keeps his bruised heart beating. With his clan on the brink of starvation and annihilation, Black Richard doesn't believe his life could get worse. Until King David II decides to put an end to the border wars himself, via a marriage between Black Richard and Aeschene MacRay, the daughter of his sworn enemy. The only thing she can hope for is that her vision will miraculously return and she will regain her father's approval. But when news arrives that she is to be married off to the chief of her father's enemy, she has only two choices: put her faith and hope in the monster that is Black Richard MacCullough or remain in the prison her father has created for her. I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ..Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but

we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing. The magnificent story of a writer's lifelong obsession with his city and its football club. When 5-year-old Michael Chaplin landed in a strange city of ships in the late 1950s, he looked in vain for something that would anchor him to it, make him feel at home. Then, one Saturday afternoon, it came: the roar of a crowd, and a football team to support. Young Michael became an avid Newcastle United fan, and has remained one-if sometimes disenchanted-for over sixty years. In this football memoir with a difference, the celebrated playwright and screenwriter tells the story of his six-decade love affair with the club, each chapter recreating an iconic Newcastle match: the players who graced the game, the managers in the dug-out, and the backdrop outside the stadium-both the changing face of Newcastle, and the ups and downs of Michael's own life and career. This vivid, thoughtful and entertaining book is an absolute must-read for all Newcastle United supporters, and indeed-given that the club is often described as everyone's second favourite-for football fans everywhere...

awakening...Through this allegory, discover and explore a key tool of self-awareness --'The Watcher' (witness consciousness)-- for finding peace on your own inner journey and spiritual path. Inspired by the profound wisdom of Michael Singer's *The Untethered Soul*, the author here shares the process of one person's internal struggle to understand--and escape from--the incessant voices of their inner self-critic. Then --moving well beyond the entry point of self-criticism--this simple story delves deeply to explore the very nature of thinking and emotions themselves and our relationship to them as human beings. What is real? What is illusion? Who ARE you? Is it possible to be freed from the "thought maze" that typically entangles a person in their everyday life? Through the protagonist's journey the larger picture of personal identity and its relationship to thoughts and feelings is revealed, as he unknowingly discovers a key tool of self-awareness that the reader will also be able take away for everyday use on their own spiritual path. This transformation evolves over the course of only 24 hours...yet magically, time stretches as the mind of the main character opens and his heart begins to truly flow for the first time. This New Age work falls into the more recently developing genre of Metaphysical & Visionary Fiction. Like James Redfield's *The Celestine Prophecy* and Paulo Coelho's *The Alchemist*, the subtle--yet powerful--unfolding of this allegorical journey will both captivate and inspire you!

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.
