This book will set you free in the name of Jesus. All you have to do is believe!

Of all the books on the often misunderstood concept of co-dependence, this is probably the clearest, most complete and informative. Charles Whitfield is a frontline clinician who has been assisting co-dependents in their healing for over twenty years. He has researched the literature on co-dependence, which he summarizes in this widely read book. He sees co-dependence as a way to more accurately describe the painful and confusing part of the human condition. In careful detail he describes just what co-dependence is and what it is not, how it comes about, and how to heal its painful aftereffects.

A vital tool for these über transformational times, Word Up: Little Language Hacks for Big Change (previously published as The New P. “A rich, sensual, bewitching adventure of good vs. evil with love as the prize.”

~Publisher's Weekly on ETERNITY 300 years ago, Raven St. James was hanged for witchcraft. But she revives among the dead to find herself alive. She is an Immortal High Witch, one of the light. A note from her mother warns that there are others, those of the Dark, who preserve their own lives by taking the hearts of those like her. Duncan Wallace's forbidden love for the secretive lass costs him his life. 300 years later, he loves her again, tormented by hazy memories of a past that can't be real. She tells him of another lifetime, claims to be immortal. Though he knows she's deluded, he can't stay away. And the Dark Witch after her heart is far closer than either of them know. If you liked the TV Series HIGHLANDER, you will LOVE this series. Don't miss Book 2, INFINITY. “A hauntingly beautiful story of a love that endures through time itself.”

~New York Times Bestselling Author, Kay Hooper “This captivating story of a love that reaches across the centuries, becomes as immortal as the lover's themselves, resonates with timeless passion, powerful magic, and haunting heartbreak.”

Soul-Centered Astrology is a groundbreaking sourcebook. Influenced by Theosophical philosophy, Alice Bailey, and the Ancient Wisdom Teachings, Alan Oken describes the

evolutionary process of spiritual self-development with the twelve astrological signs and their soulcentered planetary rulers and the esoteric significance of the planets in the signs. The book features an elevation of the spiritual importance of the ascendant, the incarnational relevance of cardinal, fixed, and mutable crosses, and the correlation between astrology and the Seven Rays. Revealing the soul's path to inner enlightenment and outer fulfillment, it offers a complete course for the serious student of the stars that encompasses and goes beyond birth signs and natal charts. Geared to the student traversing a spiritual path, Alan Oken teaches the secrets of Esoteric Astrology that have been a focus of study for mystics and initiates throughout the ages. "Knowledge held within is dead knowledge. Share it with others, and then it is resurrected." These are words that Apostle Dr. Muriel Avant Fuqua lives by. Though, throughout her life, there have been plenty of things she'd rather have kept silent about, she has learned, firsthand, that it is these very traumas that must be brought into the light so their power can be broken and healing can begin. A shining example of the necessity to speak out—and a cautionary tale about the harm and dysfunction that results from silence—this empowering memoir is about overcoming the debilitating pain of abuse and infidelity through the healing power of a loving God. At the same time, Dr. Fuqua's debut book serves as an excellent educational source on the challenging issues of women in ministry and church hurt. Over the years, Dr. Fuqua has experienced more than her fair share of pain, but she has also discovered the amazing truth that God can truly renew brokenness. And her life, her marriage, and her church all declare the good news. Discover for yourself the peace of Christ, as you learn from her story how you, too, can step into the light and wrap your pain in the glory of God. *Rising Above the Ashes* will compassionately guide you through your grief and help you to identify what brings you joy. You will learn how to grieve your loss—whether it's of a loved one, your beloved family pet, a business relationship, or big job or client—and identify and reignite your joy. You will also learn that grief doesn't define who you are. This book will help you to grieve on your own terms—to cry through it, lift you up, and reignite your passion for life. If you're willing to do the work to heal, there will be joy after all of this overwhelm and chaos. If you're ready to get out of the overwhelm you may be experiencing and begin the journey to healing your broken heart, this book is for you.

