recognize and interpret the life-changing messages from loved ones and spirit guides on the Other Side. “A collection of incredible stories . . . that speak to the universe’s endless capacity for magical moments.”—Goop Laura Lynne Jackson is a psychic medium and the author of the New York Times bestseller *The Light Between Us*. She possesses an incredible gift: the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding “the secret language of the universe” is a gift available to all. As we learn to ask for and recognize signs from the other side, we will start to find meaning where before there was only confusion, and see light in the darkness. We may decide to change paths, push toward love, pursue joy, and engage with life in a whole new way. In *Signs*, Jackson is able to bring the mystical into the everyday. She relates stories of people who have experienced uncanny revelations and instances of unexplained synchronicity, as well as others drawn from her own experience. There’s the lost child who appears to his mother as a deer that approaches her unhesitatingly at a highway rest stop; the name written on a dollar bill that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact moment of Jackson’s own father’s passing; and many others. This is a book that is inspiring and practical, deeply comforting and wonderfully motivational, in asking us to see beyond ourselves to a more magnificent universal design. Praise for

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

Jesus with friends, family, and neighbors who don't yet know Him? The Seven Signs. In a world of darkness, doubt, and confusion, the Seven Signs provide light to anyone about Jesus Christ, the promised One. Whether you already believe, or aren't sure what you believe, The Seven Signs of Jesus will open your eyes. The Seven Signs of Jesus: God's Proof for the Open-Minded focuses on the Savior through the lens of the famous seven signs presented in the Gospel of John, which are specifically given so that readers will -believe that Jesus is the Messiah, the Son of God, and that by believing you may have life in his name.- However, the signs do much more than offer evangelistic proof-as if they were simply parts of a mathematical equation or elements of a formula in physics. They reveal Jesus as the One who offers to be with us through all of life: during our celebrations, on our sickbeds, in our disabilities, amid our feasting, in our dangers, alongside us in our spiritual searching, and when we face our deaths. In all these things, they point the way to a vibrant, life-changing faith. The novel Seven Signs of the Lion is a magical journey to the city of Lviv in Western Ukraine. These include the enigmatic Mr. Viktor, who, with one eye that always glimmers, in a dream summons him across the Atlantic Ocean to the city of lions, becoming his spiritual mentor; the genius mathematician Professor Potojbichny (a man of science with a mystical bent and whose name means “man from the other side”); the exquisite beauty Ada, whose name suggests “woman from Hades” in Ukrainian, whose being emanates irresistible sensuality, but who never lets anyone capture her beauty in a picture; the schizophrenic artist Ivan the Ghostseer, who lives in a bohemian hovel of a basement apartment and in an alcohol-induced trance paints the spirits of the city that torment him; and the curly-haired elfin Raya, whose name suggests “paradise” in Ukrainian and who becomes the primary guide and companion for Nicholas on his journey to self-realization. The hero is summoned to the land of his ancestors to find the “seven signs of the lion” in a mysterious quest. The multicultural and unique architectural aspects of the “city of lions” with its medieval old town dating back several centuries is showcased. Part cultural history, the novel deals with the legends and myths surrounding the city and its environs. Anglophone readers will be introduced to a country, a people and a culture that largely remain undiscovered for them.

Don't go to work for the next WorldCom right before the crash? · Identify and solve problems in your organization before they send it crashing to the ground? Marianne Jennings has spent a lifetime studying business ethics---and ethical failures. In demand nationwide as a speaker and analyst on business ethics, she takes her decades of findings and shows us in *The Seven Signs of Ethical Collapse* the reasons that companies and nonprofits undergo ethical collapse, including: · Pressure to maintain numbers · Fear and silence · Young 'uns and a larger-than-life CEO · A weak board · Conflicts · Innovation like no other · Belief that goodness in some areas atones for wrongdoing in others Don't watch the next accounting disaster take your hard-earned savings, or accept the perfect job only to find out your boss is cooking the books. If you're just interested in understanding the (not-so) ethical underpinnings of business today, *The Seven Signs of Ethical Collapse* is both a must-have tool and a fascinating window into today's business world.
