

The Happiness Project Gretchen Rubin Chapters Summary

The Happiness Project: Or, Why I Spent a Year Trying to Sing in the Morning, Clean My Closets, Fight Right, Read Aristotle, and Generally Have More Fun by Gretchen Rubin | Summary and Analysis Book Preview: Gretchen Rubin's book begins with the "story behind the story." In "Getting Started," Gretchen shares what sparked the whole idea of a "Happiness Project" to begin with. The idea was rooted in nothing more fateful than a bus ride. It was a typical day and a typical commute when Gretchen caught sight out the bus window of a woman juggling an umbrella, a cell phone, and a child. Not a very extraordinary woman, but someone that Gretchen could see herself in. She was that woman - ordinary, harried, and while not depressed, maybe not the happiest, either. That's when it hit Gretchen - she was happy, but was she happy enough? Was this, an ordinary bus ride with ordinary feelings on an ordinary day really all there was for her in life? She knew she had life good, but could she have it even better? Gretchen decided to find out. A perfectionist and planner, Gretchen got started on her "Happiness Project" by doing some research. She read all the greats - from Plato to Schopenhauer in philosophy; Seligman to Lyubomirsky in religion; Tolstoy to McEwan to even Oprah in literature and pop-culture. She spoke with friends and family and colleagues, all of them a mix of critical and encouraging. This is a summary and analysis of the book and NOT the original book This Book Contains: * Summary Of The Entire Book * Chapter By Chapter Breakdown * Analysis Of The Reading Experience Download Your Copy Today

Feel Satisfied with Who and Where You Are In a world of comparison and discontent, it can feel impossible to be happy with life as we know it. Other people seem to have it all together, to be finding success, to be having more fun. But we weren't meant for a life characterized by dissatisfaction. In this entertaining and relatable book, Alexandra Kuykendall chronicles her nine-month experiment to rekindle her love of her ordinary "actual" life. After wiping her calendar as clean as a mother of four can, Kuykendall focuses on one aspect of her life each month, searching for ways to more fully enjoy her current season. By intentionally adding one thing each month that will make her jump for joy, she provides a practical challenge women can easily replicate. With humor, poignancy, and plenty of personal stories, Kuykendall weaves together spiritual themes and practical application into a holy self-awareness, showing women how a few small changes in their routines can improve their enjoyment of this crazy-busy life. Endorsement "If you ever get the chance to read anything written by Alexandra Kuykendall, take it. She is a gentle, trustworthy storyteller who lives the words she writes about."--Emily P. Freeman, author of *Simply Tuesday*

Radical Candor is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism, delivered to produce better results and help employees develop their skills and boundaries of success. Great bosses have a strong relationship with their employees, and Kim Scott Malone has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience, and distilled clearly to give actionable lessons to the reader, Radical Candor shows how to be successful while retaining your integrity and humanity. Radical Candor is the perfect handbook for those who are looking to find meaning in their job and create an environment where people both love their work, their colleagues and are motivated to strive to ever greater success. Learn how to achieve the happiness you deserve "A guide to sustaining your newfound

contentment." —Psychology Today "Lyubomirsky's central point is clear: a significant portion of what is called happiness . . . is up for grabs. Taking some pages out of the positive psychology playbook, she coaches readers on how to snag it." —The New York Review of Books You see here a different kind of happiness book. The How of Happiness is a comprehensive guide to understanding the elements of happiness based on years of groundbreaking scientific research. It is also a practical, empowering, and easy-to-follow workbook, incorporating happiness strategies, exercises in new ways of thinking, and quizzes for understanding our individuality, all in an effort to help us realize our innate potential for joy and ways to sustain it in our lives. Drawing upon years of pioneering research with thousands of men and women, The How of Happiness is both a powerful contribution to the field of positive psychology and a gift to people who have sought to take their happiness into their own hands.

