This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that effects only inner change. While magick can and should be both of these, it is something more. *The Sorcerer's Secrets* is about success in practical magick; it is a book that aims at change in both the outer and inner worlds. Beyond a mere spell book or training course, *The Sorcerer's Secrets* is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick. The second part presents clear strategies for tackling almost any type of issue with sorcery. In this book you will learn how to: Attack problems from multiple angles, not just by casting a spell. Blend mundane and magickal action to ensure success. Figure out whether what you are doing is working. Fix it if it isn't. Go beyond readings, into magickal intelligence-gathering. Influence the minds of other people. Work most effectively on behalf of others. *The Sorcerer's Secrets* will help rescue the art of Magick from those who have ignored, downplayed, or just outright denied the existence of practical sorcery in favor of arcane titles, intangible results, and fantasy attainments.

Gas prices, traffic. "Fresh" produce, "wholesome" food. Your boss. Your former boss. Your coworkers. Your crush. Doctors. Customer service. Who can you call to get that monkey off your back? You can't call anyone because they won't return your calls. Isn't it time to have a little ammo of your own? Here you go: fifty custom maledictions for situations you run into every day, and for people you know and wish you didn't. In step-by-step, user-friendly detail, *The Little Book of Curses* puts the power back in your hands. Learn how to place spells, incantations, hexes, and more. Authentic, ancient curses from around the world are tweaked for easy, contemporary use. The book covers the four essentials to practicing any kind of magic: what to do and say, what materials to use, what frame of mind to be in, and what limits to set. In some cases it even matters where you are when you set your curse, what time of day it is, and who's around. All that is here, too. It's foolproof!

You could be the target of a spell or curse and not even know it! All people, witches or not, are susceptible to these attacks. The difference: witches and magicians can do something about it. Now you can too. *Protection & Reversal Magick* is a complete how-to manual on preventing, defending, and reversing magickal attacks of any kind. You will

learn to: Set up early-warning systems. Appease angry spirits through offerings. Perform daily banishings and make amulets that will prevent most attacks. Make magickal "decoys" to absorb attacks against you. Summon guardian spirits or gods for help. Bind, confuse, or expel a persistent enemy who will not leave you be. These techniques aren't just for Wiccans, either, but for ceremonial magicians, rootdoctors, witches, and anyone else who puts magick to a practical use. Like the cunning men and women of old, now you can defend yourself and your loved ones against even the strongest attacks!

Keep yourself, your friends, and your family safe from harm with these spells that ensure strong emotional and magical boundaries. Renowned author Cassandra Eason covers every possible situation, from the inadvertent absorption of a fellow commuter's sadness to an outright psychic attack. Protect yourself from social media bullying and workplace ill will; your possessions from theft and natural disaster; your pets from illness and harm; and much more!

Six Ways is a handbook of magic and sorcery, rooted in witchcraft, folk magic, chaos magic, and animist spirit work. Subjects covered include sigils, servitors, meditation, trance, spiritual cleansing, warding, dream sorcery, candle magic, talismanic magic, and tending to the spirit ecologies we live with and in. Six Ways looks at how and why to build relationships in all of the worlds, manifest and unmanifest (what Wachter calls the Field) that allow us to perform effective magic. Effective magic is magic that changes us at the mind, soul, and spirit levels while improving our real-world circumstances. The focus is on finding pathways to the Otherworlds and building symbiotic relationships with the Others (the spirits and allies) that dwell there. Sorcery then becomes the practice of working within those relationships to effect the changes we seek in our lives.

In *The Witch's Book of Spirits*, Devin Hunter invites you to perform rituals and magic with spirit guides, familiars, angels, the deceased, faeries, and demons. Develop and enhance your relationships to your allies in spirit through soul flight, mediumship, and conjuration. Explore the inner workings of the Witch's Tree as well as the planes and peoples who dwell in its many layers. Expand the scope of your magic with the 33 Spirits, a system transmitted to the author by a special priesthood of spirits, his familiar, Malach, and the goddess Hecate. Working with spirits is the cornerstone of the witch's art. This book shows you how to stay in control as you increase your witch power and deepen your connection to forces seen and unseen. Praise: "Devin covers in depth an elusive side of witchcraft that few have explored in great practical detail...Devin presents the material in a very grounded, no-nonsense approach paired with an inherent sense of responsibility. His understanding of mediumship, conjuring, flying, and working with the spirit world displays the truth that he not only talks the talk, but also walks the walk."—Laura Tempest Zakroff, author of *Sigil Witchery* "The Witch's Book of Spirits is the most complete book on working with the dead ever written for Witches, but it's more than a manual for communicating with souls of the departed. It's also a guide to the worlds which generally lay just outside of our grasp and a thorough look at the beings that live there. I'd also like to add that it's just a damn fine book about witchcraft, filled with advice and some much-needed common sense."—Jason Mankey, author of *The Witch's Book of Shadows* "Teaching an art requires a delicate brew of guidance, cautions, and encouragement; Devin Hunter's book hits the right recipe. The Witch's Book of Spirits is a book that captures the author's personal vision and process while providing systems and frameworks that can serve the reader in developing their own way with the spirits."—Ivo Dominguez, Jr., author of *Practical Astrology for Witches and Pagans* "In this book Devin gives not just the

rituals necessary to conjure and communicate with spirits, but the tools for building life with them. He uses a method of teaching that alternates between supplying theory and principals that can be applied by almost anyone, with very specific rituals that he has received from the spirits himself. The result is a text that you will return to over and over again whether you are working his rites or developing your own."—Jason Miller, author of The Sorcerer's Secrets