*Beyond the Violation of the Self: Getting Your Soul Right* is an extraordinary labor of love that is the result of 20 years of case studies by William M. Jump, a clinical psychotherapist/hypnotherapist who specializes in working with individuals suffering from long-standing symptoms and manifestations as a result of childhood traumas. While treating his patients with hypnosis, the author uncovered a world of non-physical helpers who have emerged from his clients to teach and guide him through their individual healing processes. *Beyond the Violation* provides numerous examples as well as an in depth case study of one such patient, in addition to a ground breaking interview between the author and one of his patient's primary helpers. Through these unique experiences, the author makes a strong case for a much needed paradigm shift in the mental health field in order to combine the deepest understanding of psychological healing with the belief that healing is also done on the soul level. As we have

seen medical doctors embrace alternative healing modalities to better treat their patients, so must mental health practitioners to achieve psychological healing and spiritual growth.

What holds the world together at its innermost core, is – according to this detailed and deeply researched book - the magnetism that dwells in everything that exists. Magnetic fields are the link between different dimensions and planes of creation, on both a large and a small scale. How all of the knowledge that is presented here in such an easily understandable fashion can be applied in practice even by absolute beginners is detailed in this book very impressively, using a very practical approach to the topic. She writes how the ethereal bodies are interwoven with the material one and how therapeutic magnetism works in practice. By following precise directions for exercises in this book you will learn how to return the magnetic fields of a human being to their natural balance simply by laying on of hands. The techniques described will enable the self-regulating forces in your organism to be able to take effect again.

This is an account of one of life's most painful experiences--the sudden death of a child. A mother's anguish compels her to examine beliefs about what comes after death and to explore ancient healing methods in Mexico, Brazil, and Bali. At its core a spiritual odyssey, *The Sacred Wound* is about creating meaning from life-shattering events--events which can utterly destroy us or serve as a call to extraordinary courage and growth. A life-shattering event is a modern day "sacred wound," a wounding so profound that it pierces the soul and penetrates the veils of who we are and what we think life is about. Like a mythological hero, we will emerge from the ordeal another person. As the author says, "For three years grief was my consort, it became my teacher." This inspiring and searingly honest book is about more than survival following the death of a loved one; it is about the gift in tragedy's other hand. It is about discovering the truth that love is the central experience of life and not simply mortality, and that this truth can emerge in ways we can never predict or expect

In this study of channeling, earlier called spirit communication or mediumship, Klimo, who teaches at Rosebridge Graduate School in the San Francisco Bay Area, writes with clarity about "the communication of information to or through a physically embodied human being from a source...on some other level or dimension of reality other than the physical as we know it." He profiles recent channels and their sources, goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses, Solomon, Muhammad, Merlin, Nostradamus, Swedenborg and Edgar Cayce. He discusses the sorts of people who are channels, kinds of information channeled, sources of information channeled and varieties of channeling like clairvoyance and automatic writing. According to Klimo, few people tap into their abilities to perform channeling and for those who think they can, he serves as guide.

A gemstone-supported healing journey guided by your heart • Offers hands-on exercises and meditations with more than 60 gemstones and minerals, each a specific heart-healing stone • Explores the anatomy of the physical heart and its spiritual symbolism • Shows how your heart is itself a sensory organ and coordinator of your energy field • Explains how to fortify your heart with emotional strength, reclaim your will, cultivate forgiveness, and nurture romantic relationships in a meaningful way The word heart can be used in so many different ways. We talk about putting our hearts into our work and wearing our hearts on our sleeves. There are people who are warmhearted and those willing to heal your heartache. Each of us has likely known the pangs of conflict between

