

The Best Part Of Me Children Talk About Their Bodies In Pictures And Words

Sethe, an escaped slave living in post-Civil War Ohio with her daughter and mother-in-law, is haunted persistently by the ghost of the dead baby girl whom she sacrificed, in a new edition of the Nobel Laureate's Pulitzer Prize-winning novel. Reader's Guide available. Reprint. 60,000 first printing.

For anyone who has suffered pain, disappointment, or a broken heart, entrepreneur and motivational speaker Rob Hill, Sr. shares the transformational personal story of his struggles and the invaluable lessons those difficult challenges have taught him about looking within to find the power to heal and live a purposeful life. Often the greatest opponent we face in the game of life is ourselves. We spend hours, days, and years searching for answers to the questions of our hearts. But the answer is there. Our full awareness of self, our understanding of purpose, and our appreciation for the power of love are the missing pieces needed to heal the pain so many of us feel. It was the answer to the pain I felt. These inspirational nuggets of wisdom are just a few of the priceless life lessons that have struck a chord with hundreds of thousands of people and earned Rob Hill Sr. the title, "heart healer." Ever since Hill made the courageous decision to dedicate his life to helping others, his own painful coming-of-age experiences—homelessness, a damaged relationship with his father, hours spent contemplating suicide—have served as the basis for his positive message of healing and transformation. Whether you struggle with fostering healthy relationships, finding love, believing in yourself, overcoming the obstacles life tosses in your way, or any other number of conflicting human experiences, Hill's perceptive, penetrating yet compassionate words will help you find your way. The Missing Piece is the captivating story of the man behind the powerful, uplifting message, part memoir and part roadmap to deep personal contentment and success. This collection of essays is about people. My people. In the midst of a pandemic, I am even more aware of the importance of my people- and time. There are friends I consider family who live in Europe and I have no idea when I will be allowed to see them again. There is family in the south and I long for their company. There is a biological relation who I will never see again. There are mentors who literally changed my life, and students whose impact never left. There are New Yorkers and Floridians, and there is immeasurable loss. What you get to take with you when you leave this earth is the following: what you did, how you lived, who you loved, who loved you. All the people that made you - for better or worse - who you are. People matter. To me. People matter, and time: the finite time you have with your people, and the finite time they have with you.

Have you ever prayed for something harder than you've ever prayed for anything, and then it happens, and you don't know if you're really ready for it? Well, so has Goody. Praying for a good man then actually getting one were two totally different things. In her mind, her world would be complete if that happened, so naturally, when it did, she was happy but then came fear. Fear of what the future would hold, or whether or not she was even good enough for her answered prayers. Lucky for her, Jerrico Blake is well equipped and intently focused on Goody and every need she has. A man with many honorable traits, Jerrico is a Godsend, but he's not to be taken lightly. Though he can withstand the toughest times with the hardest people, that doesn't mean he wants to.

Desiring love and happiness as much as the next person, Goody's rejection may have worn thin. Not sure whether she's worth the fight, Jerrico second guesses his initial intentions. Will Goody's past destroy her future, or will she be woman enough to pick up her pieces and put her own future back together?

Love is always a beautiful thing when it's shared, respected, and cherished. The moment it becomes any less than those three, your relationship and sanity are damned to hell. Don't believe it? Just ask Paradise "Goody" Maverick. Once upon a time, she'd been the hopeless romantic type who thought she'd fall in love and stay that way forever, only to be painfully reminded that forever doesn't always last. High school sweethearts and the only loves they've ever known, Goody and Kayson Miller have lived happily, chased dreams, and established a life together. The house, the cars, the success, and anything else Goody could name, they'd grinded and gotten it together. She had just gotten to the peak of her happiness when life decided to come around and knock her down. What happens when love is no longer enough? What do you do when you're betrayed and left by your best friend? Who's to blame when you have nothing left to give, not even to yourself? The idea of second chances seems utterly detestable, so when Jerrico shows up looking, smelling, and acting like a knight in shining armor, what's a girl to do? Do you suck it up and move on, or do you harbor rage and bitterness? Ask Goody, she knows. The heart of the heartless, hollowed and emptied by that thing called love. Fed up and against anything that involves a man and her emotions, she's prepared to kiss Jerrico goodbye, or so she thinks... welcome to the life of a SAVAGE. Men, remember, anything you can do... women can do better. Heads up, Queens, this one is for us!

