

Noticer Andy Andrews

Alex Garretty is forced to start over— new town, new school, and new name. This much she knows. It's what she doesn't know that could destroy her. Alex is yanked from her home in the middle of the night. Her entire family is moved across country and given new identities. Just when she thinks it can't get any worse, she meets Daniel— her mysterious, charming classmate. It isn't long before she learns that she isn't the only one keeping a big secret, but Daniel's secret could cost Alex her life. When a visitor from her past arrives in town, Alex must quickly learn who she can trust. As she discovers the truth about her destiny, Alex must find a way to accept it and even more importantly, a way to survive.

Mastering the Seven Decisions guides readers to a profound understanding of how to fully integrate seven life-changing Decisions into their daily lives. The Responsible Decision: The buck stops here. I accept responsibility for my past. I am responsible for my success. I will not let my history control my destiny. The Guided Decision: I will seek wisdom. The Active Decision: I am a person of action. The Certain Decision: I have a decided heart. Criticism, condemnation, and complaint have no power over me. The Joyful Decision: Today I will choose to be happy. The Compassionate Decision: I will greet this day with a forgiving spirit. The Persistent Decision: I will persist without exception. From the author of *The Kid Who Changed the World*, this hilarious rhyming story, complete with charming art, offers comfort to children who often feel left out or are in need of a good friend. At some point, almost every child struggles with feeling like they don't fit in or are left out—just like Henry Hodges. Henry is a lonely little boy on a lonely little street who longs for a friend. One day, his mother and father take him to a pet rescue shelter and his lonely world is changed! Told in a playful rhyme with adorable illustrations, this book will be a favorite among children and parents who love dogs and, ultimately, will comfort and encourage children who struggle with feeling accepted and finding friends. Kids will want to read this whimsical and imaginative story again and again!

A Halloween party isn't a Halloween party without some suitably frightful food to serve up to your friends! *Tricky Treats* is packed with sweet and savoury recipes guaranteed to make your Halloween party a screaming success. This fun and inspiring collection of coven-ready recipes will appeal to friends, friends and family alike. Why not start by serving up some witches' freaky fingers and sausage mummies, followed by bloodstained brains and banana ghosts for some truly gruesome grub? These beastly bites includes many quick and easy makes that are ideal for creating with the help of the little monsters in your house.

If you've ever started your day with Rick and Bubba, you know the unmistakable drawl of those two crazy Alabama boys. What you may not know is that they almost weren't "Rick and Bubba." From their glory days of homemade "radio stations," youthful athletic ambition, and redneck Shakespearean monologues, Rick and Bubba spent decades working out the personalities you hear today on their syndicated morning talk show. Born in a little studio behind a skating rink, *The Rick and Bubba Show* filled the airwaves with a voice never before heard on morning radio. *We Be Big* follows the winding road that led Rick Burgess and Bill "Bubba" Bussey onto the right path after years of missing the off-ramp. Find out how what started as a comedy routine evolved into a genuine conversation that more than 3.5 million people listen in on each week; and learn all the stories behind Rick and Bubba's famous on-air hijinks, times of uncertainty, and unwavering faith in the face of tragedy. Meet the two "sexiest fat men alive," and experience the hilarity and heartbreak of their unforgettable story.

Become an informed, passionate citizen who demands honesty and integrity from our leaders or suffer the consequences of our own ignorance and apathy. In this updated and expanded New York Times bestselling nonpartisan book, Andy Andrews urges you to believe that seeking and discerning the truth really, really matters and that believing lies is the most dangerous thing you can do. You'll be challenged to become a more "careful student" of the past, seeking accurate, factual accounts of events and decisions that illuminate choices you face now. By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945, Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other. He includes several key documents written by our Founding Fathers as examples of America's core principles that present and future leadership should live up to and embrace. We can no longer measure a leader's worth by the yardsticks provided by the left or the right. Instead, we must use an unchanging standard: the pure, unvarnished truth.

When Sierra finds a quilt made by one of her ancestors, she begins to explore the young woman's life and rediscovers her own spirituality.

This thought-provoking guided journal helps readers of all ages to reach their full potential using seven simple keys to success. David Ponder lost his job, his confidence, and his will to live. And just when it seemed that things couldn't get worse, they did—something most of us can relate to at some point in our life. But a divine adventure leads to encounters with seven of history's most inspirational characters—such as Anne Frank, Abraham Lincoln, and Christopher Columbus—leaving a glimpse of life's bigger picture and seven keys with which to confront the future with success. Now in guided journal format, you too can take a closer look at these invaluable revelations for reaching your full potential, no matter the circumstances.

