

## New Testament Study Guide Matthew Through Revelation Verse By Verse Chuck W Smith

Foreword by Greg Boyd 2019 Outreach Magazine Resource of the Year: Theology/Biblical Studies Category Many people have questions about Scripture they are too afraid to ask. Are all the stories of the Bible true? What about all the books that got left out? What do we make of all that violence? What do we do when biblical authors seem to disagree? And what if we encounter situations the Bible doesn't address? Drawing from the best of contemporary biblical scholarship and the ancient well of Christian tradition, scholar and preacher Meghan Larissa Good helps readers consider why the Bible matters. Known for presenting complex theological ideas in accessible, engaging ways, Good delves into issues like biblical authority, literary genre, and Christ-centered hermeneutics, and calls readers beyond either knee-jerk biblicism, on the one hand, or skeptical disregard on the other. Instead, *The Bible Unwrapped* invites readers to faithful reading, communal discernment, and deep and transformative wonder about Scripture. Join an honest conversation about the Bible that is spiritually alive and intellectually credible. Read the ancient story of God in the world. You may even learn to love it.

For more than three decades a group of people from the First Christian Reformed Church of Seattle has come together to pray, eat, and the study the Bible. They made their own lessons. The discussion would go deep but then be relieved by a humorous twist that restored perspective. This book is a collection of questions and comments made in the study of the book of Matthew. The questions were most useful if studied before the meeting but-we must confess-we often saw the questions for the first time during the meeting. The questions and comments were compiled by Johanna van Belle. We had to think of a name for the group and came up with SAMOBISTUS (Saturday Morning Bible Students); the name coined at the time that the Sandinistas were active in Central America. Johanna van Belle was born and raised in the Netherlands. She immigrated to Canada in 1958 with her family. She completed two years of medical school at the University of Groningen, completing her medical education at the University of Toronto where she earned her M.D. degree. She practiced college medicine for more that 35 years at Florida State University, Tallahassee and at the University of Washington, Seattle. She currently volunteers at the Puget Sound Christian Clinic in Seattle which serves without charge people who have no medical insurance. She and her husband make their home in Seattle, WA where they have raised five children. She immensely and gratefully enjoys the gift of twelve grown, and growing grandchildren. This is her second book with Xulon Press. Her first book, *Coram Deo: Before the Face of God* appeared in 2009. This book describes the history of her parents as they moved from the Netherlands to Canada. It documents the struggle to remain orthodox in a rapidly changing religious climate. It also gives a glimpse of the many issues faced by an immigrant family when leaving family and homeland behind, entering a new community, interacting with a different culture, and learning a second language. The book celebrates God's providence, his mercy, and grace for those who love Him. All royalties from the book go to Shoreline Christian School in Shoreline, WA ([www.shorelinechristian.org](http://www.shorelinechristian.org)).

This volume offers a compact introduction to one of the most daunting texts in the New Testament. The Letter to the Hebrews has inspired many readers with its encomium to faith, troubled others with its hard sayings on the impossibility of a second repentance, and perplexed still others with its exegetical assumptions and operations drawn from a cultural matrix that is largely alien to modern sensibilities. Long thought to be Paul, the anonymous author of Hebrews exhibits points of continuity with the apostle and other New Testament writers in the letter's (or sermon's) vision of life in the light of the crucified Messiah, but one also finds distinctive perspectives in such areas as Christology, eschatology, and atonement. Gray and Peeler survey the salient historical, social, and rhetorical factors to be considered in the interpretation of this document, as well as its theological, liturgical, and cultural legacy. They invite readers to enter the world of one of the boldest Christian thinkers of the first century.

As Christians, we live busy and harried lives, most often because we are eager and earnest to join with God in His work in the world. In the confusion and sheer volume of opportunities and ideas vying for our attention, we must constantly return to the words of Jesus to find our focus and purpose, for the truths He spoke, when believed and applied, lead to our flourishing. Using parables and stories, Jesus spoke most often of the kingdom of God as what matters--the ways of the kingdom, the values of the kingdom, and the cultivation of the kingdom here on earth in light of its fulfillment in heaven. In other words, the kingdom of God defines who we are and what we do as Christians. Many Christians don't have a working knowledge of the kingdom and their true citizenship in a way that affects their daily lives and decisions. Seek First the Kingdom cuts through the clutter of life with the words of Jesus, urging readers to stop, think, take notice, and reorient themselves solidly around the kingdom. Jesus is the eternal King At first glance, it seems surprising that Jesus would call a man like Matthew to become one of His disciples. As a small-time tax collector, Matthew would have been despised by the Jewish people, who viewed those in the profession as traitors to Rome. But the fact that Matthew was educated, literate, and also familiar with Jewish law and customs made him the ideal candidate to not only accompany Jesus during His earthly ministry but also record all that he witnessed. The result is the Gospel we have today. Matthew shows how Jesus, as the promised Messiah, is worthy of our hope. He shows how Jesus, as the eternal King, is worthy of our complete devotion . . . and our complete submission to Him. The Jeremiah Bible Study Series captures Dr. David Jeremiah's forty-plus years of commitment to teaching the Word of God. In each study, he will help you understand what the Bible says, what it meant to the people at the time it was written, and what it means to you today. Along the way, you will gain insights into the text, identify key stories and themes, and be challenged to apply the truth you find in your life. Are your prayers stuck in a rut? In these Bible studies from Lynne M. Baab you'll find new words and new ways to pray through the prayers of Mary, Simeon and Anna, Peter, Paul, John and Jesus himself. Their words and patterns serve as rich models for us in our own conversations with God, helping us get onto fresh new paths of prayer.