the head and heart. For all the trials and pains of daily living, many people are taught to distance themselves from their hearts in order to avoid folly and failure. The truth is that only in embracing the language of the heart can we truly know who we are and where we are going. Focusing on the role of crystals in the journey to wholeheartedness, Nicholas Pearson reveals how the heart, as the literal and metaphorical center of one's being, has the power to lead us to greater balance, healing, and happiness. He explores the anatomy of the physical heart and its spiritual symbolism and shows how its four chambers are related to the four elements. Offering hands-on exercises and meditations with more than 60 gemstones and minerals, each a specific heart-healing stone, the author explains how to build a better relationship with the heart as your spiritual center as well as how to fortify your heart with emotional strength, reclaim your will, and cultivate forgiveness. He shows how your heart is the coordinator of your energy field and is itself a sensory organ and information processor, working to enact healing on many levels. He also looks at the heart chakra and how the higher heart chakra is evolving. Providing stone-supported lessons for applying a heart-centered approach in daily life, from expressing yourself to nurturing romantic relationships in a meaningful way, the author shows how the journey to wholeness and wholeheartedness isn't always easy, but it cannot be undertaken without first spending time to hear the soft, gentle voice of your heart and embrace the transformational force of inner alchemy known as love.

This collection of original short stories was contributed by a group of seasoned travelers-wisdom keepers-who've walked through the proverbial fire to discover what is possible in life when guided by spirit. The forty-two authors share their favorite miracle stories, along with affirmations, guided meditations, and tools for self-healing. If you've ever wondered what it would be like to step "beyond the veil" to get a glimpse of the other side, or be visited by an angel, or receive a message from a loved one in the afterlife, you will be delighted by the testimonials in this book. You will find stories about astonishing recoveries from life-threatening illness, spontaneous healings, and safe passage through dangerous war zones. Miracles arise as well from a sudden shift in perception-a moment of grace that forever changes one's life. There are stories about the joy of finding spiritual community, true love, reuniting with birth family, and many more. The authors of *Everyday Miracles* emphasize the importance of listening to our inner voice for guidance. They also show how important it is to pay attention to outward signs and events, and to listen to the body's wisdom to guide the healing process and make choices in life. You will see convincing evidence in many of these stories of the power of positive thinking and the law of attraction to create the life we desire. *Everyday Miracles, Moments of Healing and Transformation* will inspire you to be a miracle worker in your own life. How we become ill and the causes of illness are generally a mystery to most people. Researchers now tell us that 70% to 80% of all illnesses seen by medical doctors are either caused by or made worse by stress. The full story of those

Stress-Related Disorders, illnesses produced by stress, are now examined and illuminated by Dr's Allen and Lisa Robyn Lawrence. You must read this book if you, or someone you know: Experience symptoms which you believe indicate that you are becoming ill and want to stop the illness process. Are already ill and are not getting the results you want from your doctor. Are well and want to either prevent becoming ill in the future or learn how you can prevent illness before it can set in. Are already ill and want to learn to work with your body's natural healing ability without expensive, painful or dangerous medical treatments. The Dr's Lawrence take you on step-by-step journey illustrating the role you mind, your body and your spirit play in creating and healing illness. When Your Body Talks, Listen! Will teach you how to protect yourself from Stress-Related Disorders, and the detrimental short and long-term effects from them.

Have you struggled with the promises of healing in the Holy Bible, not understanding why you could not make them yours? Have you, like me, tried reading, listening, confessing, and everything else you can think of, only to fall back into sickness again? Would you like to learn the truth about Biblical healing, once and for all, in a way that is understandable and easy to apply to your own life? Walk with me through my healing journeys and learn what God taught me about healing as I struggled to understand, and came out healed from every effect of a hemorrhagic stroke that nearly killed me. \* Learn the steps to healing, and why they MUST be done in order \* Learn why you confess over and over that you are healed and you still do not see the manifestation

How does it feel to be here and there - at the same time? Maxwell Greyson refers to himself as a project manager but really only makes use of that title in an attempt to mask his ridiculousness, which is something that has plagued him all of his life. He unwittingly embarks on a quest to find what he's always sought. He finds it, or rather he finds something, but doesn't know exactly how to process it or what to do with it. What ensues is a journey that starts at zero and ends up near the edge of the multiverse. Or is it the other way around?