"Wealth noun \welth\ Derived from the Middle English, welthe: meaning wellbeing and happiness: a large amount of money and possessions Wellth noun \welth\ A new and more valuable life currency: a life exemplified by abundance, happiness, purpose, health, and joy. MindBodyGreen founder Jason Wachob, in his first book, redefines successful living and offers readers instead a new life currency to build on, one that is steeped in physical and emotional health and wellbeing. In this prescriptive memoir he shows us all how to build a life, not a resume, and why it's important to make frequent deposits into our own 'wellth' accounts. Don't just take his word for it, read exclusive material from popular contributors and see what they have to say about becoming truly wealthy, including: psychologist Sue Johnson, Dr. Frank Lipman, Dr. Aviva Romm, Joe Cross, meditation expert Charlie Knoles, EWG director Heather White, and yoga phenom Kathryn Budig"--

“This book made me happy in the first five pages.” —AJ Jacobs, author of *The Year of Living Biblically: One Man's Humble Quest to Follow the Bible as Literally as Possible* Award-winning author Gretchen Rubin is back with a bang, with *The Happiness Project*. The author of the bestselling *40 Ways to Look at Winston Churchill* has produced a work that is “a cross between the Dalai Lama’s *The Art of Happiness* and Elizabeth Gilbert’s *Eat, Pray, Love*.” (Sonya Lyubomirsky, author of *The How of Happiness: A Scientific Approach to Getting the Life You Want*) In the vein of *Julie and Julia*, *The Happiness Project* describes one person’s year-long attempt to discover what leads to true contentment. Drawing at once on cutting-edge science, classical philosophy, and real-world applicability, Rubin has written an engaging, eminently relatable chronicle of transformation.

What if you could change your life--without changing your life? Gretchen had a good marriage, two healthy daughters, and work she loved--but one day, stuck on a city bus, she realized that time was flashing by, and she wasn’t thinking enough about the things that really mattered. “I should have a happiness project,” she decided. She spent the next year test-driving the wisdom of the ages, current scientific studies, and lessons from popular culture about how to be happier. Each month, she pursued a different set of resolutions: go to sleep earlier, quit nagging, forget about results, or take time to be silly. Bit by bit, she began to appreciate and amplify the happiness that already existed in her life. Written with humour and insight, Gretchen’s story will inspire you to start your own happiness project. Now in a beautiful, expanded edition, Gretchen offers a wealth of new material including happiness paradoxes and practical tips on many daily matters: being a more light-hearted parent, sticking to a fitness routine, getting your sweetheart to do chores without nagging, coping when you forget

day.' STEVEN PINKER 'From entrepreneurs to athletes, and world leaders to entertainers, this is a fascinating collection of interviews with some of the world's most influential individuals.' MARK CUBAN 'Thought Economics is a fine rebuke to the soundbite culture; these interviews are driven by real curiosity, and there is a wealth of wisdom here.' EDWARD STOURTON Since 2007, entrepreneur and philanthropist Vikas Shah has been on a mission to interview the people shaping our century. Including conversations with Nobel prizewinners, business leaders, politicians, artists and Olympians, he has been in the privileged position of questioning the minds that matter on the big issues that concern us all. We often talk of war and conflict, the economy, culture, technology and revolutions as if they are something other than us. But all these things are a product of us - of our ideas, our dreams and our fears. We live in fast-moving and extraordinary times, and the changes we're experiencing now, in these first decades of the twenty-first century, feel particularly poignant as decisions are made that will inform our existence for years to come. What started out as a personal interest in the mechanisms that inform our views of the world, and a passion for understanding, has grown into a phenomenal compilation of once-in-a-lifetime conversations. In this incredible collection, Shah shares some of his most emotive and insightful interviews to date. Chapters include: Chapter 1. On Identity: Who We Are Chapter 2. On Culture: The Context of Humanity Chapter 3. On Leadership: Bringing Humanity Together Chapter 4. On Entrepreneurship: The Creators and the Makers

inventor of the tank, Winston Churchill led Britain to fight alone against Nazi Germany in the fateful year of 1940 and set the standard for leading a democracy at war. With penetrating insight and vivid anecdotes, Gretchen Rubin makes Churchill accessible and meaningful to twenty-first-century readers by analyzing the many contrasting views of the man: he was an alcoholic, he was not; he was an anachronism, he was a visionary; he was a racist, he was a humanitarian; he was the most quotable man in the history of the English language, he was a bore. Like no other portrait of its famous subject, *Forty Ways to Look at Winston Churchill* is a dazzling display of facts more improbable than fiction. It brings to full realization the depiction of a man too fabulous for any novelist to construct, too complex for even the longest narrative to describe, and too significant ever to be forgotten.