A heartwarming and enlightening collection of advice, wisdom, and practical skills featuring an all-star cast of fathers from the popular online community *Life of Dad*. Becoming a dad gives men a VIP pass into the greatest club on earth: fatherhood. Its rewards are unmatched, its challenges, uncharted. The experience can reach euphoric highs and gut-punching lows. For those moments (and everything in between), *The Life of Dad* has your back. *The Life of Dad* is an all-encompassing, entertaining distillation of the full dad experience, through a collection of interviews, podcasts, online chats, Facebook Lives, and more, dispensing collective wisdom from dads who have been in the trenches. From Shaquille O'Neal explaining how he's taught his kids to be grateful, or Michael Strahan highlighting the importance of

accountability, or Jim Gaffigan discussing the challenges of having a house full of kids, *The Life of Dad* has it all. Including thoughts from Ice Cube, Henry Winkler, Chris Jericho, Denis Leary, Freddie Prinze Jr, Charles Tillman, Mark Feuerstein, and many, many more, you'll find plenty of camaraderie in the hardest—but most rewarding—job of your life!

Who do you want to become? What kind of impact do you want to make—at work, in your community, in the world at large? What is the legacy you want to leave? These are the questions sports agent Kelli Masters asks each one of her players before their professional sports career begins. The first woman ever to represent a Top 5 pick in the NFL Draft, career success is a priority for Kelli—but even more, her agency was founded on helping her clients discover who God really called them to be, finding their true purpose in life beyond the field. Now, in *High-Impact Life*, Kelli brings that same passion to your life, helping you discover what you really need to succeed. Through her own personal story of becoming an agent in a male-dominated field, as well as through practical tips and tools, you'll discover how to see who you truly are, live with significance, and find fulfillment and purpose in your everyday life, starting right where you are now. You are the first, last, and only you to ever exist. God gives each of us special skills, talents, and passions—and our job is to find a way to use them, not just for our own enjoyment but also to serve others, and in doing so, we serve God. *High-Impact Life* will equip you with what you need to turn your passions into a purpose-filled calling.

Scientists are in the business of trying to understand the world. Exploring commonplace phenomena, they have uncovered some of nature's deepest laws. We can in turn apply these laws to our own lives, to better grasp and enhance our performance in daily activities as varied as cooking, home improvement, sports—even dunking a doughnut! This book makes the science of the familiar a key to opening the door for those who want to know what scientists do, why they do it, and how they go about it. Following the routine of a normal day, from coffee and breakfast to shopping, household chores, sports, a drink, supper, and a bath, we see how the seemingly mundane can provide insight into the most profound scientific questions. Some of the topics included are the art and science of dunking; how to boil an egg; how to tally a supermarket bill; the science behind hand tools; catching a ball or throwing a boomerang; the secrets of haute cuisine, bath (or beer) foam; and the physics of sex. Fisher writes with great authority and a light touch, giving us an entertaining and accessible look at the science behind our daily activities.

A compelling and powerful story about a decision one man made more than 100 years ago and the ripple effect it has had on us individually--and nationwide--today inspires courage and wisdom in daily decisions.

This is how it's done. This is why it's done this way. This is the result you can expect if you do it. These three pieces of information inform a conclusion about every part of each of our lives. Yet it is these three pieces of information that most often set an insidious trap—a trap that has held the imaginations of generations captive to the belief that because they are doing the best they can do, they are accomplishing the best that can be done. And while each of these three statements are true, not one of them is the truth. Dive deeper with bestselling author Andy Andrews as he shares his unique philosophy regarding foundational thinking. Through his unique and captivating storytelling, Andy helps you search for the reality that lies beyond the boundaries established in the name of “best practices,” “industry standards,” or “the way things are done.” For it's at the bottom of the pool that you discover a pathway to extraordinary results that most people in your position do not even know are possible.

