. Rather, they recruited an elite group of young women who, with only pencil, paper, and mathematical prowess, transformed rocket design, helped bring about the first American satellites, and made the exploration of the solar system possible. For the first time, Rise of the Rocket Girls tells the stories of these women -- known as "human computers" -- who broke the boundaries of both gender and science. Based on extensive research and interviews with all the living members of the team, Rise of the Rocket Girls offers a unique perspective on the role of women in science: both where we've been, and the far reaches of

space to which we're heading. "If Hidden Figures has you itching to learn more about the women who worked in the space program, pick up Nathalia Holt's lively, immensely readable history, *Rise of the Rocket Girls*." -- Entertainment Weekly

A guide to improving your English writing skills, considering grammatical rules and reasoning and covering a range of specific fields of writing.

The present collection of articles represents research efforts in the field of specialised languages, including the analysis of research articles in disciplines as diverse as Biomedicine and Computing, on the one hand, and overlapping disciplines such as in Social Sciences, on the other, all with high relevance to English for Academic Purposes, and English for specific Purposes. The volume offers empirical evidence obtained from corpus-based analyses of language, both from diachronic as well as synchronic perspectives, on topics such as the role of mother tongue in professional writing, the analysis of conference abstracts as a genre, or the analysis of visual data transfer. This collection addresses issues such as the implementation of lexicons for specialised language learning, and the development of ontologies to research language patterns. The volume thus provides a rich repertoire of research methodologies, in-depth analyses of specialised discourses, and the identification and discussion of relevant pedagogic issues. Winner of the 4th Edition of the 'Enrique Alcaraz Research Award'

A comprehensive guide to the grammatical forms, rules and usage patterns of all 12 aspects of the English language, The English Tenses: Practical Grammar Guide is ideal as either an accompaniment to core texts or as a full self-study guide. For English learners of an intermediate level and above, this book introduces the reader to flexible uses of the English tenses, with simple, easy-to-follow explanations and colourful examples. This guide explains the theory behind the grammar of the different aspects of English, as well as the many ways native English speakers adapt the rules. It covers simple, continuous, perfect and perfect continuous forms in the past, present and future, explaining their uses for showing time, emphasis and other purposes. Also covered are the specific applications of bare infinitives, participles and time clauses. Phil Williams, tutor and author of the website "English Lessons Brighton," takes the reader from the past, to present to future, in a friendly, readable style - carefully comparing

the tenses along the way. The book offers valuable advice to guide students towards more natural, and fluent, use of advanced English language. It highlights confusing areas in grammar, and compares individual tenses directly, to show how the rules are applied and can sometimes change.

You have studied English for years, yet you still use the wrong tenses. You've tried many methods but you continue to make tense mistakes. You can read tenses, but when you speak or write, you're unsure of which tense to use. The good news is this is very normal. Ken was once like you, but now he can use the English tenses like a native. Urison is a native English speaker. In this book, Ken and Urison will teach you the secret to learn the English tenses effortlessly, automatically, and permanently; and they'll teach you how to achieve that in just two weeks. In this book, you will: learn the tenses effortlessly, learn the tense automatically, learn the tenses permanently, learn the tenses in 2 weeks, learn the tenses without memorizing the rules, learn to use the tenses like a native, and more. You have studied English for years, yet you still use the wrong tenses. The reason is simple: The learning methods you've used were ineffective. Change your approach now. Learn from an English teacher who has walked in your shoes before and has gotten the results you want. Discover what the secret is and follow the secret to learn the English tenses quickly and effectively for your guaranteed remarkable results!

This is an adaptation of *Essential Grammar in Use* for Thai elementary learners.

*Yesterday's Child* is the gripping and unusual tale of a courageous young man who, as a young boy, suffers the tragic loss of his mother. He then goes to live with his father and step mother in Cape Town. When he reaches adulthood his seemingly brilliant and joyful future is suddenly shattered by startling revelations about his past. He embarks on a voyage into the past, a voyage whose outcome will determine the very essence of his present and his future. First published by CIS in 1992 and then reprinted in 2002, *Yesterday's child* became a best seller in the Jewish world. It is now being republished by the author.

This is the first full-scale reference grammar of Classical Greek in English in a century. The first work of its kind to reflect significant advances in linguistics made in recent decades, it provides students, teachers and academics with a comprehensive yet user-friendly treatment. The chapters on phonology and morphology make full use of insights from comparative and historical linguistics to elucidate complex systems of roots, stems and endings. The syntax offers linguistically up-to-date descriptions of such topics as case usage, tense and aspect, voice, subordinate clauses, infinitives and participles. An innovative section on textual coherence treats particles and word order and discusses several sample passages in detail, demonstrating new ways of approaching Greek texts. Throughout the book numerous original examples are provided, all with translations and often with clarifying notes. Clearly laid-out tables, helpful cross-references and full indexes make this essential resource accessible to users of all levels.

The shortest route to mastering verb conjugations One of the greatest challenges in learning a language is mastering verb conjugations. The books in the unique Language Verb Drill series make it easier than ever for learners to meet that

challenge. Drilling, whether it's for learning a musical instrument, a sport, or a language, is an essential part of a sound education because repeated, concentrated practice makes specialized skills become second nature. Unlike most verb books, which tend to concentrate on tables of conjugations, the books in the Language Verb Drills series allow students to focus exclusively on building mastery of verbs without being distracted by other elements of grammar. Combining the features of a workbook and reference manual, they clearly and systematically explain how a verb system works while providing numerous drills for practice. These revised editions of the popular study guides now include a final review section to reinforce the reader's ability to automatically select the correct verb form.

A quick reference guide to sentence structure and word order in English, ideal for students of English, editors, writers and anyone with an interest in grammar fundamentals.

Aimed at young students, this comprehensive book includes an 'A-Z of Methodology' reference section. The levels 1-4 contain around 80 hours of class work depending on the various options used. The Starter level provides around 40-60 hours of class work.
