The New York Times–bestselling author of *Rose Daughter* reimagines the classic French fairy tale of *Beauty and the Beast*. I was the youngest of three daughters. Our literal-minded mother named us Grace, Hope, and Honour. . . . My father still likes to tell the story of how I acquired my odd nickname: I had come to him for further information when I first discovered that our names meant something besides you-come-here. He succeeded in explaining grace and hope, but he had some difficulty trying to make the concept of honour understandable to a five-year-old. . . . I said: ‘Huh! I’d rather be Beauty.’ . . . By the time it was evident that I was going to let the family down by being plain, I’d been called Beauty for over six years. . . . I wasn’t really very fond of my given name, Honour, either . . . as if ‘honourable’ were the best that could be said of me. The sisters’ wealthy father loses all his money when his merchant fleet is drowned in a storm, and the family moves to a village far away. Then the old merchant hears what proves to be a false report that one of his ships had made it safe to harbor at last, and on his sad, disappointed way home again he becomes lost deep in the forest and has a terrifying encounter with a fierce Beast, who walks like a man and lives in a castle. The merchant’s life is forfeit, says the Beast, for trespass and the theft of a rose—but he will spare the old man’s life if he sends one of his daughters: “Your daughter would take no harm from me, nor from anything that lives in my lands.” When Beauty hears this story—for her father had picked the rose to bring to her—her sense of honor demands that she take up the Beast’s

The last mortal kingdom before the unmeasured sweep of Faerieland begins has at best held an uneasy truce with its unpredictable neighbor. So begins “The Stolen Princess,” the first story of this collection, about the meeting between the human princess Linadel and the faerie prince Donathor. “The Princess and the Frog” concerns Rana and her unexpected alliance with a small, green, flipper-footed denizen of a pond in the palace gardens. “The Hunting of the Hind” tells of a princess who has bewitched her beloved brother, hoping to beg some magic

Join Homer, his sister Gwendolyn, and Dog on an adventure that will test their wits and courage as they leave their peaceful farm and head into a world where ruthless treasure hunters hide around every corner. Where they discover that Dog has a hidden talent and that treasure might be closer than they ever imagined...

Katrina works in her grandmother's coffee shop in a small town in Washington State, which isn't exactly the coolest job, given that it's an old-world Scandinavian coffee shop rather than the ultra hip Java Hut next door. One morning, when she gives a free cup of coffee and muffin to a homeless guy sleeping out behind the shop, this random act of kindness turns her life upside down. She soon learns that the homeless guy is actually a teenage guardian angel intent on returning the favor. Fame and fortune seem like the obvious requests, but after two botched wishes, Malcolm knows Katrina is hiding something from him. But how can she tell him the truth, when her heart's desire has become Malcolm himself?