Their life together was perfect until he made her question all that she knew... Charlie and Luke are high school sweethearts. Together for ten years. Best friends as well as lovers. Their bond is strong. They love each other fiercely. But is love enough? Charlie has always trusted Luke. She has never had a reason to doubt him. Until now. When two strange men show up on her doorstep, Charlie is forced to question the life that she shares with Luke. What is Luke hiding from her? Has everything been a lie? Will she ever uncover the truth? Their love is tested. Their lives turned upside down. And Charlie must make a choice. Stay and fight or run and never look back.... Part Of Me is book one of the Part Of Me book series written by Lindsey Powell. The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you

really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

Zeke Daniels isn't just a douchebag; he's an asshole. A total and complete jerk, Zeke keeps people at a distance. He has no interest in relationships-most assholes don't. Dating? Being part of a couple? Nope. Not for him. He's never given any thought to what he wants in a girlfriend, because he's never had any intention of having one. Shit, he barely has a relationship with his family, and they're related; his own friends don't even like him. So why does he keep thinking about Violet DeLuca? Sweet, quiet Violet-his opposite in every sense of the word. The light to his dark, even her damn name sounds like rays of sunshine and happiness and shit. And that pisses him off, too.

Features an audio read-along! A creative spirit learns that thinking "ish-ly" is far more wonderful than "getting it right" in this gentle new fable from the creator of the award-winning picture book *The Dot*. Ramon loved to draw. Anytime. Anything. Anywhere. Drawing is what Ramon does. It's what makes him happy. But in one split second, all that changes. A single reckless remark by Ramon's older brother, Leon, turns Ramon's carefree sketches into joyless struggles. Luckily for Ramon, though, his little sister, Marisol, sees the world differently. She opens his eyes to something a lot more valuable than getting things just "right." Combining the spareness of fable with the potency of parable, Peter Reynolds shines a bright beam of light on the need to kindle and tend our creative flames with care.

The lives of four generations of one Louisiana family, woven together by a master storyteller Tracing a family's roots is like taking a journey through the years. In the case of one Louisiana family, that journey can be charted by the books they read and loved. The journey begins in 1939 with Rose, who moves with her mother and siblings from rural Texas to live with their estranged grandfather in the Louisiana bayou. Rose connects with this flavorful community through her love of books and by driving a bookmobile. Two decades later, Merle Henry, Rose's son, is more passionate about trapping a mink than about reading, although there is a place in his heart for *Old Yeller*. In 1973, Merle Henry's daughter, Annabeth, feels torn between reading fairy tales and a crush on a real-life knight in shining armor. And in the present day, Annabeth's son, Kyle, finds himself in a bind: he hates reading, but the only summer job he can get is at the library. In her people-smart way, Kimberly Willis Holt introduces us to a Louisiana family: touching, lyrical, and always intriguing, their stories reveal the powerful connections between four generations. *Part of Me* is a 2007 Bank Street - Best Children's Book of the Year.

Gathers self-portraits, family portraits, and photographs of animals and dreams by Kentucky children

We live in a culture that's all about self, becoming the best "me" I can be instead of becoming like Jesus. This me-centered message affects every area of our lives--our friendships, our marriages, even our faith--and it breaks each one in different ways. The self-focused life robs our joy, shrinks our souls, and is the reason we never quite break free of insecurity. In this book, Sharon Hodde Miller invites us into a bigger, Jesus-centered vision--one that restores our freedom and inspires us to live for more. She helps readers - identify the secret source of insecurity - understand how self-focus sabotages seven areas of our lives - learn four practical steps for focusing on God and others - experience freedom from the burden of self-focus Anyone yearning for a purpose bigger than "project me" will cherish this paradigm-shifting message of true fulfillment.

Fifteen children from a school in North Carolina offer short passages in prose and verse that explain why they prefer their eyes, feet, hands, and other body parts, with accompanying photographs of that particular area.

It's an inconvenient time for Sinter Blackwell to realize he's bisexual. He's a 25-year-old American actor working in London, living far away from his disapproving parents in the Pacific Northwest, and enjoying a flirtation with his director Fiona. But he can't deny that his favorite parts of each day are the messages from his gay best friend Andy in Seattle—whom Sinter once kissed when they were 15. Finally he decides to return to America to visit Andy and discover what's between them, if anything. He isn't seeking love, and definitely doesn't want drama. But both love and drama seem determined to find him. Family complications soon force him into the most consequential decisions of his life, threatening all his most important relationships: with Andy, Fiona, his parents, and everyone else who's counting on him. Choosing the right role to play has never been harder.