Before David Ponder ever visited Truman in *The Traveler's Gift*, Michael Holder began his journey as the last young traveler to receive the unique gifts of wisdom offered by historical greats. In his senior year of high school, Michael hits rock bottom. Having been caught in the wrong place at the wrong time, he has now been suspended from the track team and lost his college scholarship. His coach is angry, his parents are disappointed, and he's diving headfirst into a downward spiral. Facing the bleak future ahead, he sees no way out and wonders if life is really worth living. But with some divine intervention, he's given a second chance when he's offered a once-in-a-lifetime journey of discovery. Rewritten to engage the minds of teens and tweens, *The Young Traveler's Gift* is sure to encourage and enlighten young men and women as they prepare to face the journeys that lie ahead.

We say we're free in Christ, but many of us are still living in captivity--to fear, anger, shame, isolation, unforgiveness, and control. We're good at faking it around others, but we're exhausted by the ruse. Andi Andrew wants women to break free of their self-imposed prisons and live the lives that are rightly theirs in Christ. Sharing her own intentional journey of finding true freedom by surrendering control of her heart and life to the God who welcomed her with open arms, Andrew encourages women to give their pain and brokenness to Jesus. She shows them how to purposefully take captive the lies they have believed and replace them with God's truth. Compassionate and biblically based, *She Is Free* is an invitation to women to step fully into the love that sets them free.

Outlines seven key decisions that can determine the amount of success in a person's life, and describes how to properly make these decisions to achieve success.--Publisher's description.

Simple wisdom. Life changing perspective. In this two-book collection, bestselling author Andy Andrews introduces readers to Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, business people on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. Fortunately in *The Noticer*, when things look the darkest, a mysterious man named Jones has a miraculous way of showing up. An elderly man with white hair, of indiscriminate age and race, wearing blue jeans, a white T-shirt and leather flip flops carrying a battered old suitcase, Jones is a unique soul. Communicating what he calls “a little perspective,” he explains that he has been given a gift of noticing things that others miss. “Your time on this earth is a gift to be used wisely,” he says. “Don't squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure . . . and they matter forever.” Jones speaks to that part in everyone that is yearning to understand why things happen and what we can do about it. As the story continues to unfold in *The Noticer Returns*, Jones uses his unique talent of noticing little things that make a big difference. And these “little things” grant people a life-changing gift—perspective. Along the way, families will be united, financial opportunities will be created, and readers will be left with powerfully simple solutions to the everyday problems we all face. What starts as a story of one person's everyday reality unfolds into the extraordinary principles available to anyone looking to create the life for which they were intended.

From New York Times bestselling author Andy Andrews comes the return of one of our favorite fictional characters: Jones, the noticer. A mysterious elderly man with white hair and endless wisdom who always appears to show up exactly when he's needed most. At 3:29 a.m. on May 22, a telephone rings in Orange Beach, Alabama. Breaking the sleepy silence inside the bedroom of New York Times bestselling author Andy Andrews, a hastily whispered message heralds the news that Andy has been waiting on for seven years: Jones is back in town.

Apparently, however, he is also in jail. The old man is tight-lipped about the circumstances surrounding his brief incarceration. After arriving to bail him out, Andy is shocked to discover that his trusted friend has already opened an unusual business in one of the resort town's most high-profile shopping districts. Jones's Five & Dime seems to always have exactly what visitors are looking for, even as their fate steadily becomes entwined with Jones's. As the town moves from spring to summer, a practical joker is becoming bolder and more inventive with every prank that is pulled. Could Jones be behind some of it? Why? And what will happen if he is? What's the truth about that four-hundred-pound table in his Five & Dime? What compels certain people

to gather around it every morning? And why does it look as if every person Jones meets has a secret they will reveal only to him? With rare insight, Andy and Jones take us on a journey that proves the importance of perspective, the power of connection, and the ability we all have to make the impossible come true.

David Ponder is back?and this time, the fate of mankind may be in his hands. With New Bonus Content. This is humanity's last chance. Centuries of greed, pride, and hate have sent humankind hurtling toward disaster, far from our original purpose. There is only one solution that can reset the compass and right the ship, and that answer is only two words. With time running out, it's up to David Ponder and a cast of history's best and brightest minds to uncover this solution before it is too late. The catch? They are allowed only five tries to solve the ominous challenge. Readers first encountered David Ponder in the New York Times bestseller *The Traveler's Gift*. Now, in *The Traveler's Summit*, Andrews combines a riveting narrative with astounding history to show us the one thing we must do when we don't know what to do. Released in a previous edition as *The Final Summit*. "Every generation or so, God produces a person who can communicate like no one else. His words are like cool water to a thirsty civilization. Andy Andrews is one of the best I have ever seen." Zig Ziglar, America's #1 Motivator and Best-Selling Author

