I know sex could never lead to love. I've never believed in love at first sight. So what was this that I was feeling for Akela? Akela. Even her name speaks to what she is. What she was. Alone. She didn't know that I knew that that was what her name meant. We really didn't know too much about each other. Just the basics. All I know is when I laid eyes on her I wanted her. And when I was inside of her I needed her. I never wanted to let her go. But she made it clear last night before we went to sleep that this was going to be a onetime thing." look at this, no, okay! Anyway I hope you like it.

This book is about all my family members, teachers, girlfriends. It's my life story put into poems and a few that I just made up. I wrote this book while in prison. It gave me something to do. A lot of stuff that I saw happen I wrote down; maybe it will help other people in the same spot. But mostly this is for my son to let him know how I feel about him. It's hard to say those things but easy to write. I enjoyed writing this book and am very proud of it.

Waris Shah, I call out to you. Rise from our Grave. Speak out and turn. A page of another book of love ... - Amrita Pritam. Stories of the Soil is a collection of over forty classic Punjabi short stories. Combining a rich oral tradition of kisas with tropes from Western literature, Punjabi short-story writers have developed their own unique way of portraying love, longing, ecstasy and malice. Spanning a century, these stories talk of life in the village and the town. There are haunting tales about partition like a matter of faith by gulzar singh Sandhu where a horrible tragedy is viewed through the eyes of a child. Along with sensitive accounts of life from across the border in Pakistan are tales by the Dalits who until recently had been rendered voiceless. Amrita Pritam's 'The Vault', a metaphor for a barren womb, explores the identity of a Punjabi woman while stories like Surjit Birdi's 'files' reveal the concerns faced by the Punjabi diaspora. Translated and edited by Nirupama Dutt, these carefully selected stories reflect every aspect of life in the land of five rivers.

"What? Are you pregnant? Oh no! How will I ever get through medical school if there's a baby! Without you working I'll never make it! Oh, my Father! It's taking every penny I make already! Why didn't you prevent this! Oh! My Father! My Father!" He stood up and paced the floor. Elizabeth was not off to a good start in life, unwanted even before she was born. Fortunately, the tiny baby was placed in the loving care of her paternal grandparents, where she lived for the first three years of her life. Then, her abusive father arbitrarily decided that she belonged with her parents and unceremoniously ripped her from the only safe, secure home she had ever known. In spite of her turbulent childhood and teen years, Elizabeth managed to go to college and become a physical therapist. Faced with tragedy after tragedy, she decided to temporarily leave her old New England farmhouse and hit the road as a traveling physical therapist. You'll laugh and cry with her as she traverses the country in her forty-foot fifth wheel with Gracie Allen, her faithful cat. As she survives a broken heart, a blow-out on a busy Florida freeway, a tornado in Kentucky, and a pain-crazed, gun-wielding patient, she grows ever more dependent upon the God who promised to never leave her nor forsake her. Journey with Elizabeth as she makes "forever friends" from coast to coast, savors the beauty that is America, and cherishes the home on a rocky Maine shore that is her anchor point throughout her travels—and realize that the same God who never left her alone will never leave you, either.

Poetry that will touch each and everyone in their own ways. Life experiences throughout the years that everyone, I'm sure, at some point, has gone through as well. I promise you won't be disappointed.

We should never take for granted the life we have been blessed with 'cause it can change in the twinkle of an eye. Mary had no idea just how much her life would be changed and all the twist and turns it was about to take. One day, one hour of that day, would change Mary forever, and she was about to step on a roller coaster that was going to take her on a ride that would either make her or break her. Things were crumbling around her. What could she do to get her family back, to get the love back she so much needed and wanted? Never considering herself as a strong person and never a leader, Mary found herself in a place where to get the life back that she once had and wanted again, she would be forced to grow up and be a woman. Determination, strength, self-confidence, and most importantly, her faith in God had to become the guiding forces in her life. Twist and turns, ups and downs, round and round she would go. Where was she going to end up? What

would be the final results of all this mess? A shoulder to lean on, to cry on, was what Tonya was for her. She was Mary's best friend, her only friend for a long time. They were as different as day and night, but in so many ways the same. An accidental meeting turns into a lifetime of friendship. Mary never really had any great expectations for her life, never really saw herself as being anyone of importance. But life often throws a curveball that gives us no option but to grow up. She would become a woman that takes control and trusts God to make a way. This book chronicles the recovery of a little girl's memory of terror and incest that surfaces when she reaches age 45. Many past horrors have been suppressed until the pressure on the mind is too great to contain. There is then an explosion of memories. These trigger recovery or insanity, depending on the path your mind can accept. I chose recovery.

In this ground-breaking book, Constance Williams reveals why, contrary to the adverse outcomes previously attributed to their lot, many black teenage mothers consider their lives enriched by childbearing. Here is a poignant exploration of the meaning of pregnancy and motherhood to young women who, although impoverished, express hope as freely tell their stories and reveal new truths about their attitudes. Williams discovers that it is more often socialization -- not ignorance -- that leads black teens into motherhood at such a young age. She also reveals why early childbearing for these teens may well be an adaptive and even reasonable response to their social and cultural realities.