Our created universe is ever evolving and is presently passing through a critical

evolutionary stage. We are in the midst of a universal healing and transformation process which will catalyze a shift into a new evolutionary paradigm. This new paradigm will manifest a glorious reality that has never before been experienced on any level of Creation. The highest of Heaven will be brought to Earth and humanity will experience a transformative rebirth in consciousness. This book provides a comprehensive overview of the purpose and goals of the universal healing and transformation process from the perspective of the Divine Plan of Creation. It also offers support and guidance for your personal healing and transformation process so that you can embrace your true divine destiny in the wondrous new reality.

Good vision is more than the ability to see 20/20 on an eye chart. Any vision problem is a message alerting us to an unbalanced inner state. Eyeglasses, medications, and surgery may correct poor vision but they cannot correct this inner imbalance. In *The Power Behind Your Eyes*, Robert-Michael Kaplan presents Integrated Vision Therapy a comprehensive daily program that can actually improve as well as treat the inner causes of poor vision. More comprehensive than other vision care techniques, Integrated Vision Therapy takes a holistic approach to identifying the causes of vision problems and developing noninvasive, natural strategies for treatment, including clear, easy-to-follow exercises, diets, and changes in daily habits.

This journal book is a canvas and as the writer YOU get to paint your masterpiece. Allow yourself to capture life thru your eyes, thoughts and feelings. "A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

"Explores five ideas that animate the theological imagination of women in religious communities throughout America: ambivalence toward tradition; the immanence, or indwelling, of the divine; the sacredness of the ordinary and the ordinariness of the sacred; the vision of the universe as a web of relationships; and healing as a central function of religion"--back cover.

Personal account of how a traumatic injury brought the author closer to God. When R. Neville Johnston was shot three times in 1977, he died. But he came back knowing some things he hadn't known before. That the universe is made of up of vibrations for one. And that some of the most meaningful vibrations are the words we use in everyday thought and speech. Obviously it behooves us to choose our words with care so we can create the life we want. *Hidden Language Codes* is a book about thought. Where we go in life is directly related to our mastery and command of our thoughts and our language. In evolving, we naturally change the way we think. A method of accelerating this process is to change the very words we think with. This book is the key to learning words that will improve our lives and giving up the ones that hold us back. Learn to use

power words--words that serve us well--such as "acceptance," "faith," even "MacGyver," and the key power word, "love." Those words that do not serve us well include "greed," "blame," "hard," and the poster child for disempowerment/slave thinking "can't." Our language is full of unconscious triggers--the words we speak are making decisions for us, running us. As long as we continue to try, need, guess, want, whine, and victim our way through life, we sabotage our own goals and happiness. Never use these words again. Take charge of your thoughts and speech, and your life will follow suit.

Believe that healing and health is God's will for you! Healing for all sickness was included in the work of Jesus on the cross. The question is: Are you experiencing God's supernatural healing in your life? This book supplies Biblical insights about how God included healing for our bodies as a benefit of our redemption and how to freely obtain His healing by faith. Your questions and misbeliefs about healing will be replaced with simple truth and faith to believe and receive God's healing for you. Be inspired by the sacrifice of Jesus and how we have been healed by His wounds. Build your faith to receive God's healing and live in divine health. Receive God's healing in your own life!

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

Dr. Lyon shows that the Bible promises healing by Jesus if we fulfill the requirements of believing His promises. He points out the Divine healing as the Bible teaches can be instantaneous, gradual, by the use of means, and even death is a form of healing. He also discusses old age and our service for the Lord. The booklet is not only a presentation for Biblical healing, but a manual showing how we can experience healing and be an instrument for divine healing. This is a book that is so much more than Joanne's Life's Journey. Through its pages, she not only reveals a picture of God's grace in her own life, but defines His ever-present healing fingerprint through the brokenness and loss she experienced. You'll learn who God is, and how to let Him move you into the same abundant life she has found and that He died to give to all of us. As she says in the book "God is waiting for you to take the first step so He can help you finish." This book is a detailed depiction of the "cuts" that people incur or will incur over the course of their lives, and how those "cuts" subsequently shape their lives. (Cuts are hurts, experiences, tragedies, and/or various pains incurred).