Have you ever wondered why we spend so much time and energy thinking about the big challenges in our lives when all the evidence proves it's actually the little things that change everything? That's right... Absolutely everything. New York Times bestselling author Andy Andrews is known for his strong storytelling and unequalled perspective on principles that empower the human mind and spirit. *The Little Things* embodies his own approach to life and work, detailing for the first time some of the exclusive material that he uses to teach and coach some of the most successful corporations, teams, and individuals around the world. In his unique humorous style, Andy shows how people succeed by actually going against the modern adage, "don't sweat the small stuff". By contrast, Andy proves that it is in concentrating on the smaller things that we add value and margin. "In a world where so many feel powerless, wouldn't it be great to feel in control? Then know this. Perspective can be more important than basic answers. "I am more passionate than ever about my search to notice that one thing . . . that one tiny thing that, when understood and harnessed, allows us to create a life of extraordinary purpose and powerful results. It's less about drive and will power than it is about understanding certain principles and why they work . . . every time. Andrews provides common-sense perspective and a game plan for meeting various challenges, such as: Managing life in a society that seems to be constantly offended by something or someone Creating change that is permanent and not short term Dramatically increasing results by harnessing the fraction of margin between second place and first Understanding our spiritual connection with God and how that affects planning and outcome Identifying the very moment when asking the question why? multiplies the success of an endeavor Recognizing the smallest details that ensure the greatest success

We spend so much time thinking about the big challenges in our lives when it s actually the little things that change absolutely everything."

*Coming Soon the Continuation of David Ponder's Story in *The Traveler's Summit** What makes the difference between failure and success? A New York Times, Wall Street Journal, USA Today, and Publisher's Weekly bestseller, *The Traveler's Gift* offered a modern-day parable of one man's choices. Only a few months ago, David Ponder was a successful executive. Now he's a desperate man. In times of great uncertainty, we need divine wisdom. Many of the greatest minds in history overcame personal struggles and adversity, and they emerged the stronger for it. What guidance would iconic heroes, such as Abraham Lincoln, King Solomon, and Anne Frank, give us today in our ever-changing climate of world events? Join David Ponder in *The Traveler's Summit* on his incredible journey to discover the Seven Decisions for Success that can turn any life around, no matter how hopeless a situation may seem. *The Traveler's Gift* became required reading for some of America's high schools and a "life skills" tool for members of several college sports teams as well as some MLB and NFL franchises. Discover with David Ponder that attitude makes the difference between success and failure.

"A collection of 27 of the best stories that Andy [Andrews] wrote for Country America magazine" -- Cover.

Baseball, Boys, and Bad Words reveals the hilarity and magic of Little League baseball. Often called "the funniest tale ever told," this story will have you laughing until you cry, while warming your soul, reminding you of childhood and a simpler time. In 1970, eleven-year-old Andy Andrews and a group of friends began a Little League season they would never forget. All the usual ingredients were there—well-worn gloves, freshly cut grass, and new uniforms. But the addition of a coach who was "new to the area" is what made this season truly unforgettable for young Andy. Baseball fans and both current and former Little Leaguers will love the funny story, the age-old baseball wisdom quoted from some of the game's greatest players, and the vintage baseball photography.

. A work of both scholarship and imagination. *The Lost Choice* is a legend of personal discovery—a reminder of the opportunities we each are given. When a young boy finds a mysterious object in the creek near his home, it starts a series of events that could change the world—again. Many search for the ancient relic's secret, but few find its truer purpose. What choices will each make—or lose?

While digging up a withering wax myrtle tree beside his waterfront home on the Gulf coast, author Andy Andrews unearths a rusted metal container filled with Nazi artifacts and begins an intriguing investigation that unlocks an unspoken past that took place in his backyard . . . literally In the summer of 1942, as the country gears up for a full-scale commitment to WWII, German subs are dispatched to the Gulf of Mexico to sink U.S. vessels carrying goods and fuel for the war. While taking a late-night walk along the coastline, Helen Mason—recently widowed by the realities of war—discovers the near-lifeless body of a German sailor. Enraged at the site of Josef Landermann's uniform, Helen is prepared to leave the lieutenant to die when an unusual phrase, faintly uttered, changes her mind. Set in a period simmering with anger and suspicion, *Island of Saints* offers the very real chronicle of a small town preparing itself for the worst the world has to offer. As cargo from torpedoed ships begins to wash up on the beach, Josef and Helen must reconcile their pasts in order to create a future. Blending his unique style of historical accuracy with unparalleled storytelling, New York Times best-selling author Andy Andrews offers a tale of war, faith, and forgiveness—illuminating the one principle that frees the human spirit. Overthinking isn't a personality trait. It's the sneakiest form of fear. It steals time, creativity, and goals. It's the most expensive, least productive thing companies invest in without even knowing it. And it's an epidemic. When New York Times bestselling author Jon Acuff changed his life by transforming his overthinking, he wondered if other people might benefit from what he