The romance between Tessa and Harry continues as forces try to tear them apart. By the author of *After Ever Happy* and *After We Fell*. Original.

Alison has been in her brother's indie rock band, Right Turn, since she was a teenager. Right as she's about to graduate college and will have to start making real decisions about her future, there comes an offer for them to go on a small tour with pop-country sensation Kristen Nichols, who is looking to make serious changes to her sound and image and believes touring with indie darlings Right Turn will give the new 'her' credibility. Kristen Nichols is the embodiment of everything about the music industry that Ali scoffs at, but she's offering them an affordable, real tour, and that's very hard to say no to. Putting up with a pop princess for a summer is a price worth paying--or so Ali thinks before she actually meets Kristen. 'K-Nic' does absolutely nothing for her, but Kristen Nichols in person? Yeah, that's a different story...

Dark secrets and forbidden love threaten the very survival of the Shadowhunters in Cassandra Clare's *Queen of Air and Darkness*, the final novel in the New York Times and USA TODAY bestselling *The Dark Artifices* trilogy. *Queen of Air and Darkness* is a Shadowhunters novel. What if damnation is the price of true love? Innocent blood has been spilled on the steps of the Council Hall, the sacred stronghold of the Shadowhunters. Their society now teeters on the brink of civil war. One fragment of the Blackthorn family flees to Los Angeles, seeking to discover the source of the disease that is destroying the race of warlocks. Meanwhile, Julian and Emma take desperate measures to put their forbidden love aside and undertake a perilous mission to Faerie to retrieve the Black Volume of the Dead. What they find there is a secret that may tear the Shadow World asunder and open a dark path into a future they could never have imagined. Caught in a race against time, Emma and Julian must save the world of the Shadowhunters before a deadly curse destroys them and everyone they love.

USA Today Bestseller! Debut author Sally Thorne bursts on the scene with a hilarious and sexy workplace comedy all about that thin, fine line between hate and love. *Nemesis* (n.) 1) An opponent or rival whom a person cannot best or overcome. 2) A person's undoing 3) Joshua Templeman Lucy Hutton and Joshua Templeman hate each other. Not dislike. Not begrudgingly tolerate. Hate. And they have no problem displaying their feelings through a series of ritualistic passive aggressive maneuvers as they sit across from each other, executive assistants to co-CEOs of a publishing company. Lucy can't understand Joshua's joyless, uptight, meticulous approach to his job. Joshua is clearly baffled by Lucy's overly bright clothes, quirkiness, and Pollyanna attitude. Now up for the same promotion, their battle of wills has come to a head and Lucy refuses to back down when their latest game could cost her her dream job...But the tension between Lucy and Joshua has also reached its boiling point, and Lucy is discovering that maybe she doesn't hate Joshua. And maybe, he doesn't hate her either. Or maybe this is just another game.

This is the first book published by Mr. Mault's 2018-2019 third grade class. The poems in this book explain why we should ALL be proud of who we are. We are unique. We are special. We are AMAZING. We ALL need to be proud of who we are, both on the inside and the outside.

Autobiography of Anne Murray: tells of the Canadian singer's life from her origins in a coal mining town in Nova Scotia to her arrival on the world stage.

Not a cloud in the blue Atlanta sky, Jeffrey Ross made his morning visit to the Dunwoody Starbucks, expecting this day to be like any other. It wouldn't. Samarra Russell left her meeting at Emory Medical Center after receiving the strange call and wondered if it had anything to do with her immunology research at CDC. It was a secret, or was supposed to be. Going home as instructed, Samarra opened the box of Valentine candy on the kitchen counter and collapsed. Before losing her balance, Samarra recognized the small finger, severed and still wearing the tiny ring she gave him for his 7th birthday. Her precious son. She opened the note after regaining limited senses and read. If she didn't want to receive young Thomas Russell's head in a box, she would do as instructed. And she did.