In this groundbreaking analysis of personality type, bestselling author of *Better Than Before* and *The Happiness Project* Gretchen Rubin reveals the one simple question that will transform what you do at home, at work, and in life. During her multibook investigation into understanding human nature, Gretchen Rubin realized that by asking the seemingly dry question "How do I respond to expectations?" we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: Upholders, Questioners, Obligers, and Rebels. Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. More than

Access Free The Happiness Project Gretchen Rubin Chapters Summary

600,000 people have taken her online quiz, and managers, doctors, teachers, spouses, and parents already use the framework to help people make significant, lasting change. The Four Tendencies hold practical answers if you've ever thought: • People can rely on me, but I can't rely on myself. • How can I help someone to follow good advice? • People say I ask too many questions. • How do I work with someone who refuses to do what I ask—or who keeps telling me what to do? With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative. It's far easier to succeed when you know what works for you.

Gratitude and happiness go hand-in-hand -- and *The Thank-You Project* provides an easy-to-follow approach for creating more of both. Who helped you become the person you are today? As Nancy Davis Kho approached a milestone birthday, she decided to answer that question by sending thank-you letters to the many people who had influenced her, helped her, and inspired her over the years: family, friends, mentors, teachers, co-workers, even a couple of former friends and exes. While her recipients always seemed genuinely pleased to read the letters, what Nancy never expected was the profound and positive effect the process would have on her. As it turns out, emerging research proves that actively appreciating the formative people in your life, past and present, can lead to a lasting increase in your happiness levels--and *The Thank-you Project* offers a charming, entertaining roadmap to see, say and savor your

- Use a task manager to track projects

"With a fine combination of humor, compassion and vast knowledge, Talya Miron-Shatz offers clear and useful guidance for the hardest decisions of life." -Daniel Kahneman, Nobel award-winning author of Thinking, Fast and Slow A top expert on decision-making explains why it's so hard to make good choices—and what

Access Free The Happiness Project Gretchen Rubin Chapters Summary

you and your doctor can do to make better ones In recent years, we have gained unprecedented control over choices about our health. But these choices are hard and often full of psychological traps. As a result, we're liable to misuse medication, fall for pseudoscientific cure-alls, and undergo needless procedures. In *Your Life Depends on It*, Talya Miron-Shatz explores the preventable ways we make bad choices about everything from nutrition to medication, from pregnancy to end-of-life care. She reveals how the medical system can set us up for success or failure and maps a model for better doctor-patient relationships. Full of new insights and actionable guidance, this book is the definitive guide to making good choices when you can't afford to make a bad one.

Fitness expert Adam Zickerman presents a revolutionary exercise program – slow strength training – that will forever change the way people work out. *The Power of 10* seems to contradict nearly everything we're accustomed to hearing about exercise. Forget hours on the treadmill, and forget daily visits to the gym. This new program offers 20 minute workout sessions, once or twice per week, with an alluring emphasis on rest and recovery on your days off. The principle behind *The Power of 10* is simple: by lifting weights in slow motion, making each rep last 20 seconds (10 seconds lifting and 10 seconds lowering) instead of the typical 7 seconds, you can maximize muscle transformation. The short workouts

Access Free The Happiness Project Gretchen Rubin Chapters Summary

are so effective that your body will need days to recover and repair properly. Studies have shown that such routines can increase lean body mass, help burn calories more efficiently, and prevent cardio-vascular disease more effectively than aerobic exercise alone.

#1 New York Times Bestseller Gretchen Rubin's year-long experiment to discover how to create true happiness. Drawing on cutting-edge science, classical philosophy, and real-world examples, Rubin delivers an engaging, eminently relatable chronicle of transformation. This special 10th Anniversary edition features a Conversation with Gretchen Rubin, Happiness Project Stories, a guide to creating your own happiness project, a list of dozens of free resources, and more. "An enlightening, laugh-aloud read. . . . Filled with open, honest glimpses into [Rubin's] real life, woven together with constant doses of humor."—Christian Science Monitor

Gretchen Rubin had an epiphany one rainy afternoon in the unlikeliest of places: a city bus. "The days are long, but the years are short," she realized. "Time is passing, and I'm not focusing enough on the things that really matter." In that moment, she decided to dedicate a year to her happiness project. In this lively and compelling account—now updated with new material by the author—Rubin chronicles her adventures during the twelve months she spent test-driving the wisdom of the ages, current scientific research,

