Does God exist? How can a good God allow pain and suffering? Can we trust the Bible? Is Jesus a copy of earlier pagan gods? Is Jesus the only way to God? What does the Bible actually say about homosexuality, transgenderism, and abortion? Did Jesus actually rise from the dead? After living as a strong Christian for most of his life, Caleb Eissler began to seriously doubt the very beliefs he had so tightly held to. When he entered college, he began wrestling with these very questions. Eissler realized that Christianity had to answer these questions and more if it was to be taken seriously. Ready to walk away from his faith if Christianity was found to be false, he embarked on a journey to find the truth. After years of research, Eissler's faith wasn't just sustained, but transformed. He not only found the claims of Christianity to be true, but also to be even more amazing than he had ever imagined. Eissler's doubt, research, and soul-searching fueled a new passion to help others rationally think through the same questions he had encountered. *Unchaining the Lion* is the culmination of Eissler's research and passion. *Unchaining the Lion* sets out to bridge the gap of misunderstanding between Christianity and secular culture by laying out the claims and evidence for Christianity, while addressing countless objections and questions along the way. To non-believers, Eissler provides a coherent and easy-to-follow explanation of the beliefs and the defenses of Christianity, while challenging them on their presuppositions about the world, the Bible, and God. To Christians, he provides a solid and deep defense of the claims of their faith that will surely help any believer. Unchain yourself from the shackles of doubt towards Christianity as Eissler shares a truth that the world must hear.

Greek Angels in the Lion's Den is a candid and passionately written memoir, eight years in the making, introducing the reader to a motherless daughter. Nicolette worked hard to discover her roots and identity while living with a mean-spirited and abusive Greek "stepmother" and an aloof, womanizing Greek father. This memoir addresses more than what one thinks exists in Greek households and what has been portrayed in a popular Greek film and its sequel. On the contrary, this memoir delves deeply into spousal and child abuse, alcoholism, ethnocentrism, racism, poverty, sports fame, health issues, the Greek underworld, sexism, arranged Greek marriages, and the effects these issues have had on the mental and physical health of those family members and friends.