"Genius... It is miraculous to read these pieces... You must read *The Best of Me*." —Andrew Sean Greer, *New York Times* Book Review A *New York Times* Book Review Editors' Choice A CNN and Christian Science Monitor Best Book of the Month For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say "give it to me" in five languages, and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms—at long last—with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected—it's often harder, more fraught, and certainly weirder—but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called "the funniest man alive" (*Time Out New York*), *The Best of Me* spans a career spent watching and learning and laughing—quite often at himself—and invites readers deep into the world of one of the most brilliant and original writers of our time.

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, *New York Times* bestselling author) from the #1 *New York Times* bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA

TODAY).

Christina's mother, Greta, walked out on her when she was just six years old. Now in her thirties, she has reached a desperate crossroads and goes on the run with her youngest child in a bid to find her mother and sanctuary from her husband and family.

This book is intended to give a voice to Josie and others like her who have something to say, but are unable to express it. Young children all over the world are at an impressionable age and with answers to their questions about others who are different they could learn to become kindhearted, understanding, and accepting children. This book is about a real child named Josie with anxiety and real experiences she's gone through. If this book is understood by a school aged student, then we will be creating a world full of compassionate children. This is the second of five books to help demystify special needs to lower elementary aged students.

Casper Quinn has a secret. Brant Mitchell has two. Hickory Ditch, Arkansas – July 2012 Popular fried chicken chain Wings of Glory is under attack from homosexual activists, and Harvest Mission Pentecostal Church is ready to fight back. Caught in the crossfire of a culture war in which they never enlisted, Casper and Brant will each have to find his own answer to the age-old question: Am I really what I eat? Because if they could find the courage to tell each other their truths, they might discover there really is life after the Ditch. CHICKEN is a Southern Gothic YA novel with an infusion of magical realism. It's a raw, honest, sometimes funny, sometimes poignant look at falling in love in a place where angels and demons are believed in without question, but the human heart is always subject to suspicion.

"Anger is like a thorn in the heart...the roar of my courage and the cold sweat of my fear." Luca Pyromania is an impulse control disorder [1] in which individuals repeatedly fail to resist impulses to deliberately start fires, [1] in order to relieve tension or for instant gratification. Damon DeLuca, or Luca as they called him. I thought of him more as Damien, the fucking devil within these walls that now is my life. Dark, broody, and deadly to any woman. Mind-blowing, soul-shaking, raw sex appeal. He was a tall statured boy with broad shoulders and a pair of green eyes that set my soul on fire. His inky black hair framed his hard, chiseled features. He had the type of body that had no business being on a seventeen-year-old. I knew that once he fully developed, he'd be nothing short of drop-dead gorgeous. As I said...deadly on the eyes...and dangerous for your heart. My name is Allison. I met Luca through an unfortunate event when we were younger. I'm now twenty-four, and this is my story. My fucked up life. It's not a pretty one. Then again, the most interesting ones aren't...are they? This isn't your usual love story. Anything but. There are no blue skies, rainbows, or unicorns. Only him...my own personal arsonist. He had the ability to set my panties on fire, leave my body smoldering, and turn my heart into burning embers. He scared the hell out of me, made me feel. He opened my eyes to the world of twisted love. But love no less. This scary, beautiful man stole my heart from a young, tender age and refused to give it back. Here's our story... This story is deep, dark, and deals with real scars and growth because of them.

WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberato "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

Great gift idea for the rude dude in your family! If you can hum the tune, we have the lyrics! You know what it's like; you're at a party, or the bar, a diner, or going on a roadtrip, and you hear a song you like and just can't stop yourself from twisting the lyrics. "Excuse me while I kiss this guy." Yeah we know what Jimmy really said, but some darn funny lyrics can be used on just about every classic and popular song, rock, beat, hip-hop - whatever man! This volume has the following funny lyrics... Losing My Religion - Losing My Bladder Control Just A Gigolo - Just a Gigolo/Got No Body (Skeletal Version) The Look of Love - The Look of Lust (Nerd Edition) 50 Ways to Leave Your Lover - 50 Ways to Spank Your Monkey Space Oddity - Bowel Oddity Don't Fear The Reaper - Don't Fear The Reefer Raindrops Keep Falling on My Head - Peedrops Keep Fallin' on My Head Putting on the Ritz - Putin on the Shitz Puff the Magic Dragon - Poof The Tragic Drag Queen Smoke on the Water - Smoke in the Toilet Doctor Who Theme Music - Doctor Poo and the TURDIS (yes lyrics to this famous tune!) Good Vibrations - Big Vibrator Take it Easy - Take it Sleazy Another Brick in the Wall - Another Prick in the Wall Blinded by the Light - Blinded by the Shite Everybody Dance Now - Everybody Jack Now WARNING! Some adult content, some non-PC, but mostly adolescent naughty schoolboy humor. Have fun!