discovered. He commissioned a research study to ask 10,000 people if they struggle with overthinking too, and 99.5 percent said, "Yes!" The good news is that in Soundtracks, Acuff offers a proven plan to change overthinking from a super problem into a superpower. When we don't control our thoughts, our thoughts control us. If our days are full of broken soundtracks, thoughts are our worst enemy, holding us back from the things we really want. But the solution to overthinking isn't to stop thinking. The solution is running our brains with better soundtracks. Once we learn how to choose our soundtracks, thoughts become our best friend, propelling us toward our goals. If you want to tap into the surprising power of overthinking and give your dreams more time and creativity, learn how to DJ the soundtracks that define you. If you can worry, you can wonder. If you can doubt, you can dominate. If you can spin, you can soar.

In Travelers Gift, this unique blend of fiction, history, allegory, and inspiration shares the story of one man who has lost his will to live. But an encounter with seven of history's most inspirational characters, among them Anne Frank and Abraham Lincoln, leaves him with seven bits of wisdom with which to confront his future. In Mastering the Seven Decisions, Andrews guides readers to a profound understanding of how to fully integrate seven life-changing decisions into their daily lives.

A unique blend of historical fact and engaging fiction showing the power of forgiveness. While digging up a withering wax myrtle tree beside his waterfront home on the Gulf coast, author Andy Andrews unearths a rusted metal container filled with Nazi artifacts and begins an intriguing investigation that unlocks an unspoken past that took place in his backyard . . . literally. In 1942, as the country gears up for a full-scale commitment to WWII, German subs are dispatched to the Gulf of Mexico to sink U.S. vessels carrying goods and fuel. While taking a late-night walk, Helen Mason-widowed by war-discovers the near-lifeless body of a German sailor. Enraged at the site of Josef Landermann's uniform, Helen is prepared to leave him to die when an unusual phrase, faintly uttered, changes her mind. Set in a period simmering with anger and suspicion The Heart Mender offers the very real chronicle of a small town preparing itself for the worst the world has to offer. As cargo from torpedoed ships begins to wash up on the beach, Josef and Helen must reconcile their pasts to create a future. Blending his unique style of historical accuracy with unparalleled storytelling, New York Times best-selling author Andy Andrews offers a tale of war, faith, and forgiveness illuminating the one principle that frees the human spirit. Previously released as Island of Saints, this new edition includes a reader's guide and a "Where Are They Now?" update on the real-life characters.

Read Beth Hoffman's blogs and other content on the Penguin Community. Steel Magnolias meets The Help in this Southern debut novel sparkling with humor, heart, and feminine wisdom Twelve-year-old CeeCee Honeycutt is in trouble. For years, she has been the caretaker of her psychotic mother, Camille-the tiara-toting, lipstick-smearing laughingstock of an entire town-a woman trapped in her long-ago moment of glory as the 1951 Vidalia Onion Queen. But when Camille is hit by a truck and killed, CeeCee is left to fend for herself. To the rescue comes her previously unknown great-aunt, Tootie Caldwell. In her vintage Packard convertible, Tootie whisks CeeCee away to Savannah's perfumed world of prosperity and Southern eccentricity, a world that seems to be run entirely by women. From the exotic Miz Thelma Rae Goodpepper, who bathes in her backyard bathtub and uses garden slugs as her secret weapons, to Tootie's all-knowing housekeeper, Oletta Jones, to Violene Hobbs, who entertains a local police officer in her canary-yellow peignoir, the women of Gaston Street keep CeeCee entertained and enthralled for an entire summer. Laugh-out-loud funny and deeply touching, Beth Hoffman's sparkling debut is, as Kristin Hannah says, "packed full of Southern charm, strong women, wacky humor, and good old-fashioned heart." It is a novel that explores the indomitable strengths of female friendship and gives us the story of a young girl who loses one mother and finds many others. Watch a Video