Access Free The Happiness Project Gretchen Rubin Chapters Summary

and lessons from popular culture about how to be happier. Among other things, she found that novelty and challenge are powerful sources of happiness; that money can help buy happiness, when spent wisely; that outer order contributes to inner calm; and that the very smallest of changes can make the biggest difference. This updated edition includes: · An extensive new interview with the author · Stories of other people's life-changing happiness projects · A resource guide to the dozens of free resources created for readers · The Happiness Project Manifesto · An excerpt from Gretchen Rubin's bestselling book *The Four Tendencies: The Indispensable Personality Profiles that Reveal How to Make Your Life Better (and Other People's Lives Better, Too)*

A New York Times bestseller from the author of *Dusk, Night Dawn, Hallelujah Anyway, Bird by Bird, and Almost Everything*. Author Anne Lamott writes about the three simple prayers essential to coming through tough times, difficult days and the hardships of daily life. Readers of all ages have followed and cherished Anne Lamott's funny and perceptive writing about her own faith through decades of trial and error. And in her new book, *Help, Thanks, Wow*, she has coalesced everything she knows about prayer to these fundamentals. It is these three prayers – asking for assistance from a higher power, appreciating what we have that is good, and feeling awe at the world around us – that can get us through the

Access Free The Happiness Project Gretchen Rubin Chapters Summary

day and can show us the way forward. In *Help, Thanks, Wow*, Lamott recounts how she came to these insights, explains what they mean to her and how they have helped, and explores how others have embraced these same ideas. Insightful and honest as only Anne Lamott can be, *Help, Thanks, Wow* is the everyday faith book that new Lamott readers will love and longtime Lamott fans will treasure.

Explore a new and effective method for seizing opportunity in the face of uncertainty In *Provoke: How Leaders Shape the Future by Overcoming Fatal Human Flaws*, renowned strategy consultants and best-selling authors Geoff Tuff and Steven Goldbach deliver an insightful exploration of how people tend to act tentatively in the face of uncertainty and provide the tools we need to do things differently. Tuff and Goldbach offer up a compelling argument for the proposition that taking a "wait and see" approach is the exact opposite of what helps visionary leaders change the world. Drawing on principles from business and behavioral economics, the book shows readers from all walks of life how to provoke action as a mechanism to advance. In this book you'll discover: An overview of the assortment of cognitive biases which tend to restrain and distort leadership decision making in the face of uncertainty How to recognize the 'phase change' that occurs when an uncertainty resolves from being a question of "if" to being a matter of "when" Five different models of provocation which can be used alone or in combination to anticipate, drive through and exit that phase

Access Free The Happiness Project Gretchen Rubin Chapters Summary

change in a way that creates the future you desire How true "provocateurs" shake the foundations of their industries, firms, sectors, and governments by overcoming their need for certainty before action Perfect for leaders or aspiring leaders in all walks of life where uncertainty abounds—which is to say, almost everywhere —Provoke will become your go-to guide to overcoming those natural human instincts that keep us frozen in place and prevent us from seizing our opportunities.

An accessible portrait of the America's thirty-fifth president captures the contradictions and complexities of John Fitzgerald Kennedy as it presents forty contrasting views of the man, his life, his accomplishments, his contributions to history, and his legacy. 30,000 first printing.

An investigation into the societal impact of intelligent, high-achieving women who are honing traditional homemaking skills traces emerging trends in sophisticated crafting, cooking and farming that are reshaping the roles of women.

If the viral BuzzFeed-style personality quizzes are any indication, we are collectively obsessed with the idea of defining and knowing ourselves and our unique place in the world. But what we're finding is this: knowing which Harry Potter character you are is easy, but actually knowing yourself isn't as simple as just checking a few boxes on an online quiz. For readers who long to dig deeper into what makes them uniquely them (and why that matters), popular blogger Anne Bogel has done the hard part--collecting, exploring, and explaining the most popular personality frameworks, such as Myers-

Access Free The Happiness Project Gretchen Rubin Chapters Summary

Briggs, StrengthsFinder, Enneagram, and others. She explains to readers the life-changing insights that can be gained from each and shares specific, practical real-life applications across all facets of life, including love and marriage, productivity, parenting, the workplace, and spiritual life. In her friendly, relatable style, Bogel shares engaging personal stories that show firsthand how understanding personality can revolutionize the way we live, love, work, and pray.