It's funny how love has a way of changing things. Just when you think you've got it all figured out, life throws you a curveball. Marcellus Blake knew that better than anyone. He'd been living his life on a private high until being inadvertently forced to expose himself. Not at all accustomed to explaining himself or considering any needs outside of his own, he's become immersed in one of the most difficult situations of his life. Not realizing it until it was too late, Marcellus finds his heart torn between two women with no way out. Everything that seemed right and natural has now become the biggest fight of his life. How does he walk away from everything he's known to embark on an unknown road with uncertain feelings? More than willing and inadvertently eager to trust his newest feelings, Marcellus pursues what feels right, only to be met with one barrier after the next. What's a man to do when he's broken the heart that was made for him? How does he retract the feelings that were never supposed to form? Where does he start picking up the regretful

pieces that he's lost? Above all, when does the woman he wants, begin to want him back? ...It's all fun and games until the person you love no longer loves you back...

From New York Times Bestselling author Penelope Douglas comes a new forbidden love story... JORDAN He took me in when I had nowhere else to go. He doesn't use me, hurt me, or forget about me. He doesn't treat me like I'm nothing, take me for granted, or make me feel unsafe. He remembers me, laughs with me, and looks at me. He listens to me, protects me, and sees me. I can feel his eyes on me over the breakfast table, and my heart pumps so hard when I hear him pull in the driveway after work. I have to stop this. It can't happen. My sister once told me there are no good men, and if you find one, he's probably unavailable. Only Pike Lawson isn't the unavailable one. I am. PIKE I took her in, because I thought I was helping. She'd cook a few meals and clean up a little. It was an easy arrangement. As the days go by, though, it's becoming anything but easy. I have to stop my mind from drifting to her and stop holding my breath every time I bump into her in the house. I can't touch her, and I shouldn't want to. The more I find my path crossing hers, though, the more she's becoming a part of me. But we're not free to give into this. She's nineteen, and I'm thirty-eight. And her boyfriend's father. Unfortunately, they both just moved into my house. *BIRTHDAY GIRL is a stand-alone, contemporary romance suitable for ages 18+.

These poems are a snapshot of twenty-five years of poetry in the making. My words have given form to a living, breathing diary of one man's life. Come take my hand and travel with me through moments of disparity, passion, and joy in my first collection of poetry titled In Perpetuity. Like a beautiful painting left behind in a museum; I give you my words. Forever leaving you, a piece of me.

Lyric is happily married to Aries they seem to have the perfect marriage but he is never around. All he wants to do is make money. LaBrea has a lover that she will do anything for to prove her love. She has a lot going on in life; just crazy in love. Phaedra doesn't miss a beat when it comes to her family. Everything seems perfect but it really isn't. Jealousy, envy, lies and betrayal will make you reconsider who is real and who's not. In the end, the ladies may all be saying silly of me because everything is not what it seems.

She's A Part Of Me is a follow up to my first book Treat Her Right. what I share in this book is an extension to why we treat women right, and why they are special. In touch on the journey we takes we travel down the path of relationships. Join me in exploring the world of how and why women are special and need to be recognized as such.

Beth cherished her childhood summers on a pristine northern Canadian lake, where she reveled in the sweet smell of dew on early morning hikes, the loons' evening trills across the lake's many bays, every brush stroke of her brother's paintings celebrating their cherished place,

and their grandfather's laughter as he welcomed neighbors to their annual Welsh harvest celebration. Theirs was an unshakeable bond with nature, family, and friends, renewed every summer on their island of granite and pines. But that bond was threatened and then torn apart, first as rights to their island were questioned and then by nature itself, and the family was forced to leave. Fourteen years later, Beth has created a new life in urban Chicago. There, she's erected a solid barrier between the past and present, no matter how much it costs—until her grandfather asks her to return to the island to determine its fate. Will she choose to preserve who she has become, or risk everything to discover if what was lost still remains? *The Best Part of Us* will immerse readers in a breathtaking natural world, a fresh perspective on loyalty, and an exquisite ode to the essential roles that family, nature, and place hold in all of our lives.