Perspective is a powerful thing. Andy Andrews has spent the past five years doing a double take at every white-haired old man he sees, hoping to have just one more conversation with the person to whom he owes his life. Through a chance encounter at a local bookstore, Andy is reunited with the man who changed everything for him – Jones, also known as “The Noticer.” As the story unfolds, Jones uses his unique talent of noticing little things that make a big difference. And these “little things” grant the people of Fairhope, Alabama, a life-changing gift - perspective. Along the way, families will be united, financial opportunities will be created, and readers will be left with powerfully simple solutions to the everyday problems we all face. Through the lens of a parenting class at the Grand Hotel in Point Clear, Alabama, Jones guides a seemingly random group to ask specific questions inspired by his curious advice that “You can’t believe everything you think.” Those questions lead to answers for which people have been searching for centuries: How do we begin to change the culture in which we live? What is the key to creating a life of success and value? What if what we think is the end...is only the beginning? What starts as a story of one person's everyday reality unfolds into the extraordinary principles available to anyone looking to create the life for which they were intended.

CLICK HERE to download the first chapter from Psychovertical Psychovertical is the story of what happens to a nice lower-class kid with dyslexia who gains control over his circumstances by clinging to giant stone faces, thousands of feet in the air, for days at a time. In this case, Kirkpatrick uses his 12-day solo climb of the Reticent Wall on California's El Capitan as the experience that helps him understand how growing up poor and struggling with dyslexia and low self-confidence set him on a path of extreme adventure. Kirkpatrick's writing is gripping and highly entertaining -- even non-climbers will enjoy his raw intensity, gallows humor, and honest, self-deprecating storytelling style. This book is a Boardman-Tasker Prize winner, which is recognition given for outstanding mountaineering literature. From the judges' remarks: “The book is very cleverly structured...The cuts from scene to scene and climb to climb work wonderfully well -- a sort of mountaineering Day of The Jackal -- as Kirkpatrick comes closer and closer to his nemesis on Reticent Wall. And it is this climb, the running narrative of the book, that grips the most: 14 pitches of aid climbing, unrelieved by conversation with a partner other than himself, should by rights be boring. But it grips the heart further and further.”

Long before Superman or Batman made their first appearances, there was Zorro. Born on the pages of the pulps in 1919, Zorro fenced his way through the American popular imagination, carving his signature letter Z into the flesh of evildoers in Old Spanish California. Zorro is the original caped crusader, the first hero to have a band called the Avengers, and the character who laid the blueprint for the modern American superhero: the mask, the alter-ego, extraordinary physical skills, and a struggle against arch-villains. Famed comics pioneer Bob Kane even wrote that &“Zorro was a major influence on my creation of Batman.&” In Zorro's Shadow, historian and Latin American studies expert Stephen J. C. Andes investigates the legends behind the mask of Zorro, revealing that the origin of America's first superhero lies in Latinx history and experience. Andes begins his investigation in Mexico City at a statue of William Lamport, the so-called &“Irish Zorro,&” who was burned at the stake by the Mexican Inquisition. There, he discovers new

documents at the Mexican National Archives and travels to the Sonoran desert to find the birthplace of Joaquín Murrieta, a California Gold Rush bandit who many claim inspired the creation of Zorro. Based on the never-before-seen letters of Zorro creator Johnston McCulley, Andes describes how the legends around Lamport and Murrieta influenced the development of the masked hero in black, and further, how Zorro went from a real life Mexican bandido to a distinctly white, aristocratic hero. Revealing the length of Zorro's shadow on the superhero genre is a reclamation of the legend of Zorro for a multiethnic and multicultural America.

Ultimately, the direction of your life is up to one person: you. No matter our circumstances, we each can experience a “perfect moment” every week: a moment we realize that something is the best it could possibly be. But how many of these moments do we let pass by without a second thought? According to bestselling author Andy Andrews, the key to cultivating the perfect moment is all about perspective—and you can create these events in your life by taking small steps toward intentional living each day. Part poignant narrative, part interactive learning tool, *The Perfect Moment* shows you how to become grateful for the little things you have overlooked for too long so that you'll never miss another perfect moment again!