This book teaches frustrated, stressed-out parents that selectively ignoring certain behaviors can actually inspire positive changes in their kids. With all the whining, complaining, begging, and negotiating, parenting can seem more like a chore than a pleasure. Dr. Catherine Pearlman, syndicated columnist and one of America's leading parenting experts, has a simple yet revolutionary solution: Ignore It! Dr. Pearlman's four-step process returns the joy to child rearing. Combining highly effective strategies with time-tested approaches, she teaches parents when to selectively look the other way to withdraw reinforcement for undesirable behaviors. Too often we find ourselves bargaining, debating, arguing and pleading with kids. Instead of improved behavior parents are ensuring that the behavior will not only continue but often get worse. When children receive no attention or reward for misbehavior, they realize their ways of acting are ineffective and cease doing it. Using proven strategies supported by research, this book shows parents how to: - Avoid engaging in a power struggle - Stop using attention as a reward for misbehavior - Use effective behavior modification techniques to

Access Free The Happiness Project Gretchen Rubin Chapters Summary

diminish and often eliminate problem behaviors Overflowing with wisdom, tips, scenarios, frequently asked questions, and a lot of encouragement, Ignore It! is the parenting program that promises to return bliss to the lives of exasperated parents. "This ghost story gave me chill after chill. It will haunt you." -- R.L. Stine, author of Goosebumps

In the spirit of her blockbuster #1 New York Times bestseller *The Happiness Project*, Gretchen Rubin embarks on a new project to make home a happier place. One Sunday afternoon, as she unloaded the dishwasher, Gretchen Rubin felt hit by a wave of homesickness. Homesick—why? She was standing right in her own kitchen. She felt homesick, she realized, with love for home itself. “Of all the elements of a happy life,” she thought, “my home is the most important.” In a flash, she decided to undertake a new happiness project, and this time, to focus on home. And what did she want from her home? A place that calmed her, and energized her. A place that, by making her feel safe, would free her to take risks. Also, while Rubin wanted to be happier at home, she wanted to appreciate how much happiness was there already. So, starting in September (the new January), Rubin dedicated a school year—September through May—to making her home a place of greater simplicity, comfort, and love. In *The Happiness Project*, she worked out general theories of happiness. Here she goes deeper on factors that matter for home, such as possessions, marriage, time, and parenthood. How can she control the cubicle in her pocket? How might she spotlight

her family's treasured possessions? And it really was time to replace that dud toaster. Each month, Rubin tackles a different theme as she experiments with concrete, manageable resolutions—and this time, she coaxes her family to try some resolutions, as well. With her signature blend of memoir, science, philosophy, and experimentation, Rubin's passion for her subject jumps off the page, and reading just a few chapters of this book will inspire readers to find more happiness in their own lives.

New York Times best-selling author Dan Buettner reveals the surprising secrets of what makes the world's happiest places—and shows you how to apply these lessons to your own life. In this inspiring guide, you'll find game-changing tools drawn from global research and expert insights for achieving maximum fulfillment. Along the way, you'll:

- Discover the three strands of happiness—pleasure, purpose, and pride—that feature prominently in the world's happiest places.
- Take the specially designed Blue Zones Happiness Test to pinpoint areas in your life where you could cultivate greater joy, deeper meaning, and increased satisfaction.
- Meet the world's Happiness All-Stars: inspiring individuals from Denmark to the United States who reveal dynamic, practical ways to improve day-to-day living.
- Discover specific, science-based strategies for setting up a “life radius” of community, work, home, and self to create healthier, happiness-boosting habits for the long-term.

Dear Reader, I have written this workbook for you to use as a guide on how to drop anchor when life, and the world around you, gets too daunting. It's filled with exercises

and information for when you're suddenly forced to confront the hard truths or as I like to call them the BIG SIX realities – difficult emotions, uncertainty, loneliness, change, dissatisfaction and death. It isn't just about how to get through a pandemic... Or the post-pandemic fall-out. It is a WAKE UP call. One that will increase your awareness of every moment through mindfulness. So SCRIBBLE in it. DOODLE in it. Take it EVERYWHERE. No one is going to see what's inside but you. This is not just another self-help book. Think of it as an evolve-yourself book. I do hope it helps you hold the rudder straight, no matter how turbulent the waves, and that you come out the other end buoyant, with a new appreciation for the privilege of life. Love RUBY x

From the author of BETTER THAN BEFORE > 'A LOT OF US WOULD LIKE A RUBIN IN OUR LIVES' The Times Magazine - 'EXTRAORDINARY' Viv Groskop, The Times Style - 'FASCINATING, PERSUASIVE' Guardian - 'A LIFE-CHANGER' The Pool Did you love The Happiness Project, Happier at Home and Better Than Before? convert from her wildly popular podcast, Happier with Gretchen Rubin, this funny and poignant compilation will entertain and inspire you in your own pursuit of happiness and good habits.