Unfortunately, people will inevitably incur hurts and pains in life, which most are beyond their own control. One simply cannot control what happens to them at the hands of another. People hurt other people. It's not so much the hurt that causes the problem, but more so the effects of the hurt. Oftentimes, people ignore the hurt. They try to live their lives as if the hurt never occurred. Many are oblivious to their deep hurt because they've mastered the art of disguising the pain. The problem ensues when the severely wounded people interact with others, then they subsequently inflict others with the residual hurt that they've been harboring. Because of this, many fail to realize that they've been "cut" and are in need of

healing. The purpose of this book is to aid in identifying and healing cuts from one's life (including their past, present, or possibly their future), as these cuts will affect one's life in some regard. Oftentimes, people need healing to recover from some trauma or tragedy that they've endured, yet they're too afraid to ask for help. Many internalize their feelings, never properly articulating their mental anguish, ultimately forsaking the need and opportunity to heal. It's the lack of healing that causes people to hurt others or live unhappy lives. This book was written to aid people with identifying their hurt, their need for healing, and ultimately helping them to heal and subsequently live their best lives.

This is a book of rhyming style poetry, easy to read and easy to understand. It is poetry that grasps your inner feelings and allows you to feel and see things from another perspective. In doing this, it can help people to fix things in their life and to maybe heal themselves from old feelings.

Life is wonderful. Not everybody would agree with this statement. Every person experiences life in different ways. There are the good experiences and the not so good experiences that a person goes through in one's life. Such experiences could lead a person to suffer a physical wound in one's life. These same experiences, and others, could also lead the person to suffer spiritual wounds in his life. Wounds which distance us from the love of God also distance us from loving our neighbour. This book will take you through this journey. A journey of exploring the spiritual wounds one could suffer in one's life. Spiritual wounds which could be buried deep in one's inner self, making it difficult for the individual to love one's neighbour and to be a person of mercy. These spiritual wounds often hinder us from having a personal relationship with Jesus. 'Heal my Wounds' is the cry of every suffering person. In this book we shall also see how Jesus is the healer of our wounds.

With the combination of Coach Melvin's Dynamic Application of Internal Awareness(tm) (DAIA) Method, Dr. Totton's 100-day method to condition your body's neural pathways to establish a new habit which then becomes automatic, and with Dr. Painter's method of committed practice of Li Family Yixingong (Standing Meditation) to produce profound results at the neurological level, novices to advanced practitioners gain the ability to access your inner core, tapping into an area that can positively affect your overall well-being, prevent stress from taking hold, and give you perpetual mental-physical rejuvenation. In *The Role of Will in Addiction and Recovery*, Ms Boone addresses the puzzling, contradictory, and misunderstood will with clarity and compassion. Her wisdom and intuition breathes life and understanding into an abstraction that has baffled humanity for ages. Ms Boone fleshes out will and the reader consciously experiences will as a concrete reality. Conscious awareness of will is the first step toward its proper use. Will is a spiritual organ. Learning right use of will is an arduous task for us on our spiritual journey. Will is a powerful spiritual tool we can use judiciously to accomplish anything our heart desires when we come to understand it and respect its sacred nature. Ms Boone provides specific

exercises designed to help the reader develop qualities of will that can be used to arrest addictions and create a meaningful life. In a bold stroke of insight and genius, Ms. Boone locates the specific area of the brain through which will operates. It is in this same location that addictions take root and become equated with other survival behaviors such as eating, breathing and procreating. This discovery provides powerful insight and believable evidence for addiction as a disease, not a moral failing.