Speaker and New York Times best-selling author Andy Andrews shares a compelling and powerful story about a decision one man made over a hundred years ago, and the ripple effect it's had on us individually, and nationwide, today. It's a story that will inspire courage and wisdom in the decisions we make, as well as affect the way we treat others through our lifetime. Andrews speaks over 100 times a year, and *The Butterfly Effect* is his #1 most requested story.

Building a successful company and career doesn't mean sacrificing your family, health, or life. You check email the moment you lift your head off the pillow in the morning. You bring work with you on vacation, sneak glances at your smart phone during family dinners, and take business calls and texts at your kid's sports games. It's as if you've been forced to make a choice between your company or your life, sacrificing time for yourself and family for the sake of career success. But it doesn't have to be that way. The most successful business leaders have learned to bust through the direct one-to-one relationship between hours worked and value created by refocusing their company, department, or team's best talent and attention on their highest value activities—generating hundreds, even thousands, of hours of value in the process. In *The Freedom Formula*, Wall Street Journal bestselling author and successful entrepreneur David Finkel will help you operationalize working smarter. No fluff, no theory, Finkel shares the detailed blueprint to create maximum value for your company without working nights, weekends, or while on "vacation." You'll learn: • Why working longer and harder doesn't pay off (and what actually does) • Why the 80-20 principle doesn't go far enough (and how to take it to its most productive extreme) • How to escape the Time and Effort Economy • How to structure your day and week so that you reclaim five or more hours each week in usable blocks of your best time • How to leverage the five Freedom Accelerators to get your life back faster And much more! Whether you're a business owner, top executive, key manager—or aspire to be one—*The Freedom Formula* offers a radical new approach to structuring your time and priorities (and your team's) in order to reclaim hours of your day—and the freedom to live your life, not just your job.

David Ponder is back—and this time, the fate of mankind may be in his hands. This is humanity's last chance. Centuries of greed, pride, and hate have sent mankind hurtling toward disaster, and far from its original purpose. There is only one solution that can reset the compass and right the ship—and that answer is only two words. With time running out, it is up to David Ponder and a cast of history's best and brightest minds to uncover this solution before it is too late. The catch? They are allowed only five tries to solve the ominous challenge. Readers first encountered David Ponder in the New York Times bestseller *The Traveler's Gift*. Now, in *The Final Summit*, Andrews combines a riveting narrative with astounding history in order to show us the one thing we must do when we don't know what to do. “Every generation or so, God produces a person who can communicate like no one else. Lewis, Alfred Hitchcock, and Tony Robbins? *The Final Summit* is a unique and powerful blend of mystery and suspense and principles and emotional fire. Wow! Bring your highlighter to this party. You'll want to remember every word!” —Hal Sutton, PGA Champion

A New York Times Bestseller Your chance to regroup, take a breath, and begin your life again awaits in the simple wisdom and heartwarming story of a man named Jones. Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, business people on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. Fortunately, when things look the darkest, a mysterious man named Jones has a miraculous way of showing up. Communicating what he calls “a little perspective,” he explains that he has been given a gift of noticing things that others miss. “Your time on this earth is a gift to be used wisely,” he says. “Don't squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure...and they matter forever.” The Noticer will provide you with: A better understanding of life's challenges and proper perspective for tackling them. Practical yet powerful methods of motivation, encouragement, and resolve for those who have been dealt “the bad hand.” A fresh and insightful perspective on how people can change their view of the world, find strength, and move beyond their problems. The story of Jones continues in *The Noticer Returns*, available now and *Just Jones*, releasing September 8th, 2020.

Did you know that what you do today can change the world forever? *The Boy Who Changed the World* opens with a young Norman Borlaug playing in his family's cornfields with his sisters. One day, Norman would grow up and use his knowledge of agriculture to save the lives of two billion people. Two billion! Norman changed the world! Or was it Henry Wallace who changed the world? Or maybe it was George Washington Carver? This engaging story reveals the incredible truth that everything we do matters! Based on The

Butterfly Effect, Andy's timeless tale shows children that even the smallest of our actions can affect all of humanity. The book is beautifully illustrated and shares the stories of Nobel Laureate Norman Borlaug, Vice President Henry Wallace, Inventor George Washington Carver, and Farmer Moses Carver. Through the stories of each, a different butterfly will appear. The book will end with a flourish of butterflies and a charge to the child that they, too, can be the boy or girl who changes the world.