NEW YORK TIMES BESTSELLER • The author of *The Happiness Project* and “a force for real change” (Brené Brown) examines how changing our habits can change our lives. “If anyone can help us stop procrastinating, start exercising, or get organized, it’s Gretchen Rubin. The happiness guru takes a sledgehammer to old-fashioned notions about change.”—*Parade* Most of us have a habit we’d like to change, and there’s no shortage of expert advice. But as we all know from tough experience, no magic, one-size-fits-all solution exists. It takes work to make a habit, but once that habit is set, we can harness the energy of habits to build happier, stronger, more productive lives. In *Better Than Before*, acclaimed writer Gretchen Rubin identifies every approach that actually works. She presents a practical, concrete framework to allow readers to understand their habits—and to change them for good. Infused with Rubin’s compelling voice, rigorous research, and easy humor, and packed with vivid stories of lives transformed, *Better Than Before* explains the (sometimes counterintuitive) core principles of habit formation and answers the most perplexing questions about habits: • Why do we find it tough to create a habit for something we love to do? • How can we keep our healthy habits when we’re surrounded by temptations? • How can we help someone else change a habit? Rubin reveals the true secret to habit change: first, we

must know ourselves. When we shape our habits to suit ourselves, we can find success—even if we've failed before. Whether you want to eat more healthfully, stop checking devices, or finish a project, the invaluable ideas in *Better Than Before* will start you working on your own habits—even before you've finished the book.

A groundbreaking approach to wellness that will help you cut through the clutter and find the small shifts that create huge changes in your life, from the host of the podcast *The Feel Good Effect* “An absolutely fresh and insightful guide . . . If you're looking to create more calm, clarity, and joy, this book is for you.”—Shauna Shapiro, Ph.D., author of *Good Morning I Love You* What if wellness isn't about achieving another set of impossible standards, but about finding what works—for you? Radically simple and ridiculously doable, *The Feel Good Effect* helps you redefine wellness, on your own terms. Drawing from cutting-edge science on mindfulness, habit, and behavior change, podcast host Robyn Conley Downs offers a collection of small mindset shifts that allow for more calm, clarity, and joy in everyday life, embracing the idea that “gentle is the new perfect” when it comes to sustainable wellness. She then leads you through an easy set of customizable habits for happiness and health in mind, body, and soul, allowing you to counteract stress and prevent burnout. Instead of trying to get more done, *The Feel Good Effect* offers a refreshingly sane approach that will allow you to identify and focus on the elements that actually move the needle in your life right now. Less striving. More ease. It's time to feel good.

NEW YORK TIMES BESTSELLER • In this lovely, easy-to-use illustrated guide to decluttering, the beloved author of *The Happiness Project* shows us how to take control of our stuff—and, by extension, our lives. Gretchen Rubin knows firsthand that creating order can make our lives happier, healthier, more productive, and more creative. But for most of us, a rigid, one-size-fits-all solution doesn't work. When we tailor our approach to suit our own particular challenges and habits, we can find inner calm. With a sense of fun, and a clear idea of what's realistic for most people, Rubin suggests dozens of manageable tips and tricks for creating a more serene, orderly environment, including:

- Never label anything “miscellaneous.”
- Ask yourself, “Do I need more than one?”
- Don't aim for minimalism.
- Remember: If you can't retrieve it, you won't use it.
- Stay current with a child's interests.
- Beware the urge to “procrasticlear.”

By getting rid of things we don't use, don't need, or don't love, we free our minds (and our shelves) for what we truly value.

Summary of *The Happiness Project* by Gretchen Rubin Includes Analysis Preview: *The Happiness Project* by Gretchen Rubin is a memoir of the author's year-long experiment to see if she could maximize her happiness. Rubin had plenty of reasons to be satisfied with her life. She was married to the love of her life and the mother of two children. She had transitioned from law to a fulfilling writing career. Yet one afternoon while riding on a public bus, she had a sudden awareness of how quickly life passes. Afraid that she might wake up one day and feel like she wasted her life, Rubin asked herself: What do I

really want? The answer was simple: to be happy. Although she had a wonderful life, she also had a strong sense that she could be happier. Rubin didn't want to do anything drastic, like leave her family or go on an overseas sabbatical. Instead, she decided to dedicate twelve months to increasing her own...