Whether you're considering a religious vocation or simply trying to lead a Christ-centered life, Franciscan friar Casey Cole has news: Christian life doesn't end with a profession of faith or hearing of God's call. That's when it begins. While the trappings of a professed Franciscan's life may be different from that of a layperson, the inspiration and foundation are exactly the same: We are disciples of Christ called to live the Gospel in our world. Casey may wear brown while you wear red; he may work at a Church while you work in a school; and he may profess vows of poverty, chastity and obedience while you have yet to make any formal commitments in your life. The expressions may be different, but the life is the same. Based on a series of contagiously enthusiastic blog posts Casey wrote while he was in formation, *Called: What Happens After Saying Yes to God* reflects on realities that are common to anyone who is serious about living a sincere Christian life and trying to follow the message of Jesus in the Gospels. All Christians must discern God's call for them. All Christians struggle at times knowing how to pray. All Christians work to be in intimate relationships with others. All Christians are challenged to give of themselves so to rely more on God. All Christians have a mission of building up the kingdom. And all Christians, like it or not, fail along the way. In his own path of discernment and discipleship, Casey has found a life that brings him amazement and wonder, sorrow and joy, encouragement and challenges, and he's eager to share it all with everyone he can. *Called* offers inspiration and guidance to all those pursuing a life in Christ, in whatever form that may take. What you wonder, what you struggle with, what you experience in your daily life—you're not alone. The audio edition of this book can be downloaded via Audible.

The book tells the story of a young girl and everything she encountered from childhood into adulthood. It speaks of domestic violence, molestation, rape, family, friends, motherhood, and failed relationships. This book tells stories that others may be afraid or embarrassed to tell. This story comes in the mind of *Shattered Dreams Meets a Cry for Help* (not as brutal).

In life I have found that there are many ways to handle stress of everyday life. When I was thirteen the drama from school got to be too much so I started writing. These poems reflect how I felt during times of pain, sorrow, hope, love, happiness and inner searching. I have known people all my life who at one time or another have needed some inspiration. These poems have been an inspiration to many who have read them. I decided to make a book of my poetry when I saw how it was helping people to work through what

ever life had thrown at them. In these there is inspiration to be found. No matter what the situation you're facing there is always hope.

Man has travelled a long way from his cave days, but still his fears are the same and so are his feelings and emotions. During this long journey, he has achieved various distinctions in different fields, but still he has not learnt the lesson of world unity. If he succeeds in seeing this unity, not only with others of his kind, but also with all the creatures and even the inanimate things, perhaps he may be able to get rid of the fear, which makes him untruthful, selfish and scheming. This collection of twentyone stories is an attempt to peep into the unity that weaves this existence into a Tapestry.

Behind the Mask is a book of uncomplicated poems exploring the events and thoughts that truly take place behind the scenes of life; as William Shakespeare best states "All the world's a stage, and all the men and women merely players: they have their exits and their entrances; and one man in his time plays many parts, his acts being seven ages." Written simply and effortlessly, the subjects of love, death, and success are portrayed in honest ways each reader will relate to. The collection ends in an extended poem revealing how many hidden thoughts can stress a mind when the cement mask is finally peeled away.

Zayn Parker, unlike his mom, Jess, isn't invisible, just feels invisible. With low grades that make him look like nothing compared to his sisters, mediocre baseball skills and not acting like his true self at school. Only acting like himself in front of his best friend, Macy Fergensen, who had feelings for him since they were kids that he fails to see, does Zayn truly feel alone. It isn't until the popular girl, Michelle Aprils, takes notice of him after his first home run, that he finally feels seen. Nothing in life, especially high school is ever that easy as something happens at a party at Michelle's that changes how Zayn views Macy. But also changes her perception of him due to how he treats her and a huge secret that finally comes out. When Zayn truly evaluates his relationship with Michelle and decides to go for Macy, she distances herself from him and gets close with his cousin, the sweet and charming J. P Trent. This forces Zayn to befriend the sassy, lost girl, who eats her lunch on the floor by the cafeteria doors, Lex Fisher. Will Zayn and Macy find their way back to each other, or just like Zayn's home run, will the unexpected happen?

Despite Emory's premonition of a future with Jon, he has vowed never to love again. Jon is convinced that his tainted soul is the reason he will never have someone to call his own. What if they're both wrong? Maybe these broken men with their jagged edges could somehow align perfectly to form something whole and beautiful. But will that realization come too late for them? Someone to Call My Own is the second book in the Road to Blissville series. These books can be read as standalone or as part of the series. It is an honor and a pleasure to communicate directly with my growing audience. I have included in this first volume, of a number of volumes I plan to have published, five of the greatest renaissance women in the African Diaspora. These women are different and yet each of them shares a trait which I so greatly admire -- creative determinism. They discovered a purpose within themselves and continued on their march to destiny, fame, sometimes riches, sometimes ignominy, always triumphant over the ills of a world, which is, in fact, still discovering itself; but which, in its blind fury, has ground civilizations, people and ideas into the dust. The indestructible African Diasporan Women I have chosen for this volume are Ethel Waters, Valaida Snow, Billie Holiday, Zora Neale Hurston, and Winifred Mandela.

From YouTube Star Anna Akana comes a collection of personal essays about everything from self-esteem and friendship to sex and career decisions. So, she turned to stand-up comedy and YouTube as a form of creative expression. Now she relays the hard-won advice she herself could have used when she was younger.

Tackling everything from falling in love to becoming financially independent to staying safe on the Internet, she opens up about mistakes she made when she was a teenager and what young women everywhere can learn from her.
