A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE

As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday."

When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be able to help, Lakshmi journeys to India and arrives at “Happiness House” full of hope. But she soon learns the unthinkable truth: she has

been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt—then cheats Lakshmi of her meager earnings so that she can never leave. Canada's beloved comic genius tells his own story for the first

time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy ("Rick still owes 15 dollars to the chocolate bar fundraiser" was one of the less brutal items on a typical report) to heights of TV fame, by way of an amazing break as a teenager when his one-man show, "Show Me the Button, I'll Push It. Or, Charles Lynch Must Die," became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's the tale of how little Rick stole a tree from the neighbours that's set to become a new Christmas classic. There's Rick the aspiring actor—hitting the road as a new young punk in a vanload of hippies and appearing on stage in Shakespeare—and a wealth of behind-scenes revelations about *This Hour Has 22 Minutes*, *Made in Canada*, *Talking to Americans* and the coming of the mega-hit *Rick Mercer Report*. It's a life so packed with incident and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two."

The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in

International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. In the ruins of civilization, a young girl's kindness and capacity for love will either save humanity -- or wipe it out in this USA Today bestselling thriller Joss Whedon calls "heartfelt, remorseless, and painfully human." Melanie is a very special girl. Dr Caldwell calls her "our little genius." Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant keeps his gun pointed at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite, but they don't laugh. The Girl With All the Gifts is a genre-defying, emotionally charged thriller that will shatter your expectations of the classic zombie novel. Great short Story from the author of the Wizard of OZ. Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna

and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

This book does not portend to spread the lies that the detrimental feminist ideology would have you believe. Rather, it seeks to enlighten girls everywhere as to the true secret that renders a girl happy. To render one must surrender. Namely, if a girl will commit herself to complete surrender to her man, content with losing all control, fine with letting him make all her decisions for her, and happy pleasing him through absolute faith and devotion, then this same girl will come to know what true happiness actually is in this lifetime. Please let everyone you know, both male and female, know about this book, and encourage them to read it. The more hands this book reaches the happier everyone will be. This book was inspired by my own journey into submission. In the beginning I experienced some painful lessons. I was spanked hard to the point I thought my butt was literally on fire, until my hinny was so swore I could hardly sit down afterward. I was bathed and treated like a little girl; I still am to this day. I really did find true happiness through this journey into submission and obedience. If I can help others commit to this lifestyle change, through my writing, helping them to likewise find true happiness, I feel like I am doing a great and moral good in the world. It is okay to let go of control and be dominated. You will love your new life as a submissive. I promise you, you will! This book is about a young independent woman who is broken and a man who discovers her, takes possession of her, and fixes what's wrong with her.

There's adult content, sex, and questionable philosophy presented throughout. Please only read if you are an adult, responsible, and mentally capable to making sound decisions for yourself. Please read the disclaimer before reading on in the book. Yours faithfully, -Bella Night

NEW YORK TIMES BESTSELLER • "The plot provided by the universe was filled with starvation, war and rape. I would not—could not—live in that tale." Clemantine Wamariya was six years old when her mother and father began to speak in whispers, when neighbors began to disappear, and when she heard the loud, ugly sounds her brother said were

thunder. In 1994, she and her fifteen-year-old sister, Claire, fled the Rwandan massacre and spent the next six years migrating through seven African countries, searching for safety—perpetually hungry, imprisoned and abused, enduring and escaping refugee camps, finding unexpected kindness, witnessing inhuman cruelty. They did not know whether their parents were dead or alive. When Clemantine was twelve, she and her sister were granted refugee status in the United States; there, in Chicago, their lives diverged. Though their bond remained unbreakable, Claire, who had for so long protected and provided for Clemantine, was a single mother struggling to make ends meet, while Clemantine was taken in by a family who raised her as their own. She seemed to live the American dream: attending private school, taking up cheerleading, and, ultimately, graduating from Yale. Yet the years of being treated as less than human, of going hungry and seeing death, could not be erased. She felt at the same time six years old and one hundred years old. In *The Girl Who Smiled Beads*, Clemantine provokes us to look beyond the label of “victim” and recognize the power of the imagination to transcend even the most profound injuries and aftershocks. Devastating yet beautiful, and bracingly original, it is a powerful testament to her commitment to constructing a life on her own terms.
